ORE TAKES AN ISSUE

Business Week gives space in its current issue to a picture of the first ship being loaded at Port Arthur with ore from the recently developed iron mines in the Canadian province of Ontario. Under the picture is this explanation:

"At Port Arthur's new dock, the steamer Benson Ford (above) takes on 12,000 tons of high-grade blast-furnace ore from Steep Rock Mines for Ford Motor Co. in Detroit. This was the first of an estimated 1,000,000 tons to be shipped this year from the recently opened ore deposits of northwestern Ontario. Engineers drained a lake to make the ore accessible. The 30,000-ton capacity dock, which will enable all Steep Rock ore to be shipped practically from its source, will substantially cut travel time to the mills."

A million tons of Canadian ore going into the American market is of more than passing interest to the people of Minnesota. It is especially important because it goes into that particular Great Lakes market that has been supplied heretofore largely by Minnesota mines. It reminds us again that Minnesota's high grade ore deposits are diminishing and that the future of what has been one of our greatest industries is anything but assured.

It is generally recognized that the future of our iron ore industry depends first upon the success of experiments in reducing the cost of converting low grade ore to a marketable product. Good progress in these experiments is being made both by the state and by private interests.

But technical improvements in processing methods alone will not retain this industry for the state. Minnesota has no monopoly on low grade ores and our low grade ore will not be developed under the burden of taxation that has properly been imposed on our richer deposits. This fact was recognized by the 1941 legislature which provided for tax credits for companies mining low grade ores and operating at a high per ton labor cost.

Certainly there could be no justification for reductions in the taxes on our remaining high grade deposits. On the contrary they might properly be taken over by the federal government for future emergencies. Our problem as a state is to find a way of marketing our low grade ore, the deposits of which are said to be practically inexhaustable.

Maybe it is well that this problem is becoming one of the issues of the present political campaign. That is an effective way to bring the facts before the people and there will be no satisfactory solution to this problem until the facts are generally understood. Citizens of the range communities, who have a special interest in this problem, should see to it that the facts are properly presented.

From where I sit ... by Joe Marsh

Good Trees and Good Taverns

About the finest stand of timber in our county is on Asa Fullmore's farm. Asa says it's due to "regulation"—checking on trees that don't come up to standard, and trimming them off to give the other trees a chance for healthy livelihood.

He was explaining it to us in Andy Botkin's Garden Tavern, and Andy nodded approvingly.

"The same goes for any industry," says Andy. "Like the brewers who give us tavern keepers beer to sell. If they find the place isn't up to standard—clean and courteous and wholesome—they start giving warning. Then, if the warning isn't heeded, they start trimming!"

From where I sit, self-regulation within the brewing industry has done as much to give us pleasant, wholesome places to enjoy a moderate glass of beer, as Asa Fullmore's forestry has done to keep his white pines tall and healthy. It's nature's own protection—and the best there is!

Card of Thanks

May I take this means of expressing my sincere thanks to the nurses and all at the hospital who in so many kind ways helped me while I was at the Mercy Hospital and also thanks to those who sent me flowers and so many beautiful cards. Mrs. J. H. Holmes 19p

In Memoriam

In loving memory of our dear son and brother, Walter Hrekko, who passed away May 10, 1945. Gone dear son, gone forever,
How we miss your smiling face
But you have left us to remember
None on earth can take your place.
O happy home we once enjoyed,
How sweet the memory still;
But death has left a loneliness,
The world can never fill.
Sadly missed by his parents, brothers and sisters. 19p

In Appreciation

We wish to express our appreciation to our many relatives and friends for the money given us at the post-nuptial shower Sunday, April 28th.

Especially do we wish to thank the hostesses: Mrs. J. H. Knutson, Mrs. Harlan Knutson, Mrs. Elmer Carlson, Mrs. Anne Ingvalson for their efforts in making it a success.

A sincere thank you to Mrs. Carl Surmo for the beautifully decorated tiered wedding cake. A hearty thank you to you all. Mr. and Mrs. Vincent Surmo. 19p

PIKE FISHING TO START IN STATE NEXT WEDNESDAY

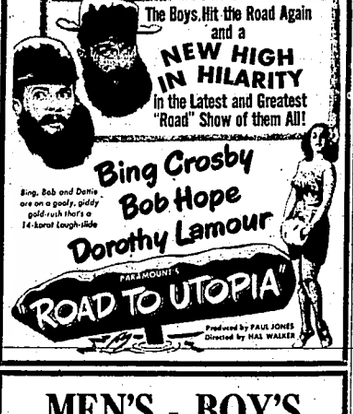
Crappies and Sunfish Also May be Taken in Minnesota May 15th

The second of three opening days for legal fishing in Minnesota comes Wednesday, May 15. On that day, and for the following nine months, it will be legal to angle for pike, pickerel, crappies, sunfish, rock bass, catfish and white bass.

The first opening day was May 1 when the season for trout and suckers in trout streams was opened; the tird will be June 20 when the season on large and small mouthed bass will be opened.

With most of the war-time travel hindrances removed and with tens of thousands of returned servicemen ready to cash in on their dreams of Minnesota fishing, the state game and fish division officials expect the greatest fishing season in history.

Fisherman will be able to secure minnows from about 1700 licensed bait dealers in the state. Through the efforts and cooperation of the fish propagation bureau, bait dealers are increasing the supply of minnow bait in rearing ponds. A few years ago dealers procured all minnows from public waters, but this year at least 50 dealers are operating ponds to reduce the drain on natural minnow production.



Considerable interest is evidenced by sportsmen in the new sportsmen's license and some have sent payments for the license directly to the game and fish division. Officials point out that all licenses, including sportsmen's, are to be purchased from the county auditor, or his agent, in the sportsmen's home county. This license is a combination of the individual fishing license, the small game license, the big game license and the trapping license.

Hourly rates and weekly earnings in petroleum refining are higher than those of 27 other major industries, a recent survey discloses.

Lincoln Track Team Wins Fourth Place in Bemidji Relays

Scoring in the field events—setting new records in the high jump and broad jump—Park Rapids, with a total of 44½ points, won the fourth annual Beaver Relays on the B. S. T. C. field at Bemidji on Friday. Grand Forks Central, with 36 points was the runnerup, while Bemidji tallied 27 points for third place, and the Prowlers, with 18½ points, were in fourth place.

This week the locals participated in the first annual track and field meet of the newly-formed North Valley conference, with teams Devils Lake, Grafton, Grand Forks and Crookston, competing against the Prowlers in the Memorial Stadium at Grand Forks.

In spite of the drizzle conditions prevailing at Bemidji on Friday, record breaking performances were turned in in the events. Pete Simonson of Grand Forks ran the 220-yard low hurdles in 25 seconds; Ronald Thompson, Grand Forks freshman, ran the 100-yard dash in 10.9; Grand Forks relay team ran the 880-yard relay in 1:36; Don Edam of Park Rapids leaped 5 feet 9⅝ inches to set a new high jump mark; and Charles Williams, also of Park Rapids, set a broad jump record with a leap of 19 feet, 10⅝ inches.

In the Class B competition, limited to schools with an enrollment of 250 or less, Mahnomen won first place with 48½ points, with Erskine in second place with 36½ points, and Warroad in third place with 25½ points.

The Class A team totals:

JUNIOR GRADS WIN JR. LEGION GAME

Score 19 to 10 Victory over Prospective Team

The Junior Grads, members of last year's Junior Legion baseball team, defeated this season's prospective team, 19 to 10, in a practice game on the East Side diamond Thursday evening. Owen Koranso, with a double and a triple, paced the Grads to their win, driving in five runs with two double blows.

Don Perkins, with a triple and a single, Don Engelstad, and Wayne Gothe, were the most impressive players on Coach Welton's young squad. Abe Hanson, Gothe, and Perkins divided the pitching duties for the Juniors, while Al Thompson and Bud Brossolt did the hurling for the Grads.

North Valley Track Meet

The six-team North Valley Conference—Grand Forks, Grafton, Devils Lake, East Grand Forks, Crookston, and Thief River Falls—will hold its first annual track and field meet on Saturday at Grand Forks; and on the early season record it shapes up as a duel between the runners of Grand Forks Central and the all-round team balance of the Prowlers.

Grand Forks, runners-up to Park Rapids at the Beaver Relays at Bemidji last Friday, is exceptionally strong in the running events, being paced by their spectacular freshman sprinter, the muscular Ronald Thompson, and their low hurdler, Pete Simonson. Thompson set a new Beaver Relay mark for the 100-yard dash, and Simonson set the record for the low hurdles. In addition, the Grand Forks squad has a record-breaking 880-yard relay team in Thompson, McDermott, Berger, and Ferry. While the Prowlers haven't any boys to match those Grand Forks performers individually, the locals do have better team balance and are somewhat stronger in the field events.

Procedure Discussed

There has been some discussion as to the procedure of Saturday's track meet, and as to the set of rules that are to be in effect. The Minnesota state high school league makes certain limits as to the number of running events that any one boy may enter, but the North Dakota rules are more lenient in this matter, with the performers allowed to enter any number of running events. This matter, though, is expected to be clarified before the meet on Saturday.

Coach Quentin Jones expressed himself as being satisfied with the 18½ points, and the fourth place, that the Prowler squad collected on Friday at Bemidji. And as far as Joneay was concerned, the victory of Park Rapids was a personal satisfaction, for quite a few of the Park Rapids boys—Don Edam, Charles Williams, and Robert Wien—received their early track training from Jones.

A Loss for Waskish

The sudden death of Waskish's Homer Hilman, from a heart attack early Friday morning, came as a shock to his many friends in this vicinity. All the wall-eyed pike and northern pike fishermen who have fished the waskish part of Red Lake were acquainted with the rough and ready Homer. He was a character, and it was largely through his efforts that the Tamarack river and Red Lake became the red-hot fishing spot that it is.

Jesse DuChamp Wins

Jesse DuChamp who has been known as "Wally DuChamp's younger brother, rolled into his right on Sunday when, in the Crookston Times singles tournament, he bowled games of 217, 211, and 167, for a 596 total and first place. Jesse is rapidly taking over the bowling supremacy of the DuChamp family, for in addition to the first place at Crookston, Jesse placed in the Minneapolis Tribune Classic, and had a high score at Ada. Wally had better get another brand of pills, or use a bigger bowling ball, if he is to give the bowling orders in the family.

New Coach for the Pirates

Announcement was made this week of the appointment of Warren Johnson, former all-round athlete at Hamline and coach at Long Prairie, to the position of athletic coach at Crookston. Well, that's a break for Crookston, and it's a break for Johnson, too. Crookston, the past two years, has had Ray Flom, the high school principal, as their coach and while Ray is a capable athletic instructor, the fact that he held two jobs made it difficult for him to devote the necessary time to athletes. And Johnson is getting a fine basketball team, for the team that Flom directed to the district championship last year, and to a runner-up spot in the regional tournament, will be returning for another year of play.

SEVEN CHILDREN TRAFFIC VICTIMS IN STATE IN APRIL

April Deaths Total 36: Ten More Than in the Same Month of 1045

Warm weather, which brought children into the streets and cars out on the roads, was a factor in an April toll of 36 lives in motor vehicle traffic accidents in Minnesota included one bicyclist, 10 pedestrians and 10 motor vehicle occupants.

April traffic fatalities were ten more than in April last year but two less than in March this year. They brought the year's total to 126, compared to 100 in the same months in 1945, 108 in 1944, 66 in 1943, and 102 in 1942.

Seven of the victims were children under ten. One girl, riding on the handlebars of a bicycle, fell against a moving truck. One small boy was run over by a driver blinded by the sun. In other cases small children wandered into the roadway or darted into the street in front of cars while playing.

One man, standing on the running board of a moving car, fell when the door was opened, struck the pavement and was killed.

Ten of the pedestrian victims were adults, from 50 to 80 years old. Two of them were run over by vehicles they had helped to start. Others were crossing streets or walking in the roadway, and in four cases drivers did not stop. Majority of the fatal pedestrian accidents occurred during hours of darkness.

Vehicles on the wrong side of the road led to six head-on collisions, resulting in seven deaths. One car ran into a stalled truck although the later was protected by flares. One man was killed when a third car ran into two cars involved in a minor collision. One man was killed when a car, "borrowed without permission," sideswiped another car.

PLANS READY FOR VALLEY 4-H WEEK

Event Will be Held at Crookston June 3 to 8

"Food for Famine" will be the general theme presented to more than one thousand 4-H club members of Red River Valley counties at their annual 4-H club week at the Northwest School, Crookston, June 3-8. Superintendent T. M. McCall announces that former district leader of 4-H club work, H. A. Pflughoeft of St Paul, will be camp leader with Mrs. Evelyn Dose an the Misses Kathleen Flom of St. Paul and Retta Bede of the Northwest school in charge of the girls' work. Food production projects will be stressed at each of the two 5-day camps.

In addition to the recreation program, music will be an added feature of the 1946 camp. J. Clark Rhodes of St. Paul has been secured to lead the chorus work at the camps. He will also give special instruction to the 4-H club and county quartettes to prepare them for the 4-H club chorus which will appear at the Minnesota state fair.

The 4-H club camp for the southern Red River Valley counties will be held June 3-5, and the counties included are: West Ottertail, Clay, Becker, Mahnomen, Norman, West Polk and East Polk. Club members from the northern Red River Valley counties will meet June 6-8, and these counties include: Kittson, Roseau, Pennington, Red Lake, Marshall, Clearwater, and Lake of the Woods.

VIKING

A large number of young folks from the Zion Lutheran church attended the district convention of the young peoples Luther League at Bemidji over the week end.

Several from here attended the youth rally at Karlstad Friday.

Viking American Legion Auxiliary served a seven o'clock banquet at the cafe. Present were Mrs. M. W. "BOTANY 500"
BRAND
TAILORED BY DAROFF
$45
The Fabric is the Soul of the Suit

We Claim Supremacy... Here Are The Facts!!

Every "Botany Brand 500" suit is made of the unbeatable pure 2-ply worsted master product of the great Botany Worsted Mills, America's leading weaver for more than half a century... Every "Botany Brand 500" is tailored by the famous House of Daroff, known and respected throughout the clothing business for their reverent care and exquisite needlework.

This splendid combination of skills remains constant, season after season, in every "Botany Brand 500" suit. There is no other comparable operation in the entire industry...no other suit can boast and enjoy this combination of great clothing names...of doubly remarkable value.

Men, this is the suit you'll take to heart because it delivers every quality you'd expect in a suit that costs lots more. This is the suit whose superb fabric is the soul of the apparel, with tailoring that is its heart and body. No wonder we claim supremacy... and you will, too, when you examine the FACTS.

FOOD PACKAGES
...FOR... HUNGRY EUROPE

NON-PROFIT ORGANIZATION SET UP FOR DIRECT DELIVERY OF STANDARD FOOD PACKAGES TO EUROPE'S HUNGRY PEOPLE

Recently, a non-profit organization designed to help feed Europe's hungry people was set up with the support and approval of the President's War Relief Control Board. Through this organization individuals and groups in this country may buy food packages for delivery to relatives, friends, and organizations in certain European countries. This organization, the Cooperative for American Remittances to Europe, otherwise known as C.A.R.E., was formed by the Cooperative League of the USA; leading Catholic, Protestant and Jewish organizations; the AFL and CIO; and the principal agencies organized for relief in specific European countries. Donald Nelson, former Chairman of the War Production Board, is Honorary President.

CARE at present operates in Norway, Poland, Finland, Czechoslovakia, France, Italy and the Netherlands and for $15.00 will arrange for delivery of a standard food package to any person, group or organization in any of the above countries. Although designed primarily to make delivery to designated individuals etc., CARE also accepts remittances for general charitable contributions.

The food packages, which were originally intended for American combat troops, contain enough food for 30 meals on the basis of the high food values provided for soldiers in time of war. Each package contains 30 pounds of food, net weight, including meat, cereal and biscuits, fruit jam, vegetables, sugar etc. and other commodities such as gum, soap, matches etc.

CARE's purpose is to provide supplemental relief to needy persons and groups in war-devastated European areas where its operations are authorized. As soon as arrangements are made for CARE to operate in other countries announcement of this will be made. The program will be in effect as long as the people in Europe need food.

With famine impending in large areas in Europe, direct and immediate help must be given in the next few weeks. If you want to help, a $15.00 check or money order sent to CARE will speed one of these food packages direct to some needy European family. Food Remittance Application blanks and additional information can be obtained from either of the local banks or the cooperatives listed below.

For those wishing to make smaller donations properly labeled milk bottles will be placed in the above mentioned establishments and other places in town.

John Deere Sights Were Set High

In Designing *New Farm Equipment*

ALL during the war, the experimental departments in John Deere factories continued, without interruption, their development of new and improved machines.

Sights were set high . . . designers aimed at new and practical ways of making farm life easier, more and profitable. *And shortly, the farmers of America will see a parade of great equipment that will prove their aim was true* . . . equipment matched to the 109-year-old John Deere tradition of quality manufacture—more value for the dollar invested.

Revolutionary is the new hydraulic power-control on John Deere tractors. A touch of the hand actuates a rock-shaft for integral equipment or a cylinder on drawn and power-driven machines—lifting, lowering, and maintaining them in any desired working position. It truly introduces the lever-less age in implement design.

Outstanding are new one-man Qwik-Tatch devices for cultivators, bedders, plows, and other integral equipment . . . time-savers that mean more hours in the field, less knuckle-scraping in the change-overs—one man does the trick.

There will be a new tractor for the small farm with outstanding new features that put it far ahead of the field.

An important new machine is the John Deere Automatic Hay Baler, destined to cut baling costs to rock bottom. One man, instead of three or four, does the job. It's the only baler of its type that feeds the windrow directly into the baling chamber and ties with wire.

New and improved harvesting machines include a new self-propelled 12-foot combine and many new features on the famous John Deere No. 12-A. Lighter-weight, lesser-working corn pickers will shorten and lighten the corn harvesting job. A new, really portable elevator not only handles corn, but baled hay as well. A simple new grain mover that will replace old-style small grain elevators.

Bert growers are enthusiastic about the new John Deere harvesters and loaders already in the field in small quantity. Potato growers will welcome the new double level-bed digger—a new, more practical two-row machine. The new cotton harvester is a major contribution toward cost-reduction in the growing of cotton.

New integral one- and two-bottom plows . . . a new two-bottom truss-frame plow . . . a new disk plow . . . a new land-leveller . . . a six-inch hammermill for small power . . . a low-cost, front-end manure loader . . . a plow-sole fertilizing attachment . . . new low-down, rubber-tired grain drills . . . an integral field cultivator—these and many other new and improved John Deere machines will be on their way to American farms.

Manpower and materials will be the only limiting factors in production during the coming months, so keep in touch with your John Deere dealer—be ready for the new day in farming with new equipment from the John Deere Full Line.

AS AMERICAN as a Week-End Fishing Trip

Come a week end—and into the car go the rods and reels, the ancient fishing hats and the cherished flies. We're heading where a quiet lake suns itself beside the trees—where a stream sings its way over shining rocks. America is going fishing.

Along with the gear, you'll quite often find the fisherman's favorite beer. Good living, out of doors, is bound to favor this most refreshing and moderate of drinks—healthy, hearty American beer.

To every American—banker, truck driver, farmer, mechanic, office worker—a glass of beer writes a pleasant period to any hard day's work. The right to enjoy this sociable drink of moderation and good sense is part of our American heritage. It fits right into the greatest pattern of living in the world—America.

Beer belongs... enjoy it

WHAT GOES DOWN SOMETIMES COMES UP

Digging in a garden near Virginia, C. E. Johnson unearthed a bronze metal dated August 18-27, 1862, which had been presented by the State of Minnesota to a defender of Fort Ridgely. About the size of a silver dollar, it bears an engraving of the old sort on one side, citation on the other, with space for the name of the recipient which unfortunately had not been inscribed. At Staples a ring lost while shocking corn in 1924 was found while the spring work was in progress this April and returned to Amos DeWald.

ONLY 2 PLACES UNFILLED ON TEACHER STA

Eleven Posts Filled up to Monday Supt. Fjelsted Reports

With the filling to date of eleven vacancies resulting from resignations by local teachers, only two places on the public school faculty for the coming school year remain to be filled this week, Supt. Phillip L. Fjelsted informed the board of education at its May session Monday evening, stating that six new teachers have been engaged for Lincoln high school and five for the grades.

The board also accepted the bid of the Art Greenberg Sheet Metal Works of Grand Forks in the amount of $1,725, for replacing the roof on the old Lincoln high school building. Only the one bid was received.

Under a new plan, Mr. Fjelsted stated, the annual honors assembly will be held in the school auditorium Tuesday, May 21, at 3 p. m., at which time awards will be presented to students who have achieved distinction in athletics, forensics, music and scholarship.

New teachers engaged include Robert Eastin, graduate of Winona state teachers college, who will teach industrial arts; Miss Betty Kircher of Minneapolis, graduate of St. Olaf college, girls' physical education and health; Miss Marian Brifvldt of Milaca, graduate of Bemidji state teachers college, girls' physical education and health.

Harold W. Paulsen of Virginia, Minnesota, graduate of the University of Minnesota, boys' physical education and health and hockey coach. Before entering the armed services he served as hockey coach at Roseau, and is a former member and captain of the University of Minnesota hockey team.

Miss Lois M. Lilleskov, McVille, N. D., graduate of Mayville state teachers college, first grade teacher; Miss Norma F. Anderson, Ayr, N. D., graduate of Moorhead teachers college, Knox fifth grade; Miss Helen Rasmussen, Grygla, graduate of Bemidji teachers college, Knox first grade.

$120,000 More in New Buildings Get Council Approval

In spite of the acute shortage of nearly every kind of building material, Thief River Falls is experiencing a boom in new construction, it was revealed at the regular May session of the city council Tuesday evening, when permits were approved in the aggregate amount of $120,000, covering several business projects and 14 new dwellings in addition to a large amount of residence remodeling.

Permits granted this week are in addition to $140, 000 in construction work including 23 new dwelling units, approved at the April meeting of the council.

Major permit issued Tuesday covers an extensive remodeling program for three buildings on LaBree av. at Third at to be occupied by the variety store of which Emmett Wright is proprietor, which will operate in the future under the name of the Falls Variety company. At an estimated cost of $22,500 the Caldis, Dudley and Klewel buildings will be remodeled on the main floor to form one spacious new store. The buildings are held under lease by Butler Brothers of Minneapolis.

Another substantial improvement on LaBree av., estimated to cost $6,000, will provide a second floor for the building occupied by the Topper Piano and Furniture company, thus giving the store added space badly needed for expansion of its business.

Subject to approval of the city building inspector, Paul Furuseth was granted a permit to erect a residence-type grocery store on Kneale av. south of Third st. at an estimated cost of $4,000. His application was supported by a petition signed by approximately three-fourths of the property owners in the affected area.

Permits to erect new homes in various sections of the city were issued to Albert Aase, George E. Peterson, John W. Swanson, Bernard Langevin, George Peterson, Clinton W. Hines, Ole Munsen, Fredrick Larson, Merritt and Irving Johnson (two houses) John H. Leiran, Ray Ranum, Howard Hoel and Floyd Olson.

In charge of the school will be Oscar Lewis of Bagley, Ninth district rehabilitation director, who will be assisted by Jim Kelly, state department service officer; Harry Setzler of the Veterans Administration and Lewis Welter of the Fargo veterans hospital.

Mr. Franklin stated that Setzler and Welter will be in the club room from noon until 5 o'clock Thursday to give advice and assistance to war veterans.

MANY MATTERS TAKE COUNCIL'S TIME TUESDAY

Reach Decision to Go Ahead with Tindolph Park Bath House Job

At another lengthy session Tuesday evening that continued until long after midnight, the city council disposed of a large grist of accumulated business, including approval of approximately $120,000 in building permits, giving the first reading to a revamped zoning ordinance, accepting a proposal for the construction by day labor of the long-deferred Tindolph park bathhouse, and the purchase of a new car for the use of the police department.

Roy M. Barsen, president, and Harry Simons, secretary of the park board, submitted cost estimates they had assembled from local contractors in connection with the Tindolph park project, it being indicated that the total cost of the completed project would be slightly in excess of $9,800. The council voted to accept the proposal of Prichard Brothers company to carry out the construction.

H. O. Berve appeared in behalf of a group of property owners on Dewey av., many of whom were present at the meeting, to register objections to the inclusion of that area in the commercial zone under the proposed zoning ordinance slated to be given its final reading Tuesday evening. He pointed out that the street is now occupied by residences.

Also suspended was the order requiring a fifty percent reduction in passenger train service scheduled to take effect Wednesday, May 15.

This means, said Philip Bryant, superintendent of the Winnipeg division of the Soo Line, that trains 109 and 110 on the Minneapolis-Winnipeg run will continue on a seven-day schedule each week instead of the Saturday runs being canceled as announced last week.

Trains 64 and 65 on the Thief River Falls-Duluth run, Mr. Bryant stated, will continue to operate on the tri-weekly basis which became effective May 10.

PRICE CEILINGS ON GRAIN, FEEDS RAISED MAY 9TH

Higher Prices Fixed by the OPA and Other Government Agencies

Government price policy covering the marketing of grain now in the hands of producers and grain to be harvested in 1946 was announced jointly on May 9 by the office of Economic Stabilization, the Department of Agriculture and the Office of Price Administration in Washington.

The announced action provides for the following increases in grain price ceilings effective at 12:01 a. m., May 13, 1946.

Corn, 25c bu.; wheat, 15c.; oats, 5c bu.; barley, 9c bu.; rye, 10c bu.; grain sorghums, 10c cwt.

In order to adapt protein feed prices to normal relationships with the new grain prices, the following price increases were made:

Fish meal, $10 ton; fish scrap, $7.50 ton; tankage, $7.50 ton; meat scrap, $10 ton; corn germ meal, $14 ton; gluten feed and gluten meal, $14 ton; hominy feed, brewers dried grains, beet pulp and millfeeds, $10 ton; soybean meal, cottonseed meal, peanut and linseed meal, $14 ton; and minor meals $10 ton.

Government officials said the purposes of the announcement at this time are:

1. To remove uncertainty concerning grain price ceiling between now and June 30, 1947.

2. To encourage movement of grain for shipment abroad, for human consumption in this country and for essential livestock feeding purposes in deficit grain producing areas.

3. To bring about the proper balance between livestock numbers and grain supplies available for feed.

Payment of the 30c bonus on wheat delivered to the government through May 25 will be made as originally announced.

Local Airport News

Activities at the local airport have been going full throttle since the start of good flying weather. The people of Thief River Falls have proved they are airminded. A few Sundays ago an estimated crowd of 250 persons visited the airport, some just sight-seeing, some for plane rides, and others for flight training.

The restaurant, operated by Mrs. Christ Klerk, has been a boon to those who spend the day. The largest part of the success of the airport is due to the efforts of its full time instructor, Gordon Camp. Student fliers who have soloed recently include Jay Rambeck, Dale Larson, Fred Voth, Holt; Carl Johnson, Greenbush; and Herb Jung.

Removes Grease

Run about one inch of cool water into burnt or greasy pans. Add one teaspoon washing soda, put a cover on the pan and let it heat to the boiling point. This method will remove the grease.

COUNCIL DISPOSES OF MANY MATTERS AT SESSION ON TUESDAY

the objections of the affected residents.

Several objectors to night diamondball games on the east side playground were present to ask the council to order the removal of the flood lights at the end of the current playing season if they are found to be objectionable, and to ask that the lights be turned off at 10:30 p. m. The council indicated that the latter request would be approved.

The bid of the Tunberg Motor company, one of three received, to supply the police department with a 1946 model Ford coach with special equipment was accepted, the company's bid being in the amount of $1,143.04.

Following submission by A. O. Stokke, city engineer, of a report fixing at $19,944.74 the estimated cost of constructing runways on the local airport, the council voted to make application to the state commissioner of aeronautics for a grant to aid in financing the project.

Several petitions calling for the installation of storm and sanitary sewers and water mains in various parts of the city were read, following which they were referred to the water and light committee and Supt. Ole Legvold for investigation.

Also read were petitions calling for the oiling of several streets on east side of the river. They were referred to the street committee and the street department for a survey and report on a city-wide project.

The council approved for payment Estimate No. 4 submitted by the Minneapolis Bridge Construction company in connection with the construction of the new power dam in the amount of $20,052. 46.

A request from the Red Lake Electric Cooperative that the Thief River Falls power plant supply the REA lines with 200 kilowatts of electricity was referred to Supt. Ole Legvold to study the situation and to suggest a price to be charged for the current if it is found to be available.

SCHOOL BOARD PROCEEDINGS

PROCEEDINGS OF THE SCHOOL BOARD OF INDEPENDENT SCHOOL DISTRICT NO. 18

Regular Meeting April 8, 1946.

The regular meeting of the school board of Independent School District No. 18, Pennington County, was held in the office of the Lincoln High school on April 8, 1946, and was called to order at 8:00 by President Jacobson. Members present were: Gunderson, Heliquist, Mabey, Strand, Froiland, and Skarstad.

The minutes of the special meeting of March 4, 1946, and the regular meeting of March 11, 1946 were read and approved.

It was moved by Rollen and seconded by Strand that the following resignations be accepted: Bernard Broderick, Pricilla Lawrence, Hendrickson, Hedwig Hindy, Ruth Leavold, Ila Tunding, Ingeborg Sopeath, Ida Ayers, Marie Sandberg, Mildred Thompson, Arline Jelle, Irene Braaten and Violet Pudas. Motion carried.

It was moved by Heliquist and seconded by Froiland that the clerk advertise for bids at an early date for moving the old Lincoln school and repairing roof of boiler room at Northtown school. Motion carried.

It was moved by Rollen and seconded by Skarstad that the annual school election be held on Tuesday, May 21, 1946, for the purpose of electing two directors for a three year term; that the polling place be the main floor of the city auditorium for all four precincts; that the polls be open from 7:00 P. M. to 9:00 P. M.; that Mrs. Marjorie Kiland, A. F. Beyer, and Chas. W. Vonnahme be appointed election judges; that Gunnerth Lindquist, Laura Land, and Mrs. Margaret Olson be appointed alternate judges; and that the rate of pay for each judge be 50 cents per hour or fraction thereof. Motion carried.

It was moved by Heliquist and seconded by Skarstad that the following questions be submitted to the voters at the annual election: Shall Independent School District No. 18 buy Lot 16, Fairfield Addition at a cost of $623.00, being a plot of ground 132x330 adjoining the Northtown school grounds on the north and in the same block? Motion carried.

A resolution received from the Pennington County Temperance Movement was read and placed on file.

It was three o'clock in the morning when the council adjourned its regular meeting this week, ending a seven hour grind of city business. And lots of business was disposed of, including approval of another big batch of building permits. Building permits approved at the April and May meetings alone total more than quarter of a million dollars, most of this total providing for the construction of 87 new dwellings.

How big is Thief River Falls? That question is asked quite often and the answer is not known. The official count in 1940 was 8,019. O large number of new dwellings have been added since then both by new construction and by extension of the city limits. Conservative guessers place the present total in the neighborhood of 7,000. A. J. Rau, telephone company manager, thinks it is considerably more than that, basing his estimate on the increased number of phones in service. The local exchange serviced, 1,419 subscribers in 1936; 1,810 in 1940, and now has 2,300 connected. With the exception of 69 additions on rural lines, all of this gain is in the city and suburbs. Now what is your guess?

And while we are on the subject of new buildings, let's give a round of cheers for the completion of the new home for Woolworth's which goes into service this week. An ornament to the post office neighborhood. This substantial structure brightens what has been a dark corner, and for that reason it is an especially welcome improvement. Then too, it is a cheering vote of confidence in our community by a great national organization. We natives, of course, know the town is good. It's nice to know that others think so too.

Record low temperatures during the past week have caused some damage but apparently not enough to make our farmers wish they hadn't gotten such an early start this year. Judging from the comments we have heard, growers hereabouts will be glad to take a little winter in May in exchange for a little summer in April. If we could just get some rains built then we are sure everybody would be happy.

As a nation we progably are doing all that can be done to provide food for the famine stricken countries of the world, and that we are in favor of. Relief extended by the government however is an impersonal thing. Even though we know we will pay our share of the cost, giving in this way doesn't make us feel that we have given personally. That's why we like the idea behind CARE, the alphabet name for Cooperative for American Remittances to Europe, an organization formed for the purpose of handling individual contributions to this deserving cause. If you too have a guilty feeling every time you sit down to a big meal and want to do something personally about sharing your abundance with people who actually are starving, CARE can help you. Your cooperative or either of the banks will tell you how.

In Memoriam

In loving memory of our dear husband and father, John Hoffman, who passed away May 20, 1946.
Gone, dear father, gone forever,
How we miss your smiling face,
But you have left us to remember
None on earth can take your place
O happy home we once enjoyed,
How sweet the memory still;
But death has left an loneliness,
The world can never fill.
Sadly missed by his wife, Mrs. Mary Hoffman, and his children. 20p

In Memoriam

In memory of or dear husband and father, Iver Mikkelson, who passed away two sad years ago, May 18, 1944.
Peaceful be thy silent slumber,
Peaceful in thy grave so low;
Though we mourn in sorrow know,
Yet again we hope to meet thee,
When the day of life is fled,
And in heaven with joy to greet thee,
Where no farewell tears are shed.
—Mikkelson family. 20p

From where I sit ... by Joe Marsh
The Truth About That Explosion
For weeks Homer Bentley has tried to uproot that big stump in his backfield . . . with team and tractor. Finally he succeeds—breaks a score of wooden rounds about, and frightens the neighbors half to death!
"All I used," apologizes Homer, "was a couple of small sticks of dynamite, like you should."
That was no two small sticks of dynamite," Judge Cunningham says severely—and it finally comes out that Homer got so cussed mad at that everlasting stump, he'd planted a charge of TNT beneath its roots.
Reminds you of all the excuses human beings use to cover up bad judgment. Like the "two-hour alibi." When somebody gets into trouble, and blames it on "a couple of beers," you can be mighty sure they are covering up the truth.
From where I sit, a moderate beverage like beer is a better way of keeping out of trouble than getting into it.

BRAY AND SMILEY 4-H PLAYS WIN IN ST. HILAIRE EVENT

Five Casts Will Perform in County Contest in This City Friday Night

Bray and Smiley 4-H clubs were selected at the contest at St. Hilaire last Wednesday night to enter the final contest at Thief River Falls Friday May 17 at 8:00 p. m., it was announced by Effie O. Hanson, assistant county 4-H club agent.

Bray club presented "Wildcat Willie's Lucky Number." The members of the cast included David Sorvig as Wildcat Willie; Evangeline Hallatrom, Muriel Peterson, Burton Scholin, Virginia Schatz, Allan Swanson and Elaine Anderson.

"Wildcat Willie Gets Girl Trouble" was presented by the Smiley club. The members of the cast were Duane Hanson as Wildcat Willie; Dolores Reese, Jean Nelson, Alan Cabot, Hugh Cabot, Dolores Belswengur, Donald Knutson, Jeanette Bolstad and Bruce McCrum.

North Star 4-H club presented the play "His First Shave" and "Sister Sue" was the play given by the Numedal club.

Miss Ethel Bennet and Miss Jean Curry were the judges for the contest.

Deer Park and Reiner clubs were selected from the Goodridge contest held Thursday, May 9, to give their plays at the final contest.

Deer Park club presented the play "A Quiet Evening at Home". The members of the cast were Lois Bendickson, Lila Bendickson, Gloria Lundeen, Harvey Haugen, Erling Lundeen, Merle Lundeen and Lyle Mandt.

"Nobody Home" was presented by the Reiner club. The members of the cast were Lowell Vraa, Edith Stenvik, Colleen McEnelly, Ernest Race, Margie Vraa, Selmer Holen and Betty Stenvik.

Kratka 4-H club presented "Father Takes His Vacation". "Squaring It with the Boss" was the play given by the Silverton 4-H Club. Mrs. Paul Furuseth and Miss Marie Sundberg judged the contest.

Prowler Golf Squad in Tourney at Grand Forks

The Prowler golf squad— Keith Jorde, Billy Lane, John Stenavig and Paul Sponheim, engaged in their first competition on Saturday when they participated in the North Valley conference meet held on the Lincoln Park course in Grand Forks. As expected, the classy Grand Forks team, with such top-flight golfers as Don Fladeland and Paul Bridston in the lineup, ran away with the team honors having a four-man aggregate of 365.

Don Fladeland who has played in the shortstop tournament here a couple of times, led the golfers with a fine 80, and a stroke behind came Paul Bridston, another youngster who has played here. Keith Jorde, a freshman, led Coach Vic Jung's Prowler squad, having an 88, which was good for third place in the individual scoring.

A scant 100 years ago a mathematician "proved" that no steamship ever could carry enough coal for a trans-Atlantic voyage.

G. FORKS WINNER OF NORTH VALLEY CONFERENCE MEET

Thief River Falls Was Runnerup in 1st Annual Event Held Saturday

With Ronald Thompson and Pete Simonson winning "doubles" and with their spectacular relay team winning both the relay events, the Grand Forks Central track squad rolled up a total of 69½ points to win the first annual North Valley Conference track and field meet held in the Memorial Stadium at Grand Forks Saturday.

Thief River Falls, with 32½ points, was the runner-up, while East Grand Forks scored 21 points for third place. Other team totals were Crookston, 13; Devils Lake, 4; Grafton, 2.

As it was the first track and field meet conducted by the newly-formed athletic conference, the meet marks established conference records. Thompson, in winning the two sprint events, set marks of 10.1 in the 100-yard dash and 23.8 in the 220 yard dash. Simonson, the Maroons' hurdle star, topped the 120-yard high hurdles in 16 seconds with the Prowlers' Cliff Aas in second place. And in the 220-yard low hurdles, Simonson ran the event in 24 seconds.

The Prowlers first place winners were Dick Davidson, who ran a fine 440-yard race to win in the time of 57.1. The other Prowler first place was credited to Cliff Aas who won the high event with a leap of 5 feet, 11½ inches. In addition to his first place in the high jump, Aas scored a second in the high hurdles and a fourth in the low hurdles. Lee Vigness added Prowler points with a third place in the 100-yard dash, a second place in the 220-yard dash, a third place in the discus throw, and a fourth place in the shot put. John Hanson scored a second place in the pole vault. Jim Kleinvachtor ran into a second place in the 880-yard run.

This week the Prowlers will defend their district track and field championship in the district meet being held at Grand Forks. And on the records, the Prowlers should succeed in out-pointing the East Grand Forks Green Wave, who appear to be the strongest competitors, and the Crookston Pirates.

The summary:

100-yard dash: won by Thompson, Grand Forks; 2nd, McDermott, Grand Forks; 3rd, Vigness, T. R. F.; 4th, Perry, Grand Forks. Time—10.1

220-yard dash: won by Thompson, Grand Forks; 2nd, Vigness, T. R. F.; 3rd, Berger, Grand Forks; 4th, Perry, Grand Forks. Time—23.8

440-yard run: won by Dick Davidson, T. R. F.; 2nd, Maloney, T. R. F.; 3rd, Lofgren, Grand Forks; 4th, Aiseng, Grand Forks. Time 57.1

880-yard run: won by Halliday, Grand Forks; 2nd, Kleinvachter, T. R. F.; 3rd, Torrance, Grafton; 4th, Engelstad, T. R. F. Time—2:21.

120-yard high hurdles: won by Simonson, Grand Forks; 2nd, Aas, T. R. F.; 3rd, Tanwen, Devils Lake; 4th, Kaufman, Devils Lake. Time—16.

220-yard low hurdles: won by Simonson, Grand Forks; 2nd, McDermont, Grand Forks; 3rd, DuChamp, T. R. F.; 4th, Aas, T. R. F. Time —24.

Discus throw: won by Christianson, T. R. F.; 2nd, Pelleon, Grand Forks; 3rd, Goodrich, T. R. F.; 4th, Vigness, T. R. F. Distance—115 feet 4 inches.

Shot put: won by Christianson, T. R. F.; 2nd, Goodrich, T. R. F.; 3rd, Vigness, T. R. F.; 4th, Halliday, Grand Forks. Distance—40 feet, 93 inches.

Pole vault: won by Wheelhouse, Crookston; tied for 4th, Hightshaw and Sjovaun, T. R. F.; and Wesberg and Bjerke, Grand Forks. Height—9 feet, 9 inches.

High jump: won by Aas, T. R. F.; tied for 2nd Highlen, Davidson and Williamson of T. R. F.; Bjerke, Hutter, and Wesberg of Grand Forks; Hafterson of Crookston, and Thorsen of Devils Lake. Height—5 feet, 11½ inches.

Broad jump: won by Berger, Grand Forks; 2nd, Simonson, Grand Forks; 3rd, Tourmount, Crookston; 4th, McDermott, Grand Forks. Distance—19 feet, 6½ inches.

Mile run: won by Morgen, Grand Forks; 2nd, Purvis, Grand Forks; 3rd, Lavely, Crookston; 4th, Rand, T. R. F. Time—5:22.8

440-yard relay: won by Grand Forks (Thompson, McDermott, Berger, Perry); 2nd, Crookston. Time—57.7

400 Former GI's in Area Now Operating Farms

According to a report by Edward Stonich, manager of the USES office in Thief River Falls, there are 400 former G. I's in the five northwest counties of the state who are operating farms. Some have bought farms of their own. Others are renting or going into partnerships in tilling the soil.

Gov. Thye Will Address Lutheran Brotherhood in Roseau Next Sunday

Governor Edward J. Thye will be guest speaker at a public meeting sponsored by the English Lutheran Brotherhood of Roseau at Fairview Park, Roseau, on Sunday afternoon, May 19th at 3:30 p. m.

Besides the main address by the governor there will be musical numbers, and devotion by Rev. T. C. Hanson, pastor of the English Lutheran church. In case of unfavorable weather, the meeting will be held in the Municipal Auditorium.

Following the address, Governor Thye will tour the various points of interest which Roseau has to offer. At 6:30 a dinner will be given in his honor. Governor Thye will remain in Roseau until Monday.

More Placements Made by State Employment Offices During April

An upward trend in job placements, particularly of veterans, and a decline in new applications for work marked the operations of the United States employment service during the past month, according to Dreng Bjornaraa, state director.

Placement of workers on jobs rose from 9,496 in the previous month to 10,8888 in April, an increase of 1,192 or 12 per cent. War veteran placement totals were 5,214, an increase of 799 or 18 per cent.

During the same period, new applications for work in the state dropped from 21,691 to 15,725, a reduction of 5,966 or 27 per cent.

Bank Debits in City in April 48 Pct. over 1945

Business volume throughout Thief River Falls during the month of April 1946, was 48 per cent above that recorded for the same 1945 month, while the cumulative (Jan.-Apr.) total indicates a 41 per cent increase over the same period last year.

These bank debit figures were released by the Federal Reserve Bank of Minneapolis, and represent the dollar volume of checks drawn by depositors against their bank accounts to pay for goods, services debts, etc.

In Minnesota the debit total for April of this year was 18 percent over April 1945, while the total for the first four months of this year was 17 percent over the similar 1945 period.

Prowlers to Repeat

An upset in track athletics is the exception rather than the rule, for track is pretty much of a form sport, and unless East Grand Forks' Green Wave or the Crookston Pirates prove to be exceptional, C. Hanson, pastor of the English Lutheran church. In case of unfavorable weather, the meeting will be held in the Municipal Auditorium.

Except for East Grand Forks' Harvey Christianson, who is picked to win the shot put and the discus, and Crookston's Don Wheelhouse and Chuck Reitmeir, who are possible pole vault winners, and Milo Hafterson, who has a chance in the high jump, the Prowlers have too much all-round ability for the rest of the district.

Les Vigness, who is just getting over a toe injury should cop the sprint events, and Viggy will add some Prowler points in the shot put and discus. If Dick Davidson runs another race like he did last Saturday he should take the 440-yard run. Cliff Aas is favored to win the high hurdles but he'll have a tussle to out-run East Grand's DuCharme in the low hurdles.

John Hanson, after taking the measure of Wheelhouse and Reitmeier in the pole vault event at Hemidji, with a jump of 10 feet, 3 inches, "coasted" in the Valley tile for a second place, with Wheelhouse the winner. It'll be different this week.

Of course if it remains this cold and the boys have to run races and jump the jumps in their heavy flannels, it'll be a wide-open district meet. But Coach Jones expects to have sunshine and warm weather by tournament time.

In the Wrong League

The boys got quite a laugh out of Jim Roche the other night. Jim is proprietor of the Rex Cafe, was in attendance at a meeting of the newly-formed Toastmasters' club, of which he is a member, and when asked, by topic master Orville Eide to give a two-minute impromptu talk on the American League baseball race, Jim began to recite the accomplishments of the Minneapolis Millers, the St. Paul Saints and the Indianapolis Indians, and then he strayed off to discourse on the New York Giants. The humor of the whole thing is that none of these clubs are American league teams. The first three are in the Association, and the Giants belong in the National league.

Oh yes, if you ask Harold Elde, he'll tell you there is only one team in the American League, and that's the Boston Red Sox.

Archery Club is Active

The parking of all those cars along Knight avenue between the G. N. tracks and First street on on Tuesday nights means that the local archery club is in session in the old high school gymnasium. According to rumor there are several potential William Tells in the group. And it is reported that Tom Peck one of the organizers of the club, is able to drive an arrow through a pre-war Sears-Roebuck catalog. I'll have to see that, because it sounds like "ong bow" stuff.

Bowling Party on Wednesday

The City Bowling Association will hold its annual dinner and trophy awarding party at the club house of the local golf club on Wednesday evening. Ed Carlson and Oscar Cermy are the chefs in charge of preparing the meal (they are going to serve ham, but where they got it is a secret).

And, as has been the case the past few years, Wally DuChamp will be on hand to accept the majority of the individual trophies. If Wally had to give a speech everytime he received a bowling trophy, he would be adept a speaker as senator Claghorn.

Ice Fishing

For those of us who opened the wall-eyed pike fishing season on a lake and on Lake of the Woods in particular, it was a case of ice fishing from a boat, for that's how cold it was on Wednesday. Dr. F. F. Fletcher, Ben Kruse and Dad (I call them the Three Musketeers) and I were at Gust Orgren's new camp at Morris Point, and we had fair luck. Orgren purchased the old Morris Point resort this spring and he has done a great deal of renovating around the place. Another new resort opened up there this year too, with Cecil Bardo, formerly of Greenbush having a resort across the bay from the Cyrus Camp. Snort Langseth and Frank Clinton were at Bardo's camp.

Smiley Parents Hosts to 4-H Club at Special Meeting Friday Night

At a meeting of the Smiley 4-H club Friday evening at the Adam were made to observe 4-H Sunday jointly with the Kratka club at the Telemarken church May 26.

It also was arranged to hold the club tour Sunday, June 9, starting at the Henry Bolstad home at 1 o'clock and ending at the Art Knutson home, where lunch will be served. Miss Elfie Hanson, county 4-H club agent, spoke briefly, giving details of the club camp to be held at Crookston.

Parents of club members gave a program including songs by the fathers and mothers, readings by Mrs. B. Belswenger and Mrs. Ed Helgeland and a speech contest by Mrs. R. Hanson and Bill McCrum.

Committees in charge of the evening's entertainment and refreshments included Bill McCrum, Art Knutson, Mrs. R. Hanson, Mrs. S. S. Nelson and Mrs. Adam Lendobeja.

Service station sales of petroleum products have risen rapidly since the end of wartime rationing and now almost equal the 1941 peak, in spite of the lessened number of cars in service.

MANUFACTURERS OF FEED EXPLAIN SUPPLY SHORTAGE

Big Livestock Numbers, Government Policies Are Held Responsible

The livestock and poultry population in the United States today is so great that there are not enough feedstuffs properly to take care of all the animals, according to a statement by the American Feed Manufacturers association.

Aggravating the situation is the fact that much of the grain and other ingredients which are available have inadvertently been driven to other uses into unnatural channels by government orders and policies. It all adds up to what is probably the worst feed shortage in the country's history.

Being unable to create more feed the farmer is forced to face the only other solution: a reduction in livestock and poultry population. Here the producer must guard against the danger of going too far and liquidating more animals than necessary.

The large livestock and poultry population is a result of the war, and now that the war is over a combination of factors has brought about today's serious situation. Perhaps the most important factor involved is corn, which is not getting on the market due to low ceiling prices, which make it more profitable to feed the grain than to sell it.

Next to corn, the wheat shortage is an important cause, together with a poor cotton crop that has cut domestic production of cotton-seed meal by about 325,000 tons.

Bemidji Pastor Injured in Auto Accident East of Fosston Last Week

Rev. George Rasmussen of Bemidji was hospitalized and three other members of the family miraculously escaped injury when the automobile in which they were riding turned over after a tire blew out along the highway east of Fosston Tuesday night of last week.

Rev. Rasmussen, his wife and two children one of them an infant, were on their way to Bemidji, where they now live, from Crookston when the left rear tire blew out. The machine apparently turned end over end when it hit the ditch and Rev. Rasmussen was pinned underneath. An ambulance was called and he was brought to the Fosston hospital where it was found that his injuries were not serious.

The Rasmussen family recently moved to Bemidji from Crookston.

Forty-seven per cent of the counties of the United States lack airport facilities.

Regulations Announced for War Veterans to Get Dental Treatments

World War II veterans with at least six months service may be entitled to have conditions corrected at V. A. expense provided their discharge is other than dishonorable and they establish service connection for the defective condition, Pall T. Gray, of the Thief River Falls VA contact office said today. He emphasized that authorization must be obtained from the Regional Office before any work is done.

Service connection may be established for those dental conditionswhich were determined to be sound at the time of entrance into serviceand which are shown by examination to need attention within one year after date of discharge. Teeth which were determined to have been unsound but restorable at time of entrance into service, and upon which work was done while the veterans was in service, may also be service connected if they are shown upon examination to be defective within one year after discharge.

To establish the service connections necessary for treatment, application should be made to the V.A. Contract Office or county or post service officer.

Ceiling Prices Fixed By OPA on Used Lumber

Because of the lumber shortage and the difficulty of obtaining purchase priorities, lumber from deserted houses and unused barns and other buildings has become an increasingly important factor in relieving the housing problem, according to James S. Lamb, district OPA director at Fargo. A seventy-state regional pricing order, setting dollar-and-cent prices in various areas, has been issued to facilitate utilization of such used lumber, the director said. Delivered sales in any area are at the prices in effect in the locality of the buyer.

BARE HANDS, BEAR MEAT BARE HNDS, BEAR MEAT

Virginia—Few people would have the courage to relieve the meat situation the way Oscar Hellman recently did. When the 68-year-old former put up his team he found a 145-pound bear approaching him with obviously evil intent. Without a weapon and with more confidence in his hands than his feet, Mr. Hellman took on Bardin and ended with a rug an some steak.

Land O'Lakes Completes Feed and Seed Plant at Minneapolis Terminal

Construction of a new $600,000 fee and seed plant by Land O' Lakes Creameries, Inc., has been completed at Northwest Terminal, Minneapolis, and the new plant already is turning out 100 tons of formula feed daily.

More equipment will continue to be added during the summer months, and by September 1 the plant is expected to be in full operation according to Chester A. Johnson, manager of the Land O'Lakes Feed, Seed and Fertilizer division.

The plant, one of the most modern and complete in the northwest, has an overall length of 320 feet and a width of 80 feet. It contains two operational units, one for feed and another for seeds. The seed unit will contain complete seed cleaning equipment as well as hybrid seed corn grading equipment.

Are You starting an Orphan's Home?

Si Sez—

That would be a commendable enterprise under some conditions but it is a headache—net—if you go into the business the way I mean.

You know—of course that there are 15 or 20 million families in the U. S. A. with a lot of hot money in their pockets—a lot of good U. S. bonds hidden away—a lot of currency stuffed into the old vase or into the mattress.

I say "hot" money and—by that I mean money that is anxious to get spent (in fact—over 150 billion dollars of it) for cars—furniture—refrigerators and other appliances—plants—new homes, etc.

"Well"—you say—"what has that got to do with orphans?"

Here's the answer to THAT one.

Out of 1155 makes of cars manufactured since start of industry, only 23 will be made after this war. It and the three top names sold 60% of all cars in last full year of operation before Pearl Harbor.

So 23 from 1155 left 1132 orphans. Maybe you once owned one of them.

Out of 75 manufacturers who started making electric refrigerators, only 35 were in business before the war and 8 brands did 80 PER CENT OF ALL the business!

Did you get one of those orphans?

742 out of 886 radio manufacturing companies folded up and went out of business between 1925 and 1940 leaving the "orphan" owners high and dry.

Were you lucky enough to have one of the few surviving makes?

56 washer manufacturers out of 116 gave up the ghost leaving 60 still operating but 80% of business done by 1-10 of the survivors. There are more orphans in the offing in this picture. Watch out you don't spend YOUR good money for one of them.

Oh? Electric vacuum cleaners? Sure—that's a fine picture; 51 survivors out of 496 originally in the business!

Is it hard for YOU to get repairs for YOUR orphan?

I could go on and on and on quoting orphan facts.

But what's the use. It's just good common sense for you to spend your perfectly good money for safe—sound known name—nationally advertised and amply financed makes of appliances.

You will find that the only "easy to get" merchandise today is merchandise that has little public acceptance—no particular consumer demand—few dealers—small financial backing and all of the ear marks of a potential orphan.

I don't care how much service a dealer promises—he cannot give that service unless he can get parts AND YOU CAN'T GET PARTS FOR ORPHAN APPLIANCES.

What to do?

Well—you've waited this long, havn't you? So why not wait a little longer till you can get exactly WHAT you want rather than a potential orphan substitute?

Remember that what you DO buy is going to be yours for a LONG time and is going to give you service and satisfaction through the years—UNLESS—it turns out to be a war baby and an orphan.

So—I say—don't start an orphan's home if you want to be happy—because real—first flight—smart things will be seen in spite of all the darned strikes and generul bad news we are going through today.

Thanks a lot!
Si Poppler

P. S.

Poppler's list of fine appliances contains no names that will ever be orphans. You can bet your last buck on that.—S. P.

The Higher the Grade The Higher YOUR Price

Grading Standards Fought For By Land O'Lakes

One of the first undertakings of Land O'Lakes Creameries was to secure more butter which would merit the Federal Government's highest scores.

The next move was inspection and grading of butter by government graders, at Land O'Lakes' own concentration points. This was the first step in a plan to market all the 93-score butter of Land O'Lakes member creameries under a trade name that would stand for top quality.

Soon, most top-scoring butter carried not only the now-familiar Land O'Lakes Indian girl label, but the federal inspection certificate. To a quality-minded public, this became a double guarantee of Land O' Lakes sweet cream flavor.

Pioneering like this has given Land O'Lakes the soundest foundation for a continuing and expanding market for dairy products, and it has brought dairy farmers increasing prosperity and security in the form of top prices. Why not investigate all the advantages of marketing through Land O'Lakes?

James Lannoye, U. S. Army, is spending a furlough with his parents, Mr. and Mrs. Wm. Lannoye.

Ole E. Hjelle returned on sunday morning from Willmar where he attended the funeral of his uncle, E. H. Haugo. Mr. Haugo, at the time of his death was 95 years old.

Mr. and Mrs. Helmer L. Hanson of Fargo spent the weekend at the P. E. Tvedt home.

George Gunderson, accompanied by his mother, Mrs. Bergit Gunderson and his sister Anna Gunderson left on Monday morning on an auto trip to Washington, Oregon, California and other points west. They plan to be gone about a month.

James Odden of Viking, a student at our high school, accidentally fell from the running board of a car driven by a fellow student, Ivan Melve, on Monday. At the time of the accident the boy appeared to be only slightly injured, but later he became unconscious and was taken to a Thief River Falls hospital. The extent of his injuries is not known at this time.

Mr. and Mrs. T. O. Reed and Tommy, Mr. and Mrs. Helmer Hanson and Mr. and Mrs. Peter Tvedt and Marlys were dinner guests at the John Nelson home Saturday evening.

Mr. and Mrs. Joe Weber Sr. of Oaklawn, Ill., arrived here on Sunday for a visit with relatives and friends.

Auxiliary Installation

The presentation of the charter and installation of officers for the auxiliary of the Otto Knutson Post 427 of the American Legion was held at Newfolden community school on Thursday evening, May 2, 1946.

Since the auxiliary has no flags of their own, the Legion Post color bearers advanced and retired their flags.

The meeting was called to order by our president, Mrs. Carl Olson, followed by the regular ritual, closing by singing "The Star Spangled Banner". At the close of the ritual president Olson introduced the department president, Mrs. M. W. Knoblauch of St. Paul, who presented the charter to Newfolden and Strandquist units.

District president, Mrs. J. Herbranson of Warren was next introduced, and installed the following unit officers: Mrs. Carl Olson, president; Mrs. E. H. Cook, first vice president; Mrs. R. L. Van Deusen, second vice president; Mrs. Axel Benson, secretary-treasurer; Mrs. A. M. Lokken, chaplain; Mrs. Louis Farstad historian and Mrs. O. S. Green sgt. at arms.

All present were very much entused by the speech delivered by the speaker for the occasion, Mrs. Knoblauch, who thanked the American Legion for allowing the auxiliary to serve in our community. She reminded all members that first, last and all the time in our community, our membership must be made up of good heartISM, meaning good, strong Americanism always trying to do good deeds for our re turned soldiers and sailors, not only the wounded and ailing ones but also those whom we daily contact, and to bring to them in some way, comfort, treats and cheer, thereby extending our services into peace time as a tender memorial to the man we serve through. Also she told of the many obligations of Auxiliary members.

Short talks were also given by Mrs. Herbranson and Mrs. Golden.

After a few remarks by our president the meeting was adjourned, lunch was served and an enjoyable social time was spent together with members of the Viking and Strandquist Auxiliary who were present for the installation.

The shipping association will ship stock again on Tuesday, May 21.

Ernest Hanson returned home a week ago last Saturday. He was discharged from the Navy on May 1.

The junior and senior classes of our high school and the entire faculty enjoyed their annual outing on Saturday when two of our largest school buses loaded to capacity, took them on a sightseeing trip to Winnipeg. In spite of the bitter cold weather everyone seemed to have an enjoyable time. The monotony of the trip was broken by a frozen radiator, a flat tire and a broken fan belt. As all of this trouble came to one bus we would suggest that we get a new driver for the next trip.

The annual election of School Dist. No. 49 will be held in the Newfolden High School building on Tuesday evening, May 21. Polls will be open from 7:00 p. m. 9:00 p. m. There were no candidates filed for office, but Alfred Johnson and Darvey Dyrud, members of the board who's terms expire have both signified that they will accept office if re-elected.

Richard Larson, son of Mr. and Mrs. Andrew Larson, arrived home last week from Brigham City, Utah, discharged from the Army.

Miss Janice Lokken, of Warren, spent Mothers Day with her parents, Mr. and Mrs. A. M. Lokken.

Mr. and Mrs. Victor Ekdahl left on Friday evening for Chicago, Illinois where they will spend some time visiting relatives and friends.

Mr. and Mrs. Nels Nelson visited at the Lars Nelson farm on Sunday.

Mr. and Mrs. Otto Klingberg, of Alvarado, visited with Henning Peterson and Gordon Eiseth's Sunday afternoon.

The Offerdahl twins, Dennis and Donald, of Camp Crowder, Missouri arrived on Tuesday to spend a short furlough with their father, Albert Offerdahl.

Eddie Christofferson left last week for the Veterans Hospital, Fargo, where he underwent and operation and is being treated for rupture.

Mr. and Mrs. Willard Holmos and daughter, Sandra, of Thief River Falls, spent the week end with relatives here.

James Odden, of Viking, a student in our high school, who was injured when he fell from an automobile last week, is reported to be recovering from serious head injuries in a Thief River Falls hospital.

Mr. and Mrs. Harry Nelson and son, Denny and Mr. and Mrs. Wallace Arnebeck and children Gary and Arleen, all of Grand Forks, Mr. and Mrs. Leonard Anderson, of Strandquist and Mr. and Mrs. Martin Nelson and son Gerald of Newfolden, all spent Mothers Day at the home of their parents, Mr. and Mrs. Lars Nelson. This is the first time in four years that the whole family has been together on Mothers Day. A year ago Harry was in Germany and Mrs. Arnebeck was in California.

Atlanta Ordnance Depot, Atlanta, Ga.—Marvin E. Kaye, son of Mr. and Mrs. Narval Kaye, Newfolden, Minnesota, has been discharged at this station and reenlisted for one year in the Regular Army. At the same time he was promoted from Private to Private First Class.

Pfc. Kaye entered the Army in October, 1945 and is a graduate of the Ordnance Automotive School at this Depot. Now on 30 days reenlistment furlough, he will visit with friends and relatives in Newfolden.

Production Drop

After the first year of egg production, hens usually drop about 20 per cent each year in production. If a hen lays 200 eggs her first year, she will likely lay only 160 eggs her second year, 128 eggs her third year, and so on.

Mulching Strawberries

Mulching the strawberry bed by covering it with a layer of hay, straw, or other suitable materials should be done about the time the ground begins to freeze in late November.

MANY PRESENT AT LUTHER LEAGUES RALLY IN BEMIDJI

Addresses and Music on Program at District Meeting Day 3, 4 and 5

One of the largest conventions of the Northern Minnesota district Luther League of the Norwegian Lutheran church ever held met in First Lutheran church, Bemidji, on May 3, 4 and 5.

The Rev. A. E. Haroson, Brooklyn Ctr., Minneapolis, and Prof. Sverre A. Rand, Concordia college, Moorhead, were the convention speakers. Saturday's program, the closing session, with a devotional and choir concert held in the Bemidji state teacher's gymnasium which was attended by 3000 people at each session.

The Rev. Elmer S. Hjortland, pastor of Central Lutheran church Minneapolis, a former army chaplain preached the morning sermon and gave the rally address in the afternoon on the theme: "Life With Dimensions." The Sunday afternoon session featured the choral union concert comprising over 300 voices under the direction of Prof. Paul J. Christianson, director of the famed Concordia college choir, Moorhead.

At the election of the following officers were chosen to head the Luther League: President, The Rev. Ernest Gielow, Comstock; vice president, the Rev. P. E. Klasvien, Warren; secretary, Miss Ingrid Fisher, Fosston, district director, The Rev. Leonard P. Thompson, Glenwood; publicity chairman secretary, Miss Esther Gjerde, Pelican Rapids.

The pre-war market price of urea, in the form of nitrate, was about $7 per pound.

Drunken Drivers, Faulty Cars Keep State Highway Patrol Busy Last Month

Drunken drivers and vehicles with unsafe equipment were two things that caused members of the state highway patrol in April to double their efforts to keep Minnesota highways safe for law-abiding motorists.

Ninety-six arrests last month for driving under the influence of intoxicants, compares to 47 in April 1945, are revealed by the monthly report of patrol activities, released by the state highway Department.

In an effort to have cars and trucks with bad brakes, one head light out, rear lights out, and other unsafe equipment repaired or kept off the highways, the patrol issued "court repair" tags to 2,986 drivers. These tags represent 2,957 violations, since some vehicles had more than one deficiency. In April last year there were 1,088 tags issued for 1,718 equipment violations.

The patrol made 222 arrests in more serious cases of unsafe and illegal equipment, compared to 87 in the same month last year.

Arrests for other causes included 283 for loads exceeding legal limits or restrictions posted during the spring heave-up, 156 careless driving, 123 excess speed, 114 going through stop signs and 95 driving without a license. Arrests for all causes totaled 1,237 and fines imposed totaled $23,781, compared to 1,381 arrests and $15,040 fines in April, 1945.

TAILLESS CALVES, OLD HENS, BIG LITTERS

Here and There in Minnesota—

At Buffalo Lake, an otherwise perfectly normal Holstein calf put in her appearance minus a tail. At Willmar two litters of pigs on the same farm totaled 34. And at Edgerton a hen who didn't exert herself, maybe, like some of the wartime producers of out-size eggs, or else did and called it healthful vacation—anyway, she recently celebrated her 17th birthday, which is considered aged to a fowl degree.

COLONEL SERVES SERGEANT . . . When Sgt. Bass H. Lewis Jr., Columbus, Ga., went overseas he expressed the wish that upon his discharge he could have a table at the Astor and have his colonel serve him breakfast in bed. He got his wish. Col. Cecil Rutledge, Buffalo, N. Y., is shown serving former Sergeant Lewis.

Discrimination Against Butter Fought by Thye

Declaring the government is helping to produce an artificial scarcity in butter that encourages black markets, Governor Edward J. Thye this past week demanded that federal officials modify present OPA regulations which, he said, are driving Minnesota creameries out of butter production.

Output of butter by Minnesota creameries now is less than half of what it was between 1940 and 1944, Governor Thye said. Of some 800 Minnesota creameries, he said, less than 300 are now confining themselves to making butter. More than a hundred have closed altogether.

KRATKA

The Kratka 4-H club will meet Monday evening, May 20th at the Meadow Lark school. Each member is asked to be prepared to recite a little poem or quotation or a tribute to Mothers in response to roll call.

Those from outside of their community who attended the ladies aid meeting at the Hofdahl home were Mrs. David Haugen and son of Plummer and Mrs. O. J. G. Olson and daughters of Beltrami. Mrs. Olson is a sister of Mr. Hofdahl.

The Kratka 4-H Play, "Father Takes his vacation" was given at Goodridge Friday evening to goth er with plays from Rainer, Deer Park, and Silverton. Silverton and Kratka were eliminated in the contest while Reiner and Deer Park go to Thief River Falls. Even though Kratka was defeated it was a great experience and much was learned which will help in future plays.

Cut yourself a new set of tires!

There's a new set of tires in your woodlot every year!

Yes, if you properly manage your timber supply, whether aspen, spruce, or jack pine, you can afford a new set of tires this year, the payments on a tractor next year, a new plow the next, something else the next—and the next—and the next—

Correct marking, selective cutting, and care with fire, can bring you a cash income EVERY YEAR. Ask any state or federal forester, your county agent, or a representative of Minnesota and Ontario Paper Company to show you how you can make money every year with proper care of your woodlot.

Whoa, there... Have a Coke

...fun and friendliness make the day

It's a whirl—and a merry one—with the whole crowd out to make the most of it. Of course, Coca-Cola is there too... just as it should be, when fun and friendliness are the order of the day. *Have a Coke* are the words that keep a good time going smoothly. There's nothing like the friendly pause with Coke to add to the fun.

We are not going to make any compromise with quality...

Because we have 30% less grain for brewing... production of Hamm's is cut 30%

The amount of Hamm's Preferred Stock Beer we can make is directly related to the amount of grain we have to work with. So, for the duration of the grain limitation order, we will reduce production 30%, to correspond exactly with the cut in grain.

There will undoubtedly be times in the coming weeks and months when you will not be able to get Hamm's Beer when you ask for it. But you can be sure of this: the Hamm's Beer you get will still be smooth and mellow, still a beer you *prefer. We are not going to make any compromise with quality.*

MINNESOTA HISTORICAL SOCIETY

MEMORIAL DAY RITES IN CITY NEXT THURSDAY

Procession at 10:30 Followed by Program; O. J. Jerde Speaker

Business activities will be suspended in Thief River Falls and thruout the nation next Thursday, May 30 for the first peacetime observance of Memorial Day in the past five years. As in the past years, stores public offices and banks will remain closed all day.

The occasion will be impressively observed in this city with a procession which will form at the Auditorium at 10:30 in the morning and will proceed to the Elks park, where a program will be presented at 11 o'clock.

Included in the line of march will be the Lincoln high school band, color guard, Gold Star fathers and mothers and wives, members of the Legion and the VFW posts and their auxiliaries, Marine Corps league unit, and Boy and Girl Scouts. Glenden E. Ahre, a major in the late war, will serve as marshal.

A Legion-VFW committee has mailed out invitations to all parents and wives of deceased veterans, informing that cars will be supplied to transport them in the parade. Anyone eligible who fails to receive an invitation is asked to report at the Auditorium Thursday morning at 10:30.

Kern M. Olson will preside over the program in the Elks park, while the Memorial Day address will be delivered by O. J. Jerde, recently of St. Cloud teachers college. The program will open and close with selections by the high school band directed by Miss Alma Klawitter, and other musical selections will include numbers by the high school boys' octet and a solo by Walter Ekeren.

Ward Long will offer the tribute to the unknown soldier, on whose symbolic tomb will be placed a wreath by Mrs. Fred Beringer, president of the VFW auxiliary. Rev. D. T. Beadle will give the invocation and Rev. G. S. Thompson the benediction, while P. G. Pederson will sound taps.

BONDS RETIRED BY CITY AFTER PAYING $49,500 INTEREST

$30,000 In Waterworks Bonds Drew Interest at Rate of 5½ Per Cent

Heaving a sigh of relief, City Clerk P. G. Pederson this week forwarded to Minneapolis a check for $30,000 to retire a $30,000 issue of waterworks bonds drawing interest at the rate of 5½ per cent and outstanding since 1916.

The extra $825 covers interest for the six-months period ending July 1 when the bonds mature.

During the thirty-year life of the bonds which were non-callable and therefore not subject to earlier redemption, the city has paid out in interest the huge total of $49,500, or 165 per cent of the principal amount.

The bonds were retired with the proceeds from the redemption of a $30,000 block of city held government certificates purchased several years ago and maturing recently.

Gov. Thye Speaks at Joint Session of 2 Service Clubs Here

Speaking in this city Monday noon at a joint meeting of the Rotary and Lions clubs in the Palm Garden Cafe, Governor Edward J. Thye gave an accounting of the state administration during his incumbency. Roy J. Oen, Rotary president, presided at the luncheon and W. E. Dahlquist introduced the governor to the assemblage of 100.

The governor spoke with evident pride of the state's wartime production record, both on the farms and in the factories. He said this record was made with a minimum of labor troubles, due to the good relations existing between management and workers.

Governor Thye also upheld the action of the state legislature in 1943 and 1945 in maintaining present state income tax levies as a means of building up a reserve to meet needs in the current post-war period. He said that the current financial position of the state is adequate to meet any emergency that may arise.

Queen Contest to Be '46 Water Carnival Feature July 3-4th

A popular feature of the 1945 water carnival in Thief River Falls which will be repeated on a more elaborate scale in connection with the 1946 event July 3 and 4 is the queen contest, it was announced today by Walt Larson, chairman of the contest committee. The carnival is being sponsored as in past years by the Junior Chamber of Commerce.

All Thief River Falls business places and organizations, as well as county 4-H and community clubs, are being invited to enter candidates in the queen contest as well as floats in the carnival parade. The only requirements for the candidates, Mr. Larson stated, is that they be unmarried and not less than 18 years old by July 4.

Judges selected from three out-of-town Junior Chambers will choose six girls from the field of entries and from theses six will be selected on the afternoon of July 4 the queen and her five attendants. The aspirants will wear formal dresses and each will ride on a float in the parade. The queen will be crowned by King Neptune, whose identity will be revealed later, at a dance in the arena the evening of July 4.

In addition to prizes to be awarded by the local Junior Chamber to the winning contestants, the queen will be given a free trip to Minneapolis to compete in the statewide beauty contest at Excelsior park.

Entries in the queen contest may be filed at any time before July 1 with Walt Larson at the Junior Shop.

ABSENT VOTERS BALLOTS FOR GI'S NOW AVAILABLE

Near Relatives May Apply for Ballots to Be Sent to Servicemen

County Auditor A. M. Senstad announced this week that application may be now made at his office for absent voters ballots for persons serving with the armed forces to be used in the primary election July 8.

He stated that such persons make application if they will be not less than 21 years of age on the day of election; or the application may be made in their behalf by a parent, spouse, brother or sister.

There is no time limitation except that the ballot must be returned in time to be in the hands of the election judges on election day. Ballots received late cannot be counted.

Civilians may apply for absent voters ballots not more than thirty days or less than one day in advance of the July 8 primary election.

Tiny Tot Popularity Sponsored by VFW Post in Connection with Play

The veterans of Foreign Wars are having a Tiny Tot contest in connection with their local talent production. They are looking for the most popular boy and girl for the "Pep Parade" show. A number of tiny folks have been selected and you'll find their pictures in one of the windows of the Junior Shop.

The winning child is determined by the number of pennies found in his or her jar. Votes are a penny a piece. The jars are found in the stores of different merchants. Prizes will be awarded the winners and proceeds from the contest will go to the Veterans of Foreign Wars.

Daily standings of the contestants will be found at the Junior Shop. The contest ends at four o'clock Wednesday, May 29.

COMMISSIONER REVEALS PLANS FOR HIGHWAY 1

Hoffman States Road to Goodridge Slated for Improvement Soon

With rural residents in the territory east of Thief River Falls and north to Gryglo very much concerned about the continued poor condition of the heavily traveled Highway 1 east from Thief River Falls to the Goodridge corner, W. E. Dahlquist wrote last week to M. J. Hoffman, state highway commissioner, to inquire about the present status of the department's long-contemplated plans for rebuilding of the highway.

In a letter received here Saturday, Mr. Hoffman stated:

"We realize the importance of this road to Thief River Falls and to the large territory dependent on this portion of Trunk Highway No. 1 since the removal of rail service to Goodridge.

"It is our intention definitely to include in our portion of the federal aid secondary program a project covering the grading of No. 1 easterly of Thief River Falls. Our plans tentatively contemplate the improvement of this highway to a point about 27 miles east of town. It is not possible until the program costs are more definitely studied to advise whether this work would be undertaken under one or two separate projects.

"Plans for the work on No. 1 out to the Goodridge corner have been completed and authorization has been given for acquisition of right of way. It is expected we will be able to secure approval of the program and advance right of way proceedings sufficiently to permit advertisement of this project for letting to be held during the present construction season.

"As to whether the job can be constructed this year will, of course, depend upon our ability to obtained a satisfactory bid. While we hope to be able to advance the preliminary proceedings necessary

M. ZIMMERMAN IS NEW PRESIDENT OF LOCAL PTA GROUP

Home Economics Girls Present Style Show at Last Session of Year

Milton Zimmerman, Boy Scout field executive, was elected president of the Parent-Teacher association Tuesday evening at the final session of the school year in the Lincoln high school auditorium. He succeeds Rev. D. T. Beadle.

Other officers named include Rev. Carl F. Johnson, first vice president; Mrs. David Fast, second vice president; Miss Bernice Lillelien, secretary; and Miss Ruth Mickelson, treasurer.

Other action taken at the business session included authorization of a PTA committee to cooperate in a city recreational planning program, and a recommendation that local movie programs start at 7 p. m. instead of 7:30.

Headlining the program for the evening was the presentation by students in the junior and senior high school home economics departments of a style show, in which the girls modeled garments made by them during the school year. In charge of the presentation were Mrs. Gunder Legvold and Miss Esther Shirley.

Musical features included a baritone solo by Richard Biddick, vocal duet by Helen Lindland and Mildred Schroeder, and a piano solo by Jerry Joringdal.

114 MEMBERS ARE INITIATED INTO LEGION MONDAY

Impressive Rites Are Exemplified by Team from E. G. Forks Post

In impressive exercises Monday evening in the municipal Auditorium, 114 veterans of World War II were formally inducted into membership in Elmer J. Ecklund post of the American Legion, Dr. A. E. Jacobson, post commander, presided.

The initiatory work was exemplified by a team of members of the East Grand Forks Legion post, while John Franklin of Roseau, Ninth district commander, gave the obligation to the large class.

Dr. Harry Bedin, past district commander, briefly discussed the principles of the American Legion, and Mr. Franklin announced the Ninth district Legion convention to be held in Crookston June 22-23.

Following the initiation, an informal musical program was presented under the direction of Kern M. Olson, vocal numbers being presented by the Lincoln high school boys octet and by a quartet including Mr. Olson, Walter Ekeren, Frank Tunberg and Elmer Lagon. Mr. Ekeren also sang two solos. Harold Harrison supplied the piano accompaniment.

Dancing and the serving of lunch concluded the evening's entertainment.

Straw Hat Day Will be Observed Here Saturday

Due to the pressure of other affairs which may be more important, such as the strike situation and international affairs, President Harry Truman did not get around to proclaim Straw Hat Day this week. In spite of this lack of official endorsement, however, the day will be observed in Thief River Falls on May 25, the traditional Saturday before Memorial Day. Given fair weather, advocates of the light weight headgear may be expected to do their stuff this week-end.

SATURDAY, MAY 25, IS PROCLAIMED AS POPPY DAY IN CITY

Legion Auxiliary Will Conduct Flower Sale for Memorial Day

Saturday, May 25, was proclaimed as Poppy Day in Thief River Falls in a proclamation issued today by Mayor W. J. Douville. The mayor called upon all citizens to observe the day by wearing the memorial poppy of the American Legion and auxiliary. The proclamation stated:

"Whereas, the wearing of the memorial poppy is a fitting and effective way of keeping bright the memory of those young men who gave their lives in America's service in the World Wars, and

"Whereas, men and women of Thief River Falls served gallantly in that way, some being called upon to sacrifice their lives in that service, and

"Whereas, the donations given this year for the Poppy may also be used in cases of need among the men now in the armed forces and for emergency relief for their families of they, too, are in need, and

"Whereas, the wearing of the American Legion Auxiliary will sell poppies throughout the city on May 25.

"Now, therefore, I, W. J. Douville, Mayor of the city of Thief River Falls, do proclaim May 25 to be Poppy Day, and urge all citizens to observe the day by wearing the memorial poppy of The American Legion and American Legion Auxiliary in honor of those who have died for America in World Wars I and II and as a tribute to our men and women still in the service."

St. Bernard's Sodality Has Breakfast for Mothers

A beautifully decorated dining room was the scene of a Mothers Day breakfast sponsored by the St. Bernard's sodality on Mothers Day. Following the 8 o'clock Mass the sodalists and their mothers went to the basement of the church and were seated at tables centered with cut flowers. A tasty brakfast was served by the fathers of many of the sodalists.

A program with Jane Breitag as mistress of ceremonies followed the breakfast. Those participating were James Plough, the children of third and fourth grades, and Kathleen Walker. During the breakfast, phonograph records of an appropriate nature were played.

Miss Teresa Schmidt and Julian R. Hanson Exchange Vows Sunday

Teresa L. Schmidt, daughter of Mrs. Joseph Schmidt of Red Lake Falls, became the bride of Julian R. Hanson, son of Mr. and Mrs. Edwin Hanson of Fosston, at a ceremony performed in St. Mary's rectory in Red Lake Falls Sunday afternoon at 1 o'clock, with Father Peiger officiating.

Phyllis Zins, Lillian Hunt, Alvin Nordvald, and Theodore Patnode attended the couple. The bride was attired in a navy blue suit with white accessories and a corsage of American Beauty roses. A lemon suit with black accessories and a corsage of yellow carnations was Miss Zins' attire, while Miss Hunt wore a gold suit with black accessories and a similar corsage.

A wedding dinner followed the ceremony at the bride's home, and the newlyweds left on their honeymoon to Detroit Lakes and the North Shore drive. They will make their home in Red Lake Falls. The groom received an honorable discharge from the army last June.

The Silverton ladies aid will meet after services Sunday, May 26, at the church with Mrs. Paul Peterson and Mrs. Benhard Wold as hostesses.

Mr. and Mrs. Chester J. Strom Are in City Following Marriage

Mr. and Mrs. Chester J. Strom arrived in this city last week from California for a visit with the former's parents, Mr. and Mrs. Martin Strom. Their marriage took place at St. Louis Bertrands church in Oakland, Calif., April 22 at 7:00 p. m. with Father Vincent Flemming officiating at the double ring ceremony.

The bride formerly Miss Filia Spreeman, daughter of Mr. and Mrs. Herman Spreeman of Appleton, Wisc., was attired in a street-length dress of pink net over taffeta. She wore a white gardenia hat and gardenia corsage. Attendants were brother of the bride-groom and his wife, Mr. and Mrs. David Strom of Oakland, Calif., and following the ceremony a wedding dinner was served at the David Strom home.

The bridegroom, AR1/c, who served the past 18 months at Guam Japan and China as radioman for Commander 5th Fleet, was discharged recently, and reenlisted at Camp Shoemaker, Calif., on April 28. Mr. Strom will return to Chicago, Ill., for further transfer on June 29.

Helene Welch Speaks Nuptial Vows with W. Leach Last Wednesday

Marriage vows were spoken in St. Bernard's rectory Wednesday afternoon, May 15, at 5 o'clock by Miss Helene Welch, daughter of Mrs. Beatrice Welch, and Walter Leach, son of Mrs. Josie Leach. The single ring ceremony was performed by Father A. I. Merth, and attending the couple were the bride's sister and brother, Mrs. Harlan Bailey and David Welch.

The bride wore an attractive two piece frock fashioned with pink eyelet top and dark blue skirt. Her accessories were white and her corsage was composed of red roses and white carnations. Mrs. Bailey wore a brown dress styled with brown and white cape. Her flowers were red and white roses and her accessories were in brown.

Mrs. Beatrice Welch entertained a few close relatives at a dinner immediately following the ceremony, the main feature of which was a two tiered wedding cake decorated with roses and topped with bridal figurines. That evening a large group of friends and relatives gave a party in the Pine Cave for the newlyweds, at which they were presented with a purse of money.

Both the bride and groom attended Lincoln high school, and following a period of employment in the twin cities, Mrs. Leach has been employed at Welch's in this city. Her husband, who has been discharged from the service, is employed with the O'Hara Ice and Fuel Co.

Mr. and Mrs. Leach are making their home at 617 N. Horace Ave.

RED CROSS NEWS NOTES

Notice

Mrs. Lara Hylden, chairman of the Red Cross sewing project, has asked that all Red Cross sewing be turned in as soon as possible so the sewing room may be closed for the summer. There are still eleven garments to be sewed and it would be appreciated if someone would take charge of the sewing of this infant wear. The sewing room is open every Friday afternoon over the Northern State Bank building. Anyone wishing to contact Mrs. Hylden, do so by calling 508. Anyone turning in work should see that it is checked off from the list of names to whom it is charged. Mrs. Lara Hylden and Mrs. G. W. Boosen, Co-Chairmen, and the local Red Cross chapter wish to extend their hearty thank you to those willing workers who made it possible for these one hundred layettes to be completed. They will be shipped out as soon as the work has been turned in. Please cooperate.

It is estimated that approximately 13 million bushels of asparagus is marketed annually in the United States.

GIRL SCOUT NOTES

On Thursday, May 16, at six o'clock the Girl Scout Council members were hostesses to Girl Scout Leaders at a picnic out near the old dam site. In true scout fashion part of the lunch was prepared over the open fires.

On May 18, Scout Troop 9 had a picnic at Squaw Point with members of Boy Scout Troop 60 as their guests.

The following Scout Troops have had cook-outs: On May 15, Troop 12 at the Tourists Park and Troop 14, at the Boy Scout Park; May 21, Brownie Scout Troop 21 at the Tourist Park.

Seventy-eight scouts have registered for Girl Scout camp, at Camp Beltrami, Remidji, Minnesota and this number is indicative of the interest the girls hold for this program in scouting.

"ONE AT A TIME" IS THE RULE when connecting by hand the thousands of wires on new telephone equipment. Since the land on present equipment has reached the absolute limit and more switching equipment is needed to provide normal service, work is being rushed on all kinds of costly telephone facilities. Soon this switchboard can share the service burden and help reduce delays that may arise from present overloads.

Work of this kind was at a standstill during the war. To catch up today's heavily increased demands and to prepare for the future this company plans to spend $160,000,000 during the next few years in the five states in which it operates.

This money must come, not from "war profits"—for the telephone company made none—but from investors attracted by earnings comparable to those afforded by similar investment opportunities.—NORTHWESTERN BELL TELEPHONE COMPANY.

C. C. HAS LIVELY DISCUSSION AT MEETING MAY 16

Favors Administration by the Government of Workers' Welfare Fund

After a lengthy discussion arising out of the current strike of coal miners, the Civic and Commerce association at its luncheon meeting last Thursday adopted a resolution calling for legislation to prevent collection by employers, employees or labor unions of contributions, royalities, taxes or tribute for welfare funds or otherwise.

The resolution further stated that if additional welfare funds or social security is needed, congress should enact remedial legislation providing for administration of the funds by the government.

Rev. D. T. Beadle pointed out the lack of Thief River Falls road signs at Erskine, Brooks and Maricoux Corner. The matter was referred to the road committee with instructions to solicit cooperation of the state highway department.

It was agreed that the next meeting of the association should be held next Monday, May 27, to avoid a conflict with Memorial Day May 30.

Northern Minnesota Baseball Loop Formed Tuesday at St. Hilaire

At a meeting held at St. Hilaire on Tuesday evening, the Northern Minnesota Baseball League, with five teams—St. Hilaire, Red Lake Falls, Thief River Falls, Plummer and Oklee— in the circuit was organized. Officers elected for the season were Gust Mundinger, St. Hilaire; Eddie Klefenheim, Red Lake Falls, vice president; and Gordon Reierson, Thief River Falls, secretary-treasurer.

The schedule for the season will be drawn up at a meeting next week, but it is hoped that league play can commence on Sunday, June 9th. Players to tryout for the local club should contact Gordy Reierson, Jesse DuChamp, or Johnny Jaranson.

NEW PLAN BRINGS FOOD TO EUROPE

Local Cooperatives Ask Citizens to Contribute

Needy people in France and Italy have already acknowledged receipt of food sent to them the last week in April through the 'Cooperative for American Remittances to Europe according to Mrs. Ruth Gage Colby, CARE chairman for Minnesota.

Through this non-profit organization speedy delivery of 30 pound food packages to needy European families can be accomplished with a minimum of effort and without delay.

All that needs to be done is to send a $15.00 check or money order to CARE and a food package will be on its way within a matter of days.

Further information and food remittance application blanks can be obtained at local cooperatives or either of the banks. Those wishing to make smaller donations will find properly labeled milk bottles for that purpose at the above mentioned places in town.

HOFFMAN EXPLAINS PRESENT STATUS OF T. H. 1 TO GOODRIDGE

(Continued from page 1)

for advertising this work as above indicated, we have found, in connection with lettings held this spring, that it has been necessary to reject bids on a number of contracts because of high prices, and on several projects which were advertised no bids were received.

"Because of unsettled labor conditions and other factors contractors are unable to secure any considerable amount of additional equipment. It also is impossible for them to obtain repair parts on their old equipment. Because of these factors, ther is considerable uncertainity as to progress that can be made in our construction programs, particularly with respect to grading work.

"The above information is about all that I could tell any delegation which might come to St. Paul for a conference relative to this project. While I would be glad to discuss this proposed improvement with representatives of the many people terested it does not appear at this time that there would be any advantage in your arranging for a delegation to see me with reference to this matter. You can assure the people interested that we will endeavor to follow thru as outlined above as far as conditions will permit. with uncertainity which exactely definite assurance cannot be given as to when the work can be placed under contract."

President Truman Says 96,000 Die in Mishaps in U. S. in Past Year

President Truman last week in Washington addressed 2,000 workers in the field of accident prevention, calling attention to the fact ha in 1945 96,000 persons were killed and 10,000,000 injured in accidents in the United States. He also pointed out that traffic accidents are increasing at an alarming rate. A feature of the three-day meeting was the presentation of awards to states and cities with outstanding safety records. As recently announced, Thief River Falls was awarded third place in the pedestrian safety contest in the group of cities whose population is 10,000 or less.

Ninth District DFL Favors Open Primary

At a meeting of the Ninth District Democratic-Farmer-Labor party, held at Crookston Sunday, May 19, the organization went on record favoring an open primary in the coming primary election for congressman. Thomas A. Tasa Will Be Buried Following Rites This Afternoon

Thomas A. Tasa, resident of this vicinity since 1903, passed away at a local hospital Saturday, having attained the age of 75 years. Rev. R. Rosenquist of Nerstrand will officiate at services this afternoon, May 23, in the little Cannon Lutheran church of Kenyon and interment will be made in the church cemetery.

Mr. Tasa was born March 29, 1871, at Kenyon and lived there until moving to this city in 1903. He was married Nov. 29, 1916 at Farmington to Sadie Cook, who preceded him in death, and in 1926 he moved to Hickory twp.

Survivors include three daughters, Mrs. I. B. Molde of Montevideo Mrs. J. G. Cherveatad of Oklee, Mrs. A. C. Waldvogel of Oklee; one son Glenn Tasa of Trail; a sister, Miss Marie Tasa of Minneapolis; and five grand children. Preceding him in death were his wife, his parents, two sisters, and four brothers.

Mrs. Karen Omundson Passes Away Friday

Mrs. Karen Omundson, 419 Arnold Ave. S. was buried following funeral services Tuesday afternoon in the Erickson and Lund chapel. Her death occurred Friday at a local hospital and she was almost 84 years old. Rev. J. O. Jacobsen officiated at the rites and interment was made in Silverton cemetery.

Mrs. Omundson, born July 13, 1862, in Norway, came as a young girl from Norway to Crookston, and in 1914 she moved to this city, making her home here since. Preceding her in death were her husband and a son.

Final Rites Friday for Emma Sogard, 47

Final rites were held in St. Pauli church Friday afternoon for Mrs. Emma Sogard, who passed away Tuesday afternoon, May 14, at Rochester, where she has resided the past 16 years. Rev. Fjelstul of St. Hilaire conducted the services.

Mrs. Sogard, who was 47 years of age, is survived by Mr. Leonard Sogard; two daughters, Mrs. E. B. Ellsworth and Mrs. R. E. Olson of Minneapolis; three brothers, Geo. of this city, Albert of Tiro, Wash. and Otto of Hazel; three sisters, Mrs. Caroline Sundahl of Bismark, N. Dak., Mrs. Hardy Bjerk of this city, and Anna Gryting of Bowling Green, Mont.

Previous to her marriage Sept. 25, 1920 at her home in Hazel, Mrs. Sogard taught school for five years in this vicinity. She was born September 4, 1898 in Pennington county.

Lutheran Scout Leader Talks to Trinity Men's Brotherhood Monday

Edgar M. Salveson, of Fergus Falls, spoke to the men of the Trinity Brotherhood on Monday evening, explaining the nature of his work as Lutheran Scout director for the Northern Minnesota district of the church.

With more than 20 years of experience in scouting he paid high tribute to the men of the Brotherhood,the troop committee, and Scoutmaster, Morris Owen, and the assistant scoutmaster, J. P. Rosengren, for the successful scouting program carried on by the church. He also spoke in recognition of Keith Rosengren, candidate for the eagle award, and the work such a scout must do to attain this award.

Appointments for the Sunday School and congregational picnic were also announced by the president, Justus Larson. The picnic will be given under the auspices of the brotherhood at Squaw Point next Sunday afternoon. Committee chairman announced were: Transportation: Alan Purdy; refreshments, Sigward Quam; games and contests, J. P. Rosengren.

Rites May 30 for Son of Former Local Pastor

Memorial rites will be conducted in Litchfield May 30 for Captain John Allen Anderson, son of Rev. John Anderson, who at one time served as pastor of the Mission Covenant church here while making his home in Crookston. Captain Anderson, 27, had been missing in action since May 17, 1944, when he failed to return from a mission over New Britain Island. Besides his parents, brothers and sisters, he is survived by his wife and son.

Auxiliary Notes

The first Poppy Day of peace will be observed in Thief River Falls and thruout the United States on Saturday, May 25, and should see all America Honoring the war dead by wearing the memorial poppy. It should see the most generous contribution in history to aid disabled, their families, and the families of the dead.

The memorial poppy is handmade by disabled veterans from World Wars I and II. If we could know the stories of all those veterans, old and young, they would make an epic of service and suffering for the security of America.

Making the poppies has two important benefits for the disabled veterans. First, it enables them to earn money. The American Legion Auxiliary pays them for every poppy they make. To actually earn money again is an encouraging experience for these men, after long months of helplessness. Most of them mind the money home to their families.

Second, the work is valuable as occupational therapy. It occupies their hands and minds and helps them get well.

Let each one who pins on a poppy look closely at the little flower and think of the men who make the poppies, what they have been through and what they are still enduring because of their war service. Then it will be understood that the poppy is not just a tag, but a carefully shaped symbol of remembrance made by the disabled in honor of their departed comrades.

The American Legion Auxiliary will be offering each person a way to express individual remembrance and honor for those who died that America might live in peace and security and freedom.

Let our hearts be ready for the exalted enterprise of Poppy Day.

THE POWER TO TAX

John Lewis projected a new issue into the labor controversy when he asked for a royalty tax on coal to create a welfare fund to be administered by the union. He has modified this demand by asking that the tax be on the payroll rather than on each ton of coal mined but the net result is pretty much the same. It follows the pattern established by Petrillo of the musicians union, who levies a royalty tax on phonograph records to "propogate musical culture." Such levies are actually sales taxes and are therefore of special interest to the public.

The tax levied by musicians could conceivably be justified as we would justify the royalty collected on a patent or copyright. Patented or copyrighted products are not essential. We have gotten along without them and it is optional with us whether or not we wish to buy them and pay the royalty, which eventually expires. Music might be likened to these products. We can get along without it in the canned form, if the tax is excessive, we don't have to pay it.

But a sales tax on coal is another thing. Coal is an essential commodity without which our economy cannot survive and if we recognize the right of workers or operators to levy a special tax on this commodity then we in fact yield to private individuals the taxing power which we have heretofore recognized only in our government units. If this tax is exacted from us under the threat of pay or die then truly we have become the slaves of a minority group. That would be taxation without representation, and we once fought a war over that issue.

If we recognize the right of miners to levy a tax on coal, then certainly farmers could not be denied the right to tax food and similar rights by many other special groups would have to be admitted. All of which, of course, does not make sense.

We do not question the need for relief measures to improve conditions among miners or among other groups of workers, organized and unorganized. Maybe we should pay a higher price for coal in order that these conditions can be improved. We are satisfied however, that the right way to solve this problem is not by letting John Lewis or any other individual or group of individuals levy a tax upon us. The right to tax should be reserved to our governmental units. We should pay no taxes except those imposed upon us by our own representatives.

There will be no disagreement with Senator Shipstead's assertion that international politics are influenced by greed and selfishness. The fact however that all nations are not upright and honorable does not justify us in refusing to be a party to the United Nations, as he would have it. It is because there is greed and selfishness in the world that we need an international organization. Our only hope of averting a third world war is in an organization of nations large enough and strong enough to curb the greed and selfishness which the Senator properly abhors. This hope is based on the probability that with a representative international organization to be reckoned with we are less apt to have those secret treaties and alliances that have proven so troublesome in the past. Shipstead is not alone in wanting a peace that is founded on decency and justice. That is wanted by a majority of the people of the world. What we need is an organization through which this majority can make its wishes felt. Such an organization will not be perfect and it may not accomplish its purpose. But better we give it a try. We know from experience that there is no hope for us in the kind of a policy Shipstead advocates.

Random thought — Wonder if there will be any lilac blooms on Memorial Day this year.

Prepare for a dry spell, folks. Brooweries are closing down as a result of the shortage of grain.

Simile—As hard a job as picking a night for a meeting that won't be in conflict with some other event.

We can remember way back when property owners would come into the Times office to buy "For Rent" signs.

Prowler Track Men Win District No. 31 Meet in Grand Forks

Nearly doubling the point total of the runners-up Crookston Pirates, the Prowlers, with 98½ points, successfully defended their district track and field championship in the tournament held in the Memorial stadium at Grand Forks on Saturday. Crookston tallied 50 points, for second place; while East Grand Forks scored 42½ points; and Red Lake Falls, 2. points. This week the Prowlers will participate in the regional track and field meet on the B. S. T. C. field at Bemidji.

Coach Quentin Jones' squad, in marking up their decisive win, scored seven first places, six second places, and seven third places. Les Vigness won the 100 and 220 yard sprints, scored in the discus a third in the shot put and ran a leg in the relay event, to score 18 points for the meet's individual honors. Other first place scorers for the Prowlers were Johnny Hanson, winner of the 120-yard high hurdles and the 200-yard low hurdles; Al Williamson, who tied for first place in the high jump; Ninsk Carlson, who won the broad jump; Don Engelstad, who ran into a tie in the half-mile run; and the Prowler relay team.

East Grand Forks' Frank Goodrich set a new district record in the shot put, with a heave of 42 feet, 10 inches. That mark surpassed the old record, which had been on the books since 1935 when Ray "Butch" Kimblin, also of East Grand Forks, tossed the ball 39 feet. And Crookston's Lavely ran the mile in 5:11.5, to beat the mark set by the Prowlers' Don Michalsky in 1942 by a half a second.

The summary:

100-yard high hurdles: won by Hanson, T. R. F.; 2nd, Asa, T. R. F.; 3rd, Brustad, Crookston; 4th, Tollefsrud, Crookston; 5th, Hafterson, Crookston. Time—17.1.

Shot put: won by Goodrich, E. G. F.; 2nd, Christianson, T. R. F.; 3rd, Vigness, T. R. F.; 4th, Salverson, T. R. F.; 5th, Stewart, E. G. F. Distance—42 feet, 10 inches (new record).

Mile run: won by Laverly, Crookston, 2nd, Bland, E. G. F.; 3rd, Miller, E. G. F.; 4th, Cabel, T. R. F.; 5th, Bradley, E. G. F. Time—5:11.5 (new record).

440-yard run: won by Maloney, T. R. F.; 2nd, Davidson, T. R. F.; 3rd, Beville, T. R. F.; 4th, Panek, T. R. F.; 5th, Sutherland, Crookston. Time —56.0.

Pole vault: won by Reitmeier, Crookston; tied for 2nd, Severns and Hjelmbuhlam, T. R. F.; 4th, Wiesboner, Crookston; 5th, Hanson, T. R. F. Height—9 feet, 6½ in.

220-yard low hurdles: won by Hanson, T. R. F.; 2nd, Buthanne, E. G. F.; 3rd, Asa, T. R. F.; 4th, Pilger, Crookston; 5th, Gangness, E. G. F. Time—25.3.

220-yard dash: won by Vigness, T. R. F.; 2nd, Buthanne, E. G. F.; tied for 3rd, Carlson, T. R. F. and Youngquist, Crookston; 5th, Kleinvachter, T. R. F. Time—23.8.

High jump: tied for 1st, Williamson, T. R. F. and Brustad, Crookston; 3rd, Hjelmbuhlm, T. R. F.; 4th, Pilger, Crookston; tied for 5th, Asa and Davidson, T. R. F. Height—5 feet, 4 inches.

Broad jump: won by Carlson, T. R. F.; 2nd, Beville, T. R. F.; 3rd, Youngquist, Crookston; 4th, Hanson, T. R. F.; tied for 5th, Pilger, Crookston, and Kilmer, E. G. F. Distance—20 feet, 1 inches.

Half-mile run: tied for 1st, Engelstad, T. R. F. and Hanna, Crookston; 3rd, Kleinvachter, T. R. F.; 4th, Schlosser, T. R. F.; 5th, Danielson, E. G. F. Time—2:20.

Half-mile relay: won by Thief River Falls (Carlson, Beville, Davidson, Vigness), 2nd, East Grand Forks; 3rd, Crookston; 4th, Thief River Falls Freshmen team. Time—1:41.8

SOFTBALL LEAGUE STARTS MONDAY

Oens and Bridgemans Will Meet in Opener

The soft ball season will get underway Monday night, with Oen's meeting the Bridgeman's team. If the lights are installed and in operation by Monday night, the game will be played under lights; otherwise the contest will be a twilight affair.

Following the game on Monday night between Gordy Reierson's Oen's and Ernie Hellquist's Bridgeman's; the schedule will continue with Walt Larson's Poppler's team playing the Vets on Tuesday night and on Friday night, Al Johnson's Harts team will play Bjorkman's Toggery.

Storing Onions

Onions will keep in a fairly dry cellar but not in moist air. They may be kept in darkness or subdued light at a temperature near 32 degrees, or even as high as 50 degrees.

There are several ways of cooling off. When it comes to straws, most men prefer Adam Straws to all others. This summer stocks are not as plentiful as in other years. So drop around and get your summer hat early. There's a full headsize choice in almost every style.

LEGION JUNIOR BALL CLUB WINS

Don Perkins Strikes out Sixteen to Win

Behind Don Perkins' four-bit, sixteen-strikeout pitching, the Legion Juniors defeated the Grads, 11 to 7, in a seven-inning game on the East Side diamond Thursday evening. The Grads, on John Powell's single and Bud Brossolt triple, scored in the 1st frame, and added another tally in the 3d inning; but the Juniors, in their half of the 3rd inning, evened the count at 2-all, with Jim Powell and Gothe coming across the plate with runs. And in the last half of the 4th inning, the Juniors rolled up six runs.

Bud Brossolt, in addition to his triple in the 1st inning, poled out a long homerun in the 6th inning. Don Engelstad connected with a home for the Juniors in the 6th inning.

Perkins, in collecting those sixteen strikeouts, whiffed every member of the Grads at least once, and he fanned Ninsk Carlson three times, Johnny Powell, Rog Tunberg, and Owen Kormmo twice.

FRIDAY TOURNEYS START THIS WEEK ON GOLF COURSE

Series of Weekly Events Will Continue thru July 26th

The local golf club will resume its series of weekly tournaments on Friday. Tomorrow evening's tournament will be a nine-hole, medal-play handicap tourney, with the 1945 handicaps being in effect. The tournament committee announced that two shortstop tourneys will be played over the local course, with the first shortstop being slated for June 9th, and the club's annual shortstop being scheduled for August 25th.

Two club matches have been arranged, with the local team billed to play Crookston and Grand Forks. Dates for the matches have not been announced.

In addition to the weekly Friday evening tournaments, the ladder tournament will be in operation. Players in the tournament may challenge the occupants of the two "rungs" immediately overhead, and the match must be played within one week of the issuance of the challenge or a default will be ordered.

It is stated that "ringer" scores will also be recorded on the tournament play. Players are requested to report their first tournament score, and any time during the year, during tournament play, that a lower score is tallied on any particular hole, that score should be reported to the committee.

The following is the schedule of the Friday tournamentes:
May 24th, Nine hole, medal play handicap tournament.
May 31st, Flag tournament, with handicap.
June 7th, Blind hole tournament, with handicap.
June 14th, Driving and putting contest.
June 21st, Sweepstakes tournament, on a handicap basis.
June 28th, Lucky five tournament, with handicap.
July 5th, Nine hole, medal play handicap tournament and blind bogey.
July 12th, Nine hole, medal play handicap tournament.
July 19th, Nine hole, four shot recovery tournament.
July 26th, Best ball two-some handicap tournament.

Park Rapids Too Strong

While the Prowlers, in galloping and jumping to the 31st district track and field championship at Grand Forks on Saturday, qualified a number of boys for the regional meet at Bemidji this week, the prediction is that Park Rapids, with several potential record-breakers on their squad, will win the regional crown. Coach Jones' squad, though, should collect enough points for a solid third place, and the boys may get enough courters to move up into second place.

The Prowlers' best chances of first places wins will come in the 100 and 200 yard dashes, and in the half-mile relay. Les Vigness has been doing some fine running the last week, and the "Bomber" is beginning to look as if he is jet-propelled. If Les isn't the winner, he's going to be the fellow that pushes the winner across the line. And the Prowlers relay team—Ninsk Carlson, Phil Beadle, Dick Davidson, and Les Vigness—has the legs to win the regional half-mile, and all they have to do is to move those legs fast enough.

Apparently only one regional track record is in jeopardy this week, and that is in the high jump event, where Park Rapids' Edam will probably set a new mark. Neumann, of Bemidji, jumped 5 feet, 9 inches for the record in 1944, but last week, Edam, in the district meet at Bemidji, made a leap of 6 feet, 10 inches.

Here They Go.

Now that the soft ball league is slated to begin its schedule on Monday night, there is going to be a great deal of loud talk generated. Ernie Hellquist will be explaining how his Bridgeman's team lost their opening game to Oen's on Monday night; and Hellmie Wasp, Jesse DuChamp, Paul Dahl, and Johnny Juranson will be full of reasons why the Vets should have beaten Walt Larson's Poppler's team on Tuesday night, but didn't; and Burt Emanuel will be thinking of protesting the win that Hartz will post over Cliff Bjorkman's Toggery team on the 31st.

Let's Watch This.

There must be some fire connected with all the smoke that is being puffed out about the "million and half" dollars that the state game and fish department has in its treasury, and which is being ogled by the other state departments with the intention of making a "bucket raid" on those funds. Sportsmen should make a note of keeping alert of that matter, and make certain that those funds are being utilized for game and fish purposes. The fact is, that the hustling in this state is rapidly worsening, and the fishing isn't getting so good that you need a club to keep the fish from jumping into the boat.

Fried in Deep Fat.

That's the way the boys that got the walleyed pike are having them served; and the rest of us are chewing on discarded bassorenos and pickled shiners. The anglers that fished Lake of the Woods at Wheeler's Point and Morris Point reported the best luck, and fair wall-eyed fishing is reported from Maple Lake, too. But Waskish, and the river here, were very slow, with the cold weather being blamed for the sluggishness.

There were some good fish coming down from the north, with Bob Lund reporting a six-pound, 29-inch walleyed pike, caught in Rainy river just off Wheeler's Point; and Doc Fletcher brought in a six-pound walleye, which was caught by trolling just north of Pine Island in Lake of the Woods. And on Tuesday, while fishing in White Earth lake, Doc Fletcher caught a five-pound walleyed pike. White Earth, though, was too cold for good pike fishing, and it is claimed that it will take a week or ten days of warm weather to bring the fishing up to par.

Hank Storhaug and his dad, and Father O'Toole, drove out to the outlet, then secured a boat, attached a five-horse outboard, and headed across Red Lake. The trio camped at the Narrows on Tuesday night, and opened the pike season the next morning by putting to Waskish, which made quite a voyage. Hank stated that the fishing at Waskish was off but that they had fair luck at Manomin creek.

New Livestock Market Open for Business Here

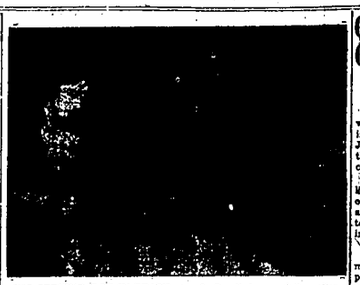
4-H CLUB CAMPS AT N. W. SCHOOL SET JUNE 3 TO 8

Big Program Arranged for Club Members at School in Crookston

More than one thousand 4-H club members are expected for the two 4-H club camps to be held at the Northwest School at Crookston, June 3-8. The 1946 camp will be the thirty-fourth annual camp or short course held for farm boys and girls at the Northwest School. "Food for Famine" will be the general theme for this year's club camps. Instruction will also be offered to junior and adult leaders.

H. A. Pflughoeft, now district leader of 4-H club work in northeastern Minnesota, will return as camp leader to his former district. Mr. Pflughoeft will be assisted by Mrs. Evelyn Dose and Miss Kathleen Flom from the state 4-H club office. Other specialists from University Farm, St. Paul will come to Crookston for the week. County 4-H club agents and county agricultural agents will also assist with the teaching and recreational program.

The general program of instruction to 4-H club members will be stressing all phases of food production and conservation, recreation and stressing all phases of food production and conservation, recreation and music. J. Clark Rhodes of St. Paul has been secured to lead the chorus work at the two camps. He will also give instruction to the club and county quartettes to prepare for the 4-H club chorus which will appear at the Minnesota State Fair. One-act play casts from each of the counties will compete for honors in the district one-act play contest. "Better Grooming" contests will also be held for the two age groups.



Registrations for the club camps must be made in each county with the county 4-H club agent or county agent. County registrations must be reported to the Registrar at the Northwest school by May 29.

SECONDARY U. S. ROAD JOBS START

Issue Call for Bids on Four County Projects

Bids will be received May 24 and 28 on four county highway projects, the first county road jobs in the post-war federal aid secondary highway program authorized by the 1944 federal aid act, M. J. Hoffman, commissioner of highways announces. Bids will also be received May 24 on eight trunk highway grading, paving and bituminous surfacing projects.

The county projects, located in Carlton, Steele and St. Louis counties, are estimated to cost $167,000. A total of $3,924,500 worth of county projects to be financed with federal aid and county matching funds, has been programmed for the first post-war year in the new Federal Aid secondary program.

Additional projects will be advertised from time to time as plans are completed by the county highway engineers and approved by the state and federal agencies. Carrying out the program, however, is contingent on bids received. At the April 29 letting on trunk highway projects, no bids were received on two of the jobs advertised. All bridge projects will be postponed until price and materials conditions are more favorable.

The trunk highway letting May 24 includes five grading projects, totaling 34.5 miles, a 1.5 mile paving project in Fairmont; 2.5 miles of resurfacing and straightening curves on T. H. 61 near Carlton, and on 0.5 mile pavement resurfacing job in Stillwater. The work is distributed in nine counties, none of them in Northwestern Minnesota.

CITES ADVANTAGES OF SAVINGS BONDS

Keep on Buying Bonds, Farm Economist Urges

There are many good reasons why people should continue buying U. S. Savings bonds, Dr. O. B. Jesness, agricultural economist at the University of Minnesota, declared in a statement this week.

Dr. Jesness, who is nationally known as an authority on farm economics and management, emphasized particularly the advantages to farmers of continued investment in government bonds.

Among the reasons he cites are:

There is still a scarcity of farm machinery and equipment, so that postponing such purchases where possible would be wise.

Investment now when prices and income are up will provide funds for periods when conditions may not be so favorable.

Savings bonds are a good place for funds being set aside for education and for "the proverbial rainy day."

"In short," Dr. Jesness said, "farmers should invest in savings bonds as a matter of self interest and protection. Investment in savings bonds today is a part of financial management for the American farmer which will be helpful in maintaining farm prosperity in the future."

ERIE

Dorcas Ladies Aid meets at Clover Nook Wednesday, May 29. This will be a joint service by all members. Everyone invited to attend.

Erie Local Farmers Union met at Clover Nook Friday evening. Guest speaker was Nels Fore of Oklee. Other features on the program were a community sing led by Grace Dahlen. Grace also favored us with a solo, H. A. Larsen had charge of all business discussions. Mordy Morrison took care of the lunch assisted by a few volunteer women aides. Next meeting at same place, June 21st. Attend, we may have something of interest to you.

Thad Phipps and the Garden Party

Thad Phipps' wife finally got him to the Ladies' Flower Club Lawn Festival and Garden Party.

At first Thad was mighty uncomfortable in his Sunday best, making polite conversation with the ladies, nibbling on watercress sandwiches. Until Milly Harriett comes up with a tray of ice-cold beer in frosty glasses.

"I suppose," says Milly slyly, "you'll think beer's a slay drink."

"Sissy drink!" says Thad emphatically. "Just because it's mild and moderate doesn't make it sissy! Beer's a man's drink!"

And then Thad sees that half the ladies there are sipping beer, as well as those who've chosen lemonade and cider, and he mutters: "I reckon it's a ladies' drink, too."

From where I sit, more and more people are realizing, like Thad, that beer doesn't belong to any special group or occasion—it's a whole some American beverage that belongs wherever folks enjoy good taste and moderation.

The Hungry Cannot Wait

"... the grimmest specter of famine in all the history of the world ... Hunger hangs over the homes of more han 800,000,000 people ... is a silent visitor who comes like a shadow ... (and) sits beside every anxious mother three times each day. He brings not alone suffering and sorrow, but fear and terror. He is more destructive than armies not only in human life, but in morals ... the certainty of hunger to hundreds of millions and even the spectre of mass staryation before this crisis has passed ... right and duty to feed the women and children ... 20 to 30 million physically subnormal children on the continent ..." ARMY DISCHARGES FEWER IN NUMBER

12,774 in State Leave Services During April

Continued reduction in the number of Minnesotans discharged from the armed services is shown in the April report issued by Robert Hutchinson, veterans' employment representative of the state office of the U. S. employment service. The total was 12,774, as compared with 14,294 discharged during March.

The total included 7,420 discharged from the army, 4,536 from the navy, 625 from the marine corps, and 187 from the coast guard. There has been a continued decline in the number of discharges since the November peak of 35,000.

New applicants for jobs during April included 9,859 veterans, the same USES figures revealed, and though by no means all of these were April discharges, the figure leans out Hutchinson's previous estimate that at least 50 per cent of the veterans coming home applied for work at USES offices.

Placement figures show 4,066 veterans placed in non-agricultural jobs, out of a monthly placement total of 9,901. This is slightly over 40 per cent of the total placements. With the opening of spring farm work, however, many other veterans have resumed farm jobs not registered with USES.

The state figures also indicate somewhat more than 50,000 veterans registered for work, but not all of these are unemployed.

Traffic on Highways in March Tops Pre-war Years

Traffic on Minnesota trunk highways in March was 5.7 per cent greater than pre-war traffic, according to data compiled by the state highway department's highway planning survey. The traffic volume in March, as indicated by 25 automatic photo-electric recorder stations, averaged 105.7 per cent of the March, 1941, volume at the same points. Individual stations showed traffic ranging from 82.5 to 136.3 per cent of the March, 1941 volume.

The traffic recorder stations are located at strategic points on the trunk highways in all sections of the state. Operation of the recorders, which was resumed Jan. 1. Figures previously released showed January traffic at 95.8 per cent and February traffic at 93.9 per cent of the volume in the corresponding months in 1941.

Do you know the answers?

A QUIZ BASED ON THE ANNUAL REPORT JUST ISSUED BY THE STANDARD OIL COMPANY (INDIANA)

Most of you may know little about us except that nearly everywhere you ordinarily drive your car you can roll up to a Standard Oil pump and say "Fill 'er up!" But, because what we do affects your life in so many other ways, we'd like to take you behind the scenes to see some of the things we've been doing of late. We think it might prove more interesting to do it in the form of a quiz—which won't be any great brain-twister, as the answers are directly below the questions.

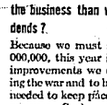
1. In how much of the United States does Standard Oil (Indiana) operate?

Like most of the rest of you, Mr. & Mrs. Mid-America, we were "born and raised" in these north central states. From them we have spread out either directly or through subsidiary companies until now we market in 40 of the 48 states. We market in 15 of these states under the Standard Oil name.

2. How does Standard of Indiana compare in size with other oil companies?

There are larger oil companies and smaller ones, but it's generally known, of course, that ours is one of the largest. It brings you high grade petroleum products, wherever and whenever you want them, takes almost limitless facilities and equipment, and the skill and experience of many people. America needs big business as well as small, so long a competition is fair. We think ours has been fair. It must have been, for there are many more small competing companies in our territory, doing very nicely, than there were earlier in our history.

3. Just how large is Standard of Indiana's business?

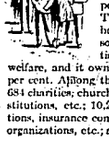


In terms of crude oil and refined products sold in 1945, it totaled 215,000,000 barrels. Transportation of this made a lot of business for pipe line men, railway men and truckers. And it provided the stock in trade for 27,765 small businessmen, the independent operators of service stations handling our products. Similarly, our payments, in connection with crude oil produced and purchased, were a source of income to thousands of land owners and independent oil producers.

4. Is Standard of Indiana active in the discovery of new oil fields?

Our search is never-ending. We have drilled wells in 19 different states. Last year, our drilling was carried on in such varied places as West Texas, the Gulf Coast, and Northwest Colorado. To those distant areas, we also extended our pipe lines to bring the crude oil to our refineries. Such operations are necessary if we are to continue to deliver gasoline in Sault Ste. Marie, Kokomo, and thousands of other towns and cities. If we hadn't operated on a big, efficient, and economical scale, you wouldn't have been able to buy that gallon of gasoline for about the price of a pack of cigarettes.

5. What was the income of Standard Oil (Indiana), and what was done with it?

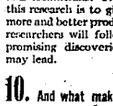


In 1945, we received for crude oil, products, etc., $627,626,612. Out of each dollar, the owners of the business—the stockholders—received only 3.7 cents. It took 57 cents of each Standard Oil (Indiana) dollar to pay for materials, transportation, and operating costs; 19.2 cents were paid to employees (including employee benefits); 15.6 cents went for taxes, depreciation and other costs; and 4.4 cents were retained for development of the business.

6. Why was more money retained in the business than was paid out in dividends?

Because we must spend about $150,000,000, this year if possible, to make improvements we couldn't make during the war and to build new equipment needed to keep price with technological progress. Such expenditures give the public better products and service, support the jobs of employees, and make investments in our business more secure.

7. How many people own Standard Oil (Indiana)?



97,166 stockholders own our $819,659,938 of net assets. No individual among them owns as much as 1 per cent of the stock. The largest stockholder is not a person, but an institution for the public welfare, and it owns between 4 and 5 per cent. Among the stockholders are 684 charities, churches, educational institutions, etc.; 10,296 other corporations, insurance companies, protective organizations, etc.; and 39,631 women.

8. How many people are in the employ of Standard Oil (Indiana) and how do they get along together?

There are 36,332 men and women employed in the various departments and subsidiaries of the company. Long-established plans for vacations with pay, sickness and disability compensation, and old-age retirement have helped stabilize our relations with employees.

We have striven for and believe we have achieved good relations and mutual understanding with our employees, both non-union and union. We have entered into contracts with 108 separate union organizations.

9. What is Standard of Indiana doing in research?

Our research expenditures last year were $3,700,000. New research laboratories, now under construction near the refinery at Whiting, Indiana, will enable us to double our present research staff there to number some 420 scientists and 800 assistants and technicians. The primary aim of this research is to give you constantly more and better products; however, our researchers will follow up their more promising discoveries wherever they may lead.

10. And what makes "the wheels go 'round"?

We continue in business to make money. The stockholders, who invest their savings in our tools and equipment, are entitled to a reasonable return. So are the employees, who do the work. We make money for many of you when we supply you energy-packed products for profitable use at little cost. The hope of profit has resulted in the production in America of more of the good things of life—for more people—than any other nation has produced at any time in history.

Our hope of benefit, for all concerned, causes us to seek new ways to serve you, to build new research laboratories, to improve our properties in your communities, and to keep in mind always that we must treat you—our customers—the way you want to be treated.

Mr. and Mrs. Nelson have decided to make Newfolden their future home so as to be near their daughters, Mrs. Kore Myhre and Mrs. Ben Ehath and their son, Alvin Nelson. We have known Mr. and Mrs. Nelson for many years. They are an asset to any community and heartily welcome them to Newfolden.

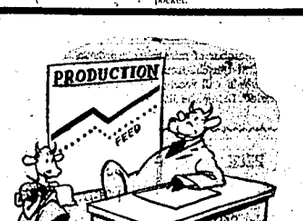
Martin Smeby purchased a new Chrysler Sedan on Saturday and left it on Sunday by taking the whole family to visit relatives at Winger.

Little Jerry Nelson, son of Mr. and Mrs. Martin E. Nelson had the misfortune to break his leg last Saturday when a heavy door fell upon him. He was taken to a hospital where the leg was set and he is reported to be doing nicely. He will have to be in the hospital for about 2 weeks and it is thought that he will be unable to walk for 3 or 4 months.

Mrs. Carl Olson was the honored guest at a surprise birthday party given by a number of local ladies and held at the home of Mrs. Carl Hanson on Friday evening. As the date was May 19 an appropriate program in Norwegian was greatly enjoyed by the ladies.

The Auxiliary held their annual Poppy Day sale here on Saturday. We have not heard the results of the sale, but judging from the amount of poppies that we saw it must have been a huge success.

Sunday visitors at the Nels Sabo home were Mrs. Sabo's brother, Norman Leader of Smiley and Mr. Sabo's brother, Harold Sabo and son Jerome of Bremerton, Washington and his parents, Mr. and Mrs. P. E. Sabo of Rosewood.



Mr. and Mrs. Nels Sabo and girls of Newfolden were luncheon guests at the latter's brothers, Mr. and Mrs. Elmer and Emery Leader at Warren on Monday afternoon.

Thinned Honey

You may stretch honey by thinning it with water. Thinned honey is excellent for sweetening fruit and cold drinks. It is well to remember, however, that thinned honey will ferment unless it is kept in the refrigerator.

BIG KEYS' KEYS IN LITTLE KEYS' POCKET

Rochester.—Mrs. Thomas Keys laid her car and other keys on a ledge while busy at a postoffice window. When she was through the keys were gone. Police were notified, and Mrs. Keys was going home for another set of keys to get the car when it was discovered that a toddling little Keys had the key to the situation in his small pocket.

A message to VETERANS OF WORLD WAR II

FACTS ON YOUR RIGHTS IN BUYING SURPLUS PROPERTY

To improve veterans' priorities in the purchase of war surpluses, Congress has amended the Surplus Property Act. So that you as a veteran may have the facts direct, the War Assets Administration is taking this means to address you.

WAR ASSETS ADMINISTRATION
WASHINGTON 25, D. C.

May 3, 1946

TO ALL VETERANS OF WORLD WAR II:

As a veteran you are anxious to get all the benefits you can from war surplus. It is our desire to give you every possible preference, under the law, in purchasing the items you want.

By amendment to the Surplus Property Act of 1944, the War Assets Administrator has been authorized to reserve certain items for exclusive sale to you. They are listed below, but in fairness, we must tell you that quantities are not large. The demand is tremendous and you may not always be able to buy exactly what you want. Every veteran, however, will have the satisfaction of knowing that all items placed on the reserve or "set-aside" list are going to veterans like himself.

Subject to availability, you may purchase these items for your personal use, as well as for your business, professional, or agricultural enterprise. You may be sure that only World War II veterans will be entitled to purchase them.

The amended Act contains a second provision that further improves your buying position for your business, professional or agricultural enterprise. For items not included in this list, only Federal agencies buying for their own use may purchase ahead of you. This gives you, for business use, an advantage over State and local governments, tax-supported institutions, certified non-veteran small business enterprises and all other potential buyers except Federal agencies. For a specified period after the Federal agencies have had an opportunity to purchase surplus, all available items which do not appear on the reserve list will be available to you to purchase for your own business.

Under the amended Act you still must be certified to purchase war surplus, as thousands have done since the original Act was passed. The certification procedure has now been simplified, as explained at the right.

The War Assets Administration will make every effort to see to it that you receive the benefits Congress intends you to have. Your patience and cooperation will aid in the difficult task we face in trying to satisfy the needs of every veteran who wants to buy surplus property.

THE ADMINISTRATOR

What is set aside for you

The property listed at right is reserved for exclusive sale to veterans of World War II. These are the items in greatest demand by veterans. Large quantities are not available. You may have to wait some time before purchases can be made. So many veterans have already purchased cars that you may not be able to make your purchase. But you may be sure that only veterans will have the opportunity to buy "set-aside" items.

HOW YOU CAN QUALIFY FOR YOUR PRIORITY

If You Are Already Certified:

Thousands of veterans of World War II have already been certified to purchase surplus items. Such certifications remain valid and may be used to purchase items for which you are certified whether the item is on your reserve or "set-aside" list or on other surplus lists. You will be notified either by mail or by public local announcement where and when to make purchases.

If you are not certified, or if you wish to change your certification to items on the "set-aside" list:

STEP 1. Take your honorable discharge from the Armed services of World War II and apply at any of the offices listed below for a veteran's certificate for the item you desire.

STEP 2. Wait for mail or local public notice that the item for which you are certified is available and may be purchased. You may be sure that you will be notified and that you do not need to call in person to check the availability of the items you wish. You will be told where and when to buy.

STEP 3. Make sure that you follow up promptly the notice of availability when it reaches you by either mail or public notice.

MARSHALL COUNTY CREAMERY PICNIC SCHEDULED JUNE 9

E. M. Evans of Middle River Named Chairman of Arrangements Group

The annual picnic of the Marshall County Creameries Picnic association will be held at Middle River State Park on Sunday, June 9, county creamery representatives decided at a recent meeting in Newfolden.

The Marshall county picnic is one of the largest creamery picnics in the state, and annually attracts upwards of 5,000 persons to the event.

E. M. Evans, Middle River, was reelected chairman of the picnic association at the Newfolden meeting with Otto Hjelle of Newfolden as vice-chairman and Walter Larson of Holt as secretary-treasurer. Committees for the event will be announced later.

The committee in charge is already in contact with several notable speakers to address the large gathering while other program numbers are also in the planning stage at the present time.

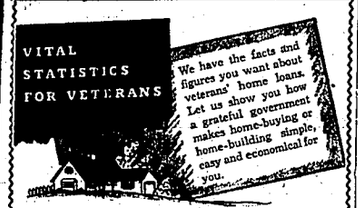
NEW FLAX SUBSIDY FAVORS GOOD LAND

Flax Institute Cites Benefits of Program

More northwest farmers have given better land to flax this spring than ever before largely due to the government's new subsidy on bushels raised, according to a survey made by E. J Mitchell, secretary of the Flax Institute of the United States.



"All other things equal", said Mitchell, *"this sowing of flax on better land should result in larger yields than last year."*

The government last year paid a subsidy for acres of flax seeded rather than bushels raised. Mitchell expressed a belief that the flax incentive program for 1946 has been instrumental in advancing better flax cultural practices and concern on the part of farmers in making flax a high productive crop.

The 1946 government flax subsidy, a production plan paying a premium for bushels raised, guarantees a price of $3.60 per bushel, f.o. b. Minneapolis. The premium will be paid through field service branches of the P. M. A. (formerly AAA) upon presentation of sales receipts or other acceptable evidence

EGGS, LEMONS, AND BULLS GET INTO NEWS

Here and There—At Brooklyn Center, near Minneapolis, there's a three-year-old Hereford bull that weighs only 245 pounds when the experts say he should be up around 1200; he is normal and of correct proportions, but just a midget. At Staples a White Rock hen produced a "snow man" egg, one large and one small egg joined together like the head and body of a snowman, each perfect except rather soft-shelled. And at Sauk Rapids the Herald displays a lemon tree bearing a full grown lemon, the second time this potted plant has produced fruit.

70 Times As Fast

American shipbuilding yards in 1943 produced at a rate 70 times above their prewar output. At this rate, says the Shipbuilders council of America, the world's merchant tonnage could be replaced in the space of four years.

The Wisdom of
PAYING BILLS
by CHECK

It's wise to pay your bills by check. Such procedure gives you safety and convenience . . . an accurate record of your income and expenditures.

There's no need to worry either about paying some bill twice. Your cancelled checks furnish you with valid receipts for each transaction.

Big Enrollment Seen at U. of M. Summer Session

The big enrollment of veterans at the University of Minnesota may raise this year's summer session attendance to second place among American universities, summer session officials foresaw at its opening approached. Columbia University has for many years conducted the largest among summer sessions.
Most of the 8,000 veterans who are in college are expected to remain during the summer terms, both because they are eager to complete their studies and because they receive federal aid only while actually attending. The latter circumstance makes attendance practically compulsory for most of these students.
First term registration will come on Monday and Tuesday, June 17 and 18, three days after the June commencement. The term will run through July 27th. Second summer session registration will be on July 29, Monday.

RAIL STRIKE I BROUGHT TO A END SATURDA

Trains Resume Their Schedules as 2-day Strike Comes to End

The threat of a lengthy continuance of the nation-wide railroad strike which got under way last Thursday afternoon at 4 o'clock was ended Saturday afternoon when leaders of the brotherhoods of railway trainmen and locomotive engineers capitulated to the demand of President Harry S. Truman that the strike be ended.

The principal effects of the short-lived strike, so far as the Thief River Falls community was concerned, was that the regular Soo Line and Great Northern freight and passenger schedules were brought to a halt Thursday afternoon. Friday night, however, Trains 109 and 110 operated with emergency crews, so that two days accumulation of mail from the Twin cities reached here Saturday morning. Philip Bryant, superintendent of the Winnipeg division of the Soo Line reported that service was back to normal on Monday.

The crippling rail strike was settled Saturday as President Truman asked a cheering congress for emergency legislation to prevent strikes affecting the national economy. The house immediately passed the President's proposals by a 306 to 13 vote.

In the senate, the emergency bill was referred to the interstate commerce committee, which speedily unanimously approved the legislation, but with slight amendments. Senate leaders said they would try to get unanimous consent to take up the bill at once, but there was considerable doubt it would be granted. The upper chamber was continuing its consideration of the Case bill.

Word of the settlement reached the President, by a dramatic coincidence, while the legislators were vigorously applauding his proposal for authority to draft strikers against the government into the armed forces.

The settlement terms were those rejected by A. F. Whitney and Alvanley Johnston, brotherhood chieftains, when President Truman persuaded 18 other brotherhoods and railroad management to accept them Wednesday night.

They call for a wage increase of 16 cents an hour, retroactive to January 1, and 2½ cents an hour effective May 22. The trainmen and engineers waive their demands for rule changes, including seven recommended by an emergency fact-finding board, for one year.

A. F. Whitney, a leader in the short-lived railroad strike, declared bitterly Sunday his trainmen's brotherhood will spend all its $47,000,000 treasury balance if necessary to defeat President Truman for re-election.

Whitney told a reporter Mr. Truman's handling of the railroad strike cost him the support of labor politically and "Truman never will be president again after 1948."

"It's a political accident anyway and a one-termer," Whitney said. "He never would have become president of Franklin Roosevelt hadn't died."

Whitney said he had a sheaf of telegrams from CIO and AFL leaders denouncing the President's action of using the seizure weapon to break a valid strike."

Mrs. Gustaf Erickson Passes on Thursday; Rites Held Yesterday

Rev. J. O. Jacobsen conducted rites Wednesday afternoon in the Gulbranson funeral chapel for Mrs. Gustaf Erickson, who passed away at her home at 308 Tindolph Ave. S. Thursday, May 23. The body was laid to rest in the Holt cemetery.

The deceased, who was 81 years old, is survived by her husband, Gustaf Erickson; three *daughters*, Ella Erickson and Mrs. Edwin Adolphson, of this city and Mrs. Lyda Olson of New York, one grandson, Oscar in the navy; and a brother Christ Megrund of Banks, N. Dak. Her parents, four daughters, one son, and two sisters preceded her in death.

Born in Gulbrandsdalen, Norway, Sept. 6, 1864, Mrs. Erickson came at the age of 20 to the United States and resided with her uncle at Parkers Prairie. Later she moved to Belgrade, then to Grygla, and to this city where she was married Nov. 23, 1892. She and her husband moved to a homestead south of Holt and in 1902 established their residence in Canada. Mrs. Erickson's last 20 years were spent in this city.

Rites in Valle Church Tuesday Afternoon for Mrs. Allete Freitag

Mrs. Allete Marie Freitag, age 61, passed away Wednesday of last week at the home of her daughter, Mrs. Oscar Sletten in Grygla. Funeral services were held Tuesday afternoon in the Valle church with Rev. G. L. Halmrast officiating. Interment was made at Betheada cemetery.

Mrs. Freitag, who was born in Norway Oct. 1, 1884, came to this country at the age of 17. She made her home at Shelly in 1902, later moving to Grygla where she resided with her brother. She was married to Fred Freitag of this city March 14, 1907, and following her marriage took residence on her husband's homestead. She was a member of the Valle congregation and has been active in its ladies aid.

Left to mourn are one son Franklin of Minneapolis; a daughter, Mrs. Oscar Sletten of Grygla; six grandchildren and a brother in Norway. Her husband, parents, one son, and three brothers preceded her in death.

Mrs. Paul Furuseth Is Feted Several Times

A shower honoring Mrs. Paul Furuseth, nee Iris Ayers, whose marriage was a recent event, was held at the Ernest Melvie home at Viking Friday evening. The evening was spent socially and an informal singing. Mr. and Mrs. Furuseth were required to search about the house for their hidden gifts using scrambled words for their clues. Lunch was served by the guests and Mrs. Melvie. The honored couple and the bride's mother, Mrs. Sadie Ayers, were seated at a table graced by individual candles and a shower umbrella.

An earlier shower for Mrs. Furuseth was held at the Walter Peterson home in this city, hostesses being Mrs. Peterson, Mrs. Clara Jorgenson, and Mrs. Willard Stromberg. Many gifts were presented Mrs. Furuseth by the thirty guests.

Mrs. Furuseth was also honored at a party given by teachers of the Knox school, at which time she was presented with a wool blanket.

MAYBE A CALENDAR WOULD SERVE AS WELL

Harmony—Watchmakers around Trondhjem, Norway, couldn't promise timepiece repairs for Mrs. Krog Sandgrind for at least two years. She sent the watch to her husband here to be fixed and sent back. The Sandgrinds have been separated since the war, when she and the children went to Norway for a visit and have since been unable to return.

Legion School Patrol Camp June 9th to 16th

Boys from throughout Minnesota will congregate at Camp Ripley, north of Little Falls, June 9 through 16, as members of Legionville School Patrol Camp, sponsored by the Minnesota Department of the American Legion.

Guests of Legion posts and other organizations in their home communities, the youngsters, besides being privileged to take part in various recreational activities, will receive instruction in safety, Americanism, and a number of other subjects.

The camp, which in former years has been a feature of the American Legion program, is resuming its activity after lying dormant during the war years.

News of R. R. Valley Home for the Aged

(Crowded out last week)

We have sympathized with our Grandma Spiess and Mr. and Mrs. Harvey McMahon in the loss of their little son and grandson. We glad to have Mr. and Mrs. Bob Hircerd and Ronnie stop in to see us as they drove up from Iowa for the funeral. Mrs. Spiess was real ill for a couple of days, but is better and around as usual again.

Oscar Hovelson drove up to Grimbush last week with Thorwald Jacobson who moved home for the summer months. His brother-in-law, Erick Griwi is living with him.

Our many mothers were real happy with their cards, letters, and gifts sent them for Mother's Day. Mrs. Scotland was the only mother receiving a plant this year, but she left it down stairs for several days so everyone enjoyed it.

We have had many callers the past two weeks in spite of the damp cold weather. Among the number were Hans Peterson, Mrs. Mary Berg, Mrs. Sannes, Carrie Boe, Mrs. John Sundt, Mrs. Ida Anderson, of this city and Miss Edith Styrlund of Viking and Mrs. Halvor Riedahl of Odessa.

Mrs. George Anderson, a niece of Mrs. Sevalson, came with her family from Grand Forks on Mother's Day to visit her aunt and to bring her a lovely bouquet and other gifts.

Rev. and Mrs. Rudolph Larson from Alvarado, drove over last Wednesday with Mr. and Mrs. Nels Backstrom and little granddaughter Kathleen. Mrs. Backstrom will take over the position as cook Jane first when Mrs. John Paulson leaves for Minneapolis.

We were fortunate to obtain Mrs. Backstrom at this time, but we are still looking for a lady to take over the work on second floor when Lorraine Moe leaves on June 1st to teach Bible school in various places in the Red River valley, together with Gloria Ulahafer, also a graduate of Trinity Seminary in Minneapolis.

Mrs. Augusta Carlson, who lived with us a few weeks left last week to go to Viking to live, and her room is now occupied by Mrs. Regina Mortue, who moved in Saturday morning. We are glad to welcome her here.

Evangelist Joseph Erickson stopped in to greet us, on his way to Grygla for special meetings. He invited any of us who had the opportunity to come to the services. Severt Grothe accompanied Rev. Silas Erickson a few days later to Greenbush, Middle River, Gatzke and Grygla where they took in and enjoyed the services very much.

Peter Gulbranson celebrated his 91st birthday on May 16th and had as his guests Rev. and Mrs. Stegerhoe of Erskine, and Mrs. M. C. Gulbranson, Mrs. John Sundt and Mrs. Emma Hlinsmon of this city. Mrs. Gulbranson served a birthday lunch for Mr. Gulbranson Sr. and these friends and also his room mates and Mrs. Northome. On Sunday his daughter Mrs. Gust Bradley came with another birthday cake and served to the honor guests and his immediate friends. Mr. Gulbranson also treated us all to ice cream on his birthday, so we all especially enjoyed this event. Although, he has been ailing and very poorly much of the time after Christmas, he is gaining and doing very well at the present time.

Carl Lindholm from east of town called on his uncle Carl Edman who celebrated his 80th birthday on May 10th. Mr. Lindholm brought the birthday cake, which Mr. Edman enjoyed and shared with the other tray patients on first and second floor. Although very hard of hearing, Mr. Edman is glad to be able to be up and around on second floor.

We were happy to have Rev. and Mrs. J. O. Jacobson bring Rev. and Mrs. Bery Johnson from Chicago here for an afternoon service on Thursday. The ladies sang and Rev. Johnson brought a very good message about the Home the Lord has gone to prepare for us.

Mr. and Mrs. Clarence Gnat and little son of Argyle visited with her uncle John A. Hanson on Friday, and also with other relatives here and at Newfolden.

Mr. and Mrs. Ernest Ostenson and Donnie from McIntosh came to visit with grandpa Kleven on Sunday. It is nice to have friends come to especially visit and bring cheer to our older folks.

Mrs. Gilbert Moe and daughter Lorraine spent the weekend in Bemidji with Mr. Moe and other relatives there. They had a heavy rain on Sunday and also on Monday.

We are very thankful to the ladies of the Mission Circle of the Ev. Free Church for the surplus food given to us, and also to the Trinity Ladies' Aid for the useful articles they brought over.

Rev. Silas Erickson brought us a gift in memory of Mrs. Henry Ose and given by the Neversends, Albert and Lena Molstad, Carl Olson and Henry Knutson all of Thief River Falls. Thank you all so much.

To thousands of homes Memorial Day brings memories of a great personal tragedy. To us as a nation this day reminds us of the sacrifices that have been made in order that we might be a free people. On this Memorial Day we are not merely looking back. On this Memorial Day, as we pause in memory of those who died in order that our nation might live, we are apprehensive of what lies before us. We are not sure that this nation, for which many have died, will continue to live. We are fearful that we may have one more war, the last war for civilization as we know it. The one *encouraging thing is that the awful* consequences of another war are generally recognized. This realization may save us. It may enable us to overcome the forces of prejudice and hatred and greed that are the cause of all wars. It may enable us to set up the machinery of world government that will control and subdue these forces. It may enable us to act wisely. That seems to be our one and only hope.

Trains are running again after a short interruption in service, and that is something to feel good about, but we still don't know whether or not we are going to have coal, and that is not so good. As a matter of fact the prospect for production is anything but bright. It is reported from Washington that 1,700 strikes are scheduled thruout the country for the next few weeks. Not many of them are of national importance but in the aggregate they are a serious problem and definitely will retard reconversion. In the meantime prices continue to climb and the dollar continues to lose value. Unless we very soon face a bad condition realistically we not only will lose our bundles of dollars but also some of those four freedoms we heard so much talk about us while back. Better we brace ourselves for a rough jolt. That star we hitched our wagon to is headed for a lot of trouble.

In spite of all the things that are discouraging, it is good to be alive. Fortunately we live in a world that is always young—a world that somehow survives. Little trace now of the record breaking frost that nipped a lot of buds a couple of weeks ago—and a lot of hopes. Now our world is green again and prospects for a bountiful harvest are bright. This week our education mills turn out another year's production of young people—capable young people who are ambitious and hopeful, and not afraid of the future. As individuals we grow old and cynical. Constant replacements keep the average down however. It is good to be alive.

A major face-lifting operation on the business section of our city got under way this week, an operation that will very much improve the appearance of the corner of LaBree at Third. This improvement is going to be especially interesting because it apparently is going to be done behind closed doors. We are not going to be permitted to watch the progress of the work from day to day and will not see the result until the curtain is pulled aside some time next fall. That gives us something cheerful to look forward to.

In Memoriam

A little while and then we'll understand,
Just why it was that grim death's try hand,
Clasped in its cold embrace the man we loved,
Took him from our midst the one whom we had proved,
Turned joy to sorrow, wrung our hearts with pain,
And caused the tears of bitterness to fall like rain,
Oh well: Life's hour glass shows the fleeting sand,
A little while and then we'll understand.

In memory of our dear husband and father, C. O. Saastad.—Mrs. Mary Saastad and children. 22c

In Memoriam

To the memory of our beloved husband and father, Knut G. Sordal, who left us January 12, 1946. Lost in peace, our dearest one,
We know we're not alone,
Your love will ever lead us;
Wherever we may roam.
Altho the days are very long,
And every nite is drear,
We know you're watching o'er us,
And always feel you're near.
Mrs. Tilda Sordal and children. 22c

PROWLERS WIN 2D IN REGION TRACK EVENT AT BEMIDJI

Park Rapids Places 1st in Meet with 37 points; Thief River Falls 30

Scoring heavily in the field events, Park Rapids won the eighth regional track and field championship in the meet held at Bemidji on Saturday, tallying 37 points. The Prowlers, with a fine performance in the running events, pressed Park Rapids for the regional honors, coming up with 30 points. Bemidji earned third place in the team standings with 17½ points, while Roseau, largely through the efforts of Luther Heglund, scored 17 points for fourth place.

The Prowlers' Les Vigness was the tournament's high point performer, with Les scoring firsts in the 100 and 200-yard dash events, a fourth in the discus, and running a leg on the relay team to mark up 14½ points. Park Rapids' Don Edam and Roseau's Hegland trailed Vigness, having 14 points each.

Two new regional records were established, with Bemidji's Kembitsek running the mile in 4:51.2 to break the mark set by Ada's Lowell Storms last year; and Twin Valley's Albertson ran the 880-yard run in 2:02.2, to break the mark recorded by the Prowlers' Don Olson in 1942.

The following are the team point totals: Park Rapids, 37; Thief River Falls, 30; Bemidji, 17½; Roseau, 17; Erskine, 16; Mahnomen, 15; Waubun, 9; Twin Valley, 8; East Grand Forks, 8; Crookston, 7; Fertile, 6; Blaudette, 6; Ada, 6; Mentor, 4½; Warroad, 4; Walker, 3; Remer, 2.

Safety Council Cites Rules to be Observed When Using a Boat

When fundamental boat safety rules are forgotten, tragedy results. Three such circumstances have been reported in the public press in the last few weeks. Constant vigilance when using watercraft cannot be overly emphasized, warns Stafford King, chairman of the water and hunting safety section of the Minnesota Safety Council.

King listed five cardinal rules for safety when using water craft:

1. Don't overload a boat.
2. Never stand up or change seats in a boat.
3. Stay with the boat. If the boat overturns, cling to it until help arrives.
4. Always row toward shore at the first sign of a storm.
5. Take advice of the man from whom you rent a boat. He knows hazards and conditions.

LEGION JUNIORS SCORE 32-3 WIN

Greenbush Here for Return Game May 30

The Legion's junior baseball team opened their season with a spectacular display of scoring power on Saturday afternoon to swamp the Greenbush junior team, 32 to 3, in a game played at Greenbush. This afternoon, Decoration Day, the Greenbush team will play a return game with the locals on the Fair Grounds diamond.

Saturday afternoon's game was decided in the last inning, with the locals trotting across the plate for nine runs. Four bases on balls, a hit batsman, an error, singles by Gothe, LaSalle, Ass, and Davidson a double by Hyiden, and a triple by Bob Amundson, accounted for the locals opening frame duns.

Coach Jimmy Wolton gave Derwood "Swede" Lund the pitching duties for the juniors, and the blond came through with a one-hit game, giving a single to Mortrud in the 4th inning. Swede, pitching to Larry Hyiden, struck out ten batters in the six-inning game.

In addition to playing Greenbush this afternoon, the locals, this week, will play Coach "Bun" Fortier's Bemidji nine on Sunday, June 2nd, and the Roseau juniors here on June 4th, at 6:30 p. m.

Four Men Fined after Fight Late Friday Night; Beer License Is Revoked

As a result of a fight reported by local police as having started in Olson's Cafe on Main Av. at midnight Friday and continued on the street outside, four men were fined from $10 to $100 each in municipal court after being found guilty of fighting, while a fifth, Elmer Loven, was found not guilty. Those fined include George and Melvin Olson, Arnold Meyers and Ben Garthus. Following the fracas the city council revoked the 3.2 beer license held by Olson's Cafe and the action was sustained at a hearing held by the council Tuesday morning.

QEN'S TEAM WINS SOFTBALL OPENER

Overwhelm Bridgeman Team 22 to 3 Tuesday

The first week's play in the city softball league found only one game being played, and in that contest the "dark horse" Oen's team swamped Bridgeman's, 22 to 3. The game slated for Tuesday night, between the Hartz and Bjorkman's nine was postponed because of the unplayable condition of the diamond. On Friday night, under the lights, the Poppler's Furniture team will meet Heinie Waag's V. F. W. nine in an important game.

In rolling up their convincing win on Monday the Oen's team rapped out twenty three hits and served notice that they will be one of the circuit's strongest teams. Harlan Olson's right-field home run, with three men on base, started the scoring merry-go-round. Gordy Reierson's team added five runs in the 3rd inning, ten tallies in the 5th frame and three scores in the 6th inig. Meanwhile Milt Reierson, on the mound for the Oen's, was tossing no-hit and shut-out ball until the 4th inning when Ernie Hellquist punched out a single, and in the 5th inning, on an error ed Johnny Powell's triple, Bridgeman's marked up their first score. Milt allowed five hits and collected fourteen strikeouts.

The soft ball schedule:

May 31st, V. F. W. vs. Poppler's.
June 3rd, Bjorkman's vs. Poppler's.
June 4th, Oen's vs. Hartz.
June 7th V. F. W. vs. Bridgeman's.
June 10th, Oen's vs. Bjorkman's.
June 11th, Hartz vs. V. F. W.
June 14th, Poppler's vs. Bridgeman's.
June 17th, Oen's vs. V. F. W.
June 18th, Poppler's vs. Hartz.
June 21st, Bjorkman's vs. Bridgeman's.
June 24th, Poppler's vs. Oen's.
June 25th, Bridgeman's vs. Hartz.
June 28th, Bjorkman's vs. V. F. W.

Bemidji Airport to be Dedicated June 1 and 2

With an estimated fifty million dollars worth of airplanes and equipment scheduled for participation, the dedication of Bemidji airport June 1st and 2nd promises to be the most outstanding airshow ever held in the northwest.

The twenty-six navy planes include Hellcats, Corsairs, Helldivers, torpedo bombers, a Ventura and an amphibious Catalina. The twenty-one army planes include fighters, bombers, a super-fortress, three jet planes and a helicopter.

The tentative program starts at 9 o'clock on Saturday with a model plane exhibit. The navy planes start landing at 10:30 at twenty minute intervals providing an opportunity to maneuver over the city and the port. The army is expected to land its planes between one and three.

Keeping Score

.... with BUCK OLSON

A Job Well Done.

That thirty points that the Prowlers scored in the regional meet at Bemidji on Saturday, and which was only seven points shy of the Park Rapids first place point total, was the result of a job well done by Coach Quentin Jones and his Prowler trackmen. According to Jones, a bit more strength in the field events and the Prowlers would have provided an upset by taking the regional team title.

And don't think that Jones is going to "rest" on the second place finish, for he is already mapping his plans for next year. It appears that the Prowlers are going to be potent enough next season to furnish their district, conference, and regional competitors with plenty of opposition. Experienced boys returning to Jones' squad will be Les Vigness, the regional sprint champion, hurdler and pole vaulter John Hanson, quarter-miler Dick Davidson, half-miler Don Engelstad, and the freshmen high jumpers and pole vaulters, Al Williamson and Morris Higinbotham.

They Talk a Good Game.

Except for the Oen's vs. Bridgeman's game, in which Oen's made their bats do the talking, the soft-ball league has been mostly all talk. But the league officials maintain that with the lights in operation, and the diamond in playing condition, the league will begin to function smoothly.

On the stuff that they revealed in scoring that 22 to 3 win over Ernie Hellquist's Bridgeman's team, the Oen's nine is going to be one of the "powers" in the league. Milt Reierson turned in a neat pitching job, and the rest of the boys looked like hitters. At that the Oen's team didn't have Woody Almquist in the lineup, for the long-ball hitter was busy and could not get into town for the game. Woody will be on hand when the Oen's meet the Vets and Poppler's, though.

The Vets had a re-organization meeting last week, and the result was that Heinie Waag was appointed manager. That, of course, scrambles all the pre-season predictions, for with Heinie at the helm you'll never be able to tell what the Vets will do. Heinie stated that the only instructions he'll have go give his boys is to tell them to be sure to tag all the bases when they are running out their triples and homeruns. And he added that the Vets score book will look like a grape arbor, for the scores are going to hang like clusters. Well, anyway, in Heinie the Vets have a manager that will be the league's most colorful, and one of the noisiest, too.

Trout, Wall-eyes, and Jacks.

That's the string of fish that those anglers who fished at Wine lake, northeast of Kenora, brought back on Saturday. Frank Rinkel, Heimer Baumann, Oscar Cerney, Bob Petersen, Walt Jung, and Orvis Oien left here on the 18th, motored to Kenora, via Winnipeg, and then boarded pontoon-equipped planes for an hour and ten-minute flight into Wine lake. The lake trout fishing in Wine lake was very slow, and it appeared that the party would not fill their limit, but on Friday the guides directed the party into Ishinabi lake, and there the trout were in a striking mood. Walt Jung proved to Friday's premier fisherman, catching ten trout.

Previous to Friday's fishing, Oscar Cerny, the fellow who had to borrow a sinker, and who had only two small baits in his tackle kit, had been winning the first fish, the biggest fish, and the most fish, pools. Oscar's phenomenal luck in catching fish caused the party's "professional fishermen" to grumble and make comments about tying Oscar to a rock and leave him out for bear bait.

The biggest fish caught on the trip was a northern pike—they are called Jack fish up there—that Frank Rinkel managed to hook and land, but only after a tussle that nearly pulled Frank into the creek.

Junior Ball Games This Week.

Don't forget that the city's junior baseball team will engage in three home games this week. This afternoon they meet the Greenbush team; on June 2nd they meet Coach Bun Fortier's Bemidji nine; and on June 4th they play Roseau.

Golfers to Share in Flag Tourney Friday

A flag tournament, with handicap, will be played over the local course on Friday evening. Last was a nine-hole medal-play affair, won by Ed Karwand, who scored a 34 net, and Chris Rinkel, who won runner-up honors with a 35 net.

The committee announces an invitational tourney will be held here on June 9th. A first prize, a $25.00 war bond will be donated by the Union State Bank, and merchandise awards will be given the other winners. The annual Short-stop tournament has been scheduled for August.

Thomas Adams began the production of chewing gum from chicle in 1860 on a total investment, it is said, of $65.

HOSPITAL SURVEY NOW BEING MADE

Hospitals and Public Urged to Cooperate

Hospitals and the public were urged today by Dr. William A. O'Brien, chairman of the council on public education of the Minnesota Hospital association, to cooperate to the fullest extent with the state survey now being made to determine present hospital and medical facilities.

Dr. O'Brien also urged all hospital superintendents to attend the sectional meetings which will be held in May and now being planned by Dr. Viktor Wilson of the State Department of Health, who heads the survey, and Ray M. Amberg of University Hospital, who is chairman of the State Hospital and Planning committee appointed by Governor Thye.

"For the first time in our history," remarked Dr. O'Brien, "Minnesota and the entire nation is taking complete stock of all its medical and hospital facilities so that future patients of all kinds can be supplied with the exact type of care they need."

Minnesota is making a hospital survey to ascertain the number and types of hospitals we now have, the number and kinds of patients the institutions care for, and to gather information on the quality of service given, the number and training of persons serving in hospital staffs, the equipment used in the hospitals, and the areas they serve, he said.

"Furthermore, social and economic factors in each community will be studied to help us determine the need for more facilities," Dr. O'Brien went on.

For the last 50 years the center of population in the United States has been placed at some point in Indiana.

The Veterans Administration office servicing this area, with headquarters in Thief River Falls, has added to its staff Stanley W. Nelson, formerly with the Farm Security Administration in this area.

Mr. Nelson is a graduat of the University of Minnesota, and was associated with vocational rehabilitation work prior to his entry into the army. Mr. Nelson is in charge of the rehabilitation section the main purpose of which is to service the disabled veteran in procuring of his training and educational benefits.

Mr. Nelson's services will be available to the local superintendents of schools and county service officers, and he will assist wherever possible to aid the veteran in procuring his training rights under the laws administered by the Veterans Administration.

The Thief River Falls office will service the following counties: Lake of the Woods, Kittson, Marshall, Pennington, Red Lake, Polk and Norman.

Assisting Mr. Nelson will be Mrs. Marjorie Kiland, formerly with the United States Employment Service.

The United States produced 15,717,171 tons of salt in 1944.

STATE REPORTS ON DRIVER LICENSES

Four Suspended in Pennington in April

Licnses of four Pennington county drivers were suspended in April according to figures released by the Minnesota highway department. Lists containing names of drivers whose licenses have been revoked or suspended are furnished each month to all sheriffs and city police departments and are open to public inspection.

For the entire state April revocations totaled 231, compared to 184 in the same month last year. April revocations included 205 following conviction for driving while under influence of intoxicants, 14 committed as inebriates, 8 hit-run drivers, 3 repeated speeding and 3 driving stolen cars.

License of 726 drivers were suspended under provisions of the 1945 safety responsibility act, due to failure to furnish proof of ability to settle claims resulting from accidents. There were 391 reinstatements, following filing of releases, deposits of security or other evidence of ability to settle claims.

There were 207 suspensions for other causes, or 51 less than in the same month last year. Causes of suspensions included 46 for speeding, 71 failure to continue filing proof of financial responsibility, 25 careless driving, 16 ignoring signs and signals and 13 driving stolen cars.

NEWFOLDEN

Miss Winnifred Larson, daughter of Mr. and Mrs. Clarence Larson of Battle Lake, became the bride of Irvin L. Tvedt of Newfolden in a ceremony read at the Larson home on Sunday, May 12. Rev. Grant V. Sorenson read the double ring ceremony at 4 p. m. Mrs. Sorenson sang "O Perfect Love" and music.

The bride wore a gray herringbone suit with white accessories. Her flowers were red roses. Mrs. Clarence A. Larson, Jr., was matron of honor and wore a navy blue gown. Clarence Larson, brother of the bride was best man.

After the wedding a reception was given for members of the bridal party and the immediate family. Decorations were apple blossoms roses and white tapers. The four-tiered wedding cake was made by the bride's mother and sister-in-law.

Mrs. Tvedt is a graduate of the Battle Lake high school and Concordia college, and is a member of the high school faculty at Newfolden. Mr. Tvedt was recently discharged from the artillery with the rank of captain. He is manager of the Ladd O'Lakes Produce Store at Newfolden. They will be at home in Newfolden after June 15. Fergus Falls Daily Journal.

Mr. and Mrs. Tvedt will leave on Thursday on a honeymoon and will be at home about June 15, in the residence formerly occupied by the Oscar Sorenson family. Many friends of the popular young couple join us in wishing them a long and happy wedded life.

Ellas Haarstad, pioneer Marsh Grove farmer, passed away at his home eight miles west of town, on Sunday night, after ailing for several years. Funeral services were held from Bethania church on Wednesday afternoon, May 29. A complete obituary will be published next week.

Corporal Gale Edeen arrived here on Saturday to spend a furlough with his parents, Mr. and Mrs. Fritz Edeen. Corporal Edeen is stationed at Fort Missoula, Montana.

A large crowd attended the concert given here by the Oak Grove Choir on Sunday evening.

S. E. Sinnestad and Chester Tandberg have been busy for the past week remodeling the interior of the Newfolden Mercantile Store. The floor plan of the grocery and hardware departments of the store have been entirely changed and when the work is completed the store will have a much nicer appearance will have more display space and will be much handier to work in.

Accompanied by Mr. and Mrs. Jimmie Bennet and baby, and hauling the Bennet's house trailor, Mr. and Mrs. Louis Farstad made a trip to Atwood, Kansas last week. The Bennets left from Atwood for Oklahoma, where Mr. Bennet has accepted a job on a combine. Starting this week in Oklahoma the Bennets will follow the harvest clear up into the Red River Valley. Mrs. Bennet and baby will accompany Mr. Bennet on this long trip and will live in a neat trailer house that they purchased for the purpose.

After spending a 60 day furlough with his parents, Mr. and Mrs. Carl Magnuson left on Sunday night to rejoin his regiment in the army. Kermit has reenlisted in the army for 18 months. He is stationed in Korea.

Mrs. J. Winjum and daughter, Dianne, of Thief River Falls, accompanied by Mrs. B. K. Selthre, of this place, spent the week-end with relatives in Pelican Rapids.

Oscar Hanson and William Finnestad made a business trip to Crookston on Monday.

Henry Schultz and Herman Schauer of Janesille, Wisc. are spending a few days with Bob Lannoye. During their visit they and Bob made a couple of fishing trips with good results.

Harold Haaseth accompanied Ralph Erickeons of Warren on a weekend trip to Bemidji. They were guests at the John Beader Jr. home.

School election for Dist. No. 49 was held in the high school building on Tuesday evening, May 21. Votes cast were 55, with Alfred Johnson and Harey Dyrud being re-elected as members of the school board for a term of three years.

Kidneys a Filter

The purpose of the kidneys is to remove from the blood the end-products from protein digestion, excess salt or sugar, and other wastes. The kidneys are a kind of living filter. They are marvelously selective in their action, taking only the right amount of the right wastes—unless they become damaged.

Presidential Flag

The first presidential flag was adopted in 1863, under direction of Gideon Welles, then secretary of the navy. The navy regulations issued in 1885 provided that the national ensign should be the President's flag when displayed at the mainmast.

$6,000 Prizes Offered to Drum Corps and Bands at State Legion Meet

Drum corps and bands taking part in the state convention of the American Legion at St. Cloud August 10 through 14 will find approximately $6,000 in prize money awaiting them, Joseph LeVine, St. Paul, department Legion musical activities chairman, has revealed.

It is expected that at least 30 musical organizations from all parts of the state will be on hand for the event, Mr. LeVine said, to help add the color and excitement that was the prime feature of pre-war conventions.

Housing will be a problem, however, he warned. Organizations expecting to make the trip were urged to get in touch with George J. Paul, Legion convention housing chairman, St. Cloud, without delay to make arrangements.

The United States adopted the budget system in the year 1921.

Vitamin C in Cabbage

Tests at several state experiment stations show that cooked cabbage, held over hot water an hour to keep it warm for serving, loses 70 to 80 per cent of the vitamin C it had when freshly cooked, and in two hours loses 90 per cent. Freshly cooked cabbage contains only about half the vitamin C of raw cabbage. Cooked cabbage held in the refrigerator two or three days and then reheated does not lose as much C as that kept standing on the stove for an hour or two.

WOMEN'S CAMP TO START JUNE 10TH AT N. W. SCHOOL

20th Annual Event to Be Resumed after the Lapse of One Year

An excellent program has been arranged for the twentieth annual Women's Camp at the Northwest School, Crookston, which opens for registration on the afternoon of June 10 continues through June 13.

The regular camp program has been resumed after a one- year lapse due to governmental travel restrictions.

Three outstanding demonstrators have been secured for special work during the camp in addition to the regular Northwest School staff.

Miss Ruby Christenson, home economist from the Russell-Miller Milling company of Minneapolis will be present for two days to demonstrate the use of the new flours in home baking.

Miss Bess Rowe, women's editor of the Farmer magazine, St. Paul, will be present or one day to discuss new ideas in kitchen planning. The North Dakota extension service is loaning Miss Ruth Dawson for one day to discuss the latest information in farm freezer units and freezing foods.

The repair and reupholstering of furniture by A. M. Foker will also be a feature of the lecture-demonstration program. Handicraft work this year will consist of woodworking, greenhouse propagation of plants, poultry projects, and household arts.

Problems of rural health will be discussed by Dr. P. T. Watson of the state department of health. The open forum on "Short Cuts to Homemaking," which proved so popular at the last Women's Camp meeting, will be the closing features of the Thursday program.

Music groups from Crookston and feature films will contribute to the entertainment of camp members.

Officers of the Women's Camp are Mrs. Walter Oberg of Angus, president; Mrs. Ray F. Thibodo of Stephen, vice-president; Miss Ragna Skarstad of East Grand Forks, secretary; Mrs. Emil Larson of Thief River Falls, treasurer; Mrs. J. C. Hallgrimson of Milton, N.D., sergeant-at-arms.

Attacks Youth

Appendicitis occurs mainly in adults under 30—and both sexes are equally liable to attack.

QUEEN OF BRITAIN'S MERCHANT NAVY . . . Wearing her royal robes, Patricia Forrest is presented to her admiring subjects after she had been crowned "Queen of the Merchant Navy," as the high spot of merchant navy week in London. The mayor of Westminster is presenting her majesty. Prior to the war the British merchant navy was the largest afloat. War production of ships now has placed the U. S. A. in first place.

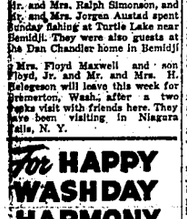
Painting New Lumber



Knots and other pitchy spots in new lumber should be coated with shellac or aluminum paint, which should be allowed to dry thoroughly before applying the priming coat of paint. If much pitch is present it should be removed as thoroughly as possible by heating it, causing it to exude, then scraping it off.

MEMORIAL DA... RITES ATTRA... BIG AUDIENC...

Impressive Parade Precedes Exercises in the Elks Park

Residents of the Thief River Falls community halted their accustomed activities last Thursday to pay reverent Memorial Day tribute to those who gave their lives in the service of their country, and to others who have passed beyond.

Included in the line of march on an impressive procession that made its way from the Auditorium to the Elks park, scene of the exercises, were the color guard, marine corps unit, Lincoln high school band, veterans of World Wars I and II, Gold Star parents, Girl Scouts and Brownies and a delegation of Elks bearing a huge American flag. G. E. Ahre served as marshal of the parade.

With pleasant weather prevailing, a large gathering assembled for the exercises in the beautiful setting afforded by the park, with a bank of white crosses decorated with flags and poppies for a background.

The program over which Kern M. Olson presided, opened with the playing of "America" by the band, followed by the invocation by Rev. D. T. Beadle and a selection by the high school boys octet.

O. J. Jerde of St. Cloud teachers college paid tribute to the fallen heroes of past wars. He declared that the American people, following the chaos resulting from the past two wars, now have an economic battle to fight in addition to a moral war. He closed by repeating the advice of Abraham Lincoln: "With malice toward none, with charity toward all, let us bind up the nation's wounds."

Following Mr. Jerde's address, Walter Ekaren gave a vocal solo, Ward Long paid tribute to the Unknown Soldier and Miss Fred Berdinger laid a wreath on a symbolic grave. From a plane flown over the park by Gordon Camp a wreath was dropped into the river in memory of departed airmen, while a sailor placed a wreath in the river in tribute to deceased members of the U. S. navy.

The program closed with the benediction by Rev. G. S. Thompson, the sounding of taps by P. G. Pederson and a volley by the firing squad.

Vandalism Continues City Tourist Park; Lights Broken Twice

Since the recent appeal by the park board for public cooperation in halting vandalism in the city tourist park, six new light bulbs have been installed twice in the park lighting system and each time all have been broken by boys or young men using air rifles or slingshots. Roy Barzen, president of the park board, stated this week that lights will not be replaced until assurances are received that no further damage will be done.

FIVE COUNTY 4-H MEMBERS TO GO TO 'U' FARM MEETING

Representatives of Local Clubs to Attend Sessions June 1-14

The 4-H club year will reach one if its high spots June 11-14 for five county club members who have been selected to attend the state 4-H club week at University Farm, St. Paul, Dale O. Hanson, assistant club agent said today.

Members from Pennington county who will attend include Erling Lundeen, Deer Park club; Jackie Olson, Nuntedal club; Vivian Scholin, Bray club; Violet Hanson, Silverton club; and Colleen McEnelly, Reiner club.

In addition, several club members will attend the district 4-H club week at Crookston, June 6-8.

One of the highlights of the week at University Farm will be the annual meeting of the 4-H club Federation. Each county will have one delegate at the meeting which will elect officers for 1946-47.

Jackie Olson has been selected as delegate from Pennington county.

Governor Edward J. Thye will address the special Wednesday evening assembly, June 13, according to A. J. Kittleson, State club leader. Special tours of the Twin city area, classroom instruction and diversified recreation activities will feature the daytime program.

Climax of the week will be the candlelight ceremony at the river in memory of departed airmen, while a sailor placed a wreath in the river in tribute to deceased members of the U. S. navy.

The program closed with the benediction by Rev. G. S. Thompson, the sounding of taps by P. G. Pederson and a volley by the firing squad.

Sheriff Rambeck Urges Local Motorists to Join in Traffic Safety Check

Sheriff Arthur Rambeck, chairman of the Pennington county safety council, announced this week that his office and local police are cooperating in the national traffic safety check, currently under way. Pointing out that traffic hazards are increased by the many old automobiles now using the highways, sheriff Rambeck urged all local drivers to have their brakes and lights checked in order to make certain that they comply with safety regulations.

Pfc. Robert Baker of Fort Leavenworth, Kansas, is home spending a few days furlough with his parents, Mr and Mrs. Oscar Baker.

CREAMERY PICNIC SUNDAY JUNE 9 AT M. R. STATE PARK

Stuart McLeod Will Be One of Main Speakers at 19th Annual Event

Numerous residents of the Thief River Falls community will attend the 19th annual Marshall county creamerier picnic next Sunday, June 9, at Middle River state park midway between Argyle and Newfolden.

Featured on the afternoon speaking program which will begin at 1:30 will be Stuart McLeod of this city, who will discuss current dairy and creamery problems; and Major Walter E. Felbick of Middle River whose topic will be "The Answer for War."

E. M. Evans of Middle River will be in charge of the program, which also will include the invocation by Rev. E. Raaum of Newfolden, musical numbers by the Newfolden men's quartet, sacred music by the Edward Hanson group and Venus Das of Viking; and songs with guitar accompaniment by Sylvia Anderson of Argyle.

Refreshments will be available at concessions on the grounds as well as at the state park refectory.

DISTRICT FARM BUREAU PARLEY STAGED IN CITY

Officers from Nine Counties Participate in Conference Here

Minnesota Farm Bureau officers and leaders from nine Northwest Minnesota counties met yesterday in this city for their annual district conference.

An address of welcome was given by H. Finstad, president of the Pennington county unit. Frank W. White, president of the Minnesota Farm Bureau, presided at the session throughout the day.

The counties represented at the conference were East Polk, West Polk, Clearwater, Red Lake, Marshall, Pennington, Kittson, Roseau and Lake of the Woods. Approximately 125 people were in attendance during the day.

Representatives of the various departments of the Minnesota Farm Bureau discussed the progress and development of the activities of the organization. K. A. Kirkpatrick, Director of the Farm Bureau's state wide Blue Cross Hospitalization program, told the conference that this highly valued service was now reaching and serving more than 43,000 farm bureau people throughout the state.

Mrs. Louis Minion of Bingham Lake and who is state home and community chairman, discussed the program and accomplishments of the Home and Community department with the county leaders. The home and community chairmen had luncheon together, which had been arranged by Mrs. Frank Hardisty, Pennington county chairman.

The Minnesota Farm Bureau's service Co. and services were cited by Pat Brown a field representative of that organization. A. G. Meranese, director of the organization of the Minn. Farm Bureau complimented the counties on the partihey had played in helping to build the 1946 Farm Bureau membership in Minnesota. The high-est point in the history of the organization. Farm Bureau represents more than 57,000 farm homes in this state.

Legislative interests and problems of particular concern to agriculture and its people were discussed by J. S. Jones, Secretary of the Minnesota Farm Bureau. Mr. Jones particularly stressed the importance of some matters coming before the next session of legislature relating to rural school financing and reorganizing and general tax matters in the state.

SCOUT CAMPOREE TERMED SUCCESS

Keith Rosengren Gets Rating of Eagle Scout

Acclaimed by the participants as a huge success was the Camporee staged last week-end by Thief River Falls and Hub Boy Scouts on the local gun club range north of this city on the banks of Thief River.

In charge of the outing, which gave the scouts an opportunity to demonstrate their proficiency in camping and other phases of scoutcraft, were Milton Zimmerman, Rev. John O'Toole and Quentin Jones.

Highlight of the Camporee was a court of honor conducted out-of-doors Sunday evening under the direction of Orrin Hall, chairman of the advancement committee. The top award of Eagle Scout was conferred on Keith Rosengren by Rev. G. S. Thompson, while William Walters elevated Rodney Kaisler to Life Scout rank. Bruce Hall, Jack Kiland and Robert Walters were advanced by Dr. Kaisler to first class rank and Duane Vad was given second class rating by Clarence Knudsen.

In addition, twelve Thief River Falls scouts and nearly 40 from Holt Troop received merit badges.

The grand prize for Camporee activities was won by Troop 60, with Holt Troop 112 second and Troop 47 third. First prize in camping also was won by Troop 60, with Troop 112 second, while first prize for cooking was shared by Troops 60 and 57.

The Tindolph park swimming pool is now open daily between the hours of 9 a. m. and 9 p. m., it was announced today by Quentin Jones, who is supervising activities at the pool. He added that a program of supervised activities is also under way on the city play grounds.

19 Marriage Licenses Issued Here During May

That the post-war reconversion problem has been solved so far as the marriage license business is concerned is indicated in the announcement by Henry Storhaug, clerk of court, that during the month of May a total of 19 wedding licenses were issued, compared to only six for the same month in 1945.

I. G. LANE, RETIRED CONDUCTOR ON SOO LINE, DIES MONDAY

Had Been Resident of This Locality 36 Years; Final Rites in Illinois

Ira G. Lane, retired railroad conductor, passed away at his home late Monday evening at the age of 68. The body was shipped to Easton, Ill., for final services and interment in the Walker Grove cemetery following brief rites at the Gulbranson funeral chapel in this city Tuesday evening at 8 o'clock, Rev. D. T. Beadle officiating.

Mr. Lane, born in Mason county, Ill., began railroading as a young man at Clinton, Ill. He was married Jan. 13, 1899 at Easton, Ill., to Miss Mary Munach at the home of her parents. He continued his work with the railroad until moving to Minnesota in 1910, at which time he homesteaded near Grygla for two years.

In 1912 he moved to this city to continue his railroading with the Soo Line until retiring in 1941. Mr. Lane was a member of the Brotherhood of Railway Trainmen, served as one of its officers for many years, and also as delegate to state and national conventions of the order.

Besides his wife, other survivors include two daughters and two sons, Mrs. Ed McCabe of Chicago, Ill., Mrs. Marvin Lindberg of Minneapolis and Donald E. Lane of this city, and nine grandchildren. His parents, one son, and a sister preceded him in death.

110 GRADUATES GET DIPLOMAS AT EXERCISES

John Powell, Penrhyn Nelson Win Legion and Auxiliary Awards

Relatives and friends of members of the Lincoln high school graduating class of 1946 filled the high school auditorium to capacity last Thursday evening when commencement exercises were held for the class of 110 young men and women.

The seniors attired in somber cap and gown, mounted to the stage to the music of the processional march played by the high school band under the direction of Miss Alma Klawitter, following which Helen Green gave the salutatory and senior members of the mixed chorus rendered "Ballad for Americans", with accompaniment by Agnes Benson and with O. J. Jerde of St. Cloud, the commencement speaker, singing the solo part.

In his address Mr Jerde told the graduates they will never feel as smart again as they do when graduating from high school, ascribing this to the fact that they have had pretty good control of their small world to date. He stated that now their world is beginning to expand, and that each of them has a contribution to make.

Mr. Jerde declared that the social and economic life of the nation is showing a tendency to break down, and that it is up to the young people to qualify themselves for their future jobs and to live in accordance with Christian principles.

Following a thoughful valedictory given by Melvin Vigen and a selection by the girls' triple trio, W. G. Claffy, principal, presented the class to L. W. Rullen, the girls' triple trio, W. G. Claffy, principal, presented the class to L. W. Rullen, treasurer of the board of education, who conferred the diplomas, after which Supt. Philip L. Fjelsted presented teacher certificates to seven graduates of the teacher training department.

Mrs. J. M. Bishop conferred the American Legion auxiliary citizenship award on Penrhyn Nelson, while Victor Jung presented the corresponding American Legion award to John Powell.

The program closed with the recessional march played by the band.

BOY, 2, DROWNS IN RIVER AT WARREN

Son of Grand Rapids Couple Loses His Life

A 2-year-old boy drowned in Snake river at Warren Saturday forenoon, less than an hour before his mother was to start back with him to their home in Grand Rapids.

Victim was Jackie Wetherall, only child of Mr and Mrs. Clifford Wetherall.

With his mother, he had spent the Memorial Day holiday at Warren with an uncle and aunt, Mr. and Mrs. Walter Miller.

Mrs. Wetherall missed her son about 11 a. m. and five minutes later she and neighbors found the boy's gray cap floating on the river. The youngster's body was recovered in three feet of water.

The human heart does enough work every 24 hours to lift an average man to the top of the Empire State Building—1,250 feet.

WILLING SPIRIT SUBDUES WEAK FLESH

Triumph—Rev. Paul Leroy Olson had a mild attack of mumps. He was able to be about, but didn't want to expose his entire congregation. So when the Sunday sermon was due Mr. Olson sat in sanitary isolation in the basement of the church while the congregation heard his sermon on a loud speaker above.

OEN SOFTBALLERS WHIP HARTZ TEAM

Score Second Win by Narrow Margin Tuesday

City Softball League

	W.	L.	Pct.
Oen's	2	0	1.000
Poppler's	1	0	1.000
Bjorkman's	1	1	.500
V. F. W.	0	1	.000
Bridgeman's	0	1	.000
Hartz	0	1	.000

Results of the week's games: Poppler's, 16; Bjorkman's, 13. Oen's 11; Hartz, 9.

The week's schedule:

Friday, V. F. W. vs. Bridgeman's. Monday, Oen's vs. Bjorkman's. Tuesday, Hartz, vs. V. F. W.

The Oen's team, with two wins, moved into the lead in the city softball league. Gordy Peterson's hard-hitting and neat-fielding club added their second win by edging out an improving Hartz team, 11 to 9, Tuesday night. Al Johnson's Hartz team, with burly Gordy Kaushagen on the mound, gave the league leaders a scare in the 6th inning, chasing Oen's Gaynor Elde off the mound and scoring five runs. Kaushagen held the Oen's team to seven hits, one a homerun by Harlan Olson, struck out seven batters and gave up eight bases on balls.

Monday night's engagement between the green-jersied Poppler's team and the Bjorkman's Toggery was an exciting tussle, with the Poppler's outlasting the Toggery nine to win a 16 to 13 decision. It is reported that Burt Emanuel, the Bjorkman's manager, has filed a protest on the game, claiming that an umpire's decision was in error, and that a re-play of the game is in order. "Ham" Myhrer, pitching for the Poppler's, made his first softball appearance since before his entrance into the army, revealed lack of practice, for the blond hurler gave up eleven bases on balls.

Average depth of oil wells drilled in the United States has increased in the past 20 years from 2,900 feet to 3,500 feet. Some 4,300 exploratory oil wells were drilled in the United States last year, of which 11.6 per cent produced oil.

News of R. R. Valley Home for the Aged

May used the tactics of March this year by coming in like a lamb and going out like a lion. We built a fire in the furnace again and still many older folks seemed to catch cold. But we were fortunate not to have any from or snow as was reported in other communities.

L. C. Nilson spent a few days at his former home near Karlstad visiting with neighbors and friends.

Mr. and Mrs. Oscar Anderson of Gatzke called at the Home and Joe Rostvold accompanied them home to visit there and at Gryglia for a few days.

Frank Brodin accompanied Rev. Lindholm to Warren last Monday and from there he went to Hallock where he visited a few days returning here on Saturday.

Memorial Day was bright and warm and we enjoyed sitting outside where we could plainly see the parade marching down third street to the Elks park, where a good program was given. We displayed our flag for the first time given to us by Mrs. Northome of Four Towns.

We served a picnic dinner on memorial day making use of the good sandwiches and cookies given to us by the pupils and teachers of Northrup school. This helped us give our workers a partial holiday.

Mr. and Mrs. John Olson of Alvarado visited with Mrs. John Paulson over Sunday, taking with them some of her things for storage until she returns again.

The Wilfred Langness family, Mrs. Moe and Lorraine, Minnie Gjerde and Oscar Hovelson, enjoyed a drive out to Highlanding last Sunday where they visited at the home of Mr. and Mrs. Henry Paulson also with the Harry Paulsons and Mrs. C. Appleman.

We are glad to have Hans Peterson with us as a regular member of our family. We have however several other applicants waiting but we have full house at present.

Miss Konig called on Mrs. Mostue recently and Ebin Mostue has also visited his mother several times of late. Altho suffering with arthritis Mrs. Mostue is cheerful, and able to be up and around every day, we are very glad to have her here.

John Hanson and Mrs. Sortland have not been so well lately, both suffering with rheumatism and cold. We hope they' ll soon be around as usual.

Mr. and Mrs. Herman Sandberg of Hazel called on Grandma Sandberg recently and on other friends at the home.

Ole K. Rolsland and Mrs. Bolstad called on their many friends here recently. Other callers have been Carrie Ilce, Mrs. Haug, Mrs. Amundson, Mrs. Oscar Hanson and son Howard, Tracy Martin and Thomas Nelson and sister from Holt.

We are glad to have Anna Norby and Ruth Hanson visit with us on Saturday. Miss Norby is just recuperating from a recent illness and Miss Hanson visited at the Palmer and Oscar Hanson homes before returning to her home in Minneapolis on Sunday.

We were thankful to the Omundson families for the beautiful flowers and the gift in memory of Mrs. Karen Omundson who recently passed away. We also received memorial gifts from the Mission Circle of the Ev. Free church and from Anna Mork and Carrie Ilce. Mrs. C. L. Engelstad of Gatzke sent in a gift in memory of Norman Lunsetter and given by Mr. and Mrs. Emil Dahl, Mrs. Emma Leirn and Mr. Alfred Moberg all of Gatzke. A hearty thanks to you.

We are glad to have Nels Langness and Alf Anderson begin painting our home on the outside and with some improvemets that are planned in the building itself, we hope to have a very different appearance before long.

Our kitchen cupboards are also completed and getting their first coat of paint which means we'll soon be all settled really enjoying our new improvements immensely.

Mrs. John Paulson, who has been with us for almost two years as cook, left the first of June for Minneapolis going by way of Alvarado and Grand Forks. Later on in the fall she will continue on to Portland, Oregon, to make her home with her daughter and son-in-law, Mr. and Mrs. O. A. Pederson.

Our new helpers will not be here until June 15th so we will be short handed for a while but with every one feeling well and co-operating with us we will get along in a fine way.

A message received by Mrs. Sevalson from her daughter, Mrs. Ray O'Harn says they are well and intend staying on a little farm near International Falls where Mr. O'Harn does considerable trucking and timber work. Their son Jimmy is still confined to a hospital in Japan but expected to be released soon.

Minnie Gjerde our efficient helper will be moving at Mr. Gunstone the next two weeks, to give us extra help.

Akeley—In these days of housing shortage, a new house is news anywhere. In Akeley it's big news, for not in 22 years has this timber town seen a wholly new home erected. Since the big lumber company moved away with half the inhabitants, building here has been confined to remodeling. Recently T. O. McMahan completed a thoroughly modern home which is truly the talk of the town.

OPA faces an uncertain future, we are told, and that is not good news for those who live on a fixed income which cannot be adjusted to increased costs. Main reason for OPA's uncertain future probably is its uncertain past. In some fields it has functioned well but in the overall picture the record is not good. As long as the war lasted and the nation's industries were producing for the non-competitive war market production costs were not an important factor. During the war years these costs were permitted, and in fact encouraged, to climb. With these higher costs it has been impossible for industry to return to civilian production at the pre-war selling prices. Either costs had to be lowered or prices increased and OPA was not able to hold the line in this fight. It was definitely licked when the administration announced its policy of "controlled inflation," openly advocating still higher costs in a program to maintain a high dollar total of national income. It now remains to be seen whether or not the administration that killed OPA can control its controlled inflation.

People don't ordinarily talk about their attack of tuberculosis as they do of other sicknesses to which they have been subjected. This disease ordinarily is spoken of only in hushed terms as something of which a person should somehow be ashamed. That is why we especially like Cy Poppler's article published elsewhere in this issue in which he plugs for the purchase of a mobile X-ray unit to serve the people of this corner of the state. Cy speaks from experience. He fortunately discovered his infection in time to secure a comparatively short cure. A few months in Oakland Park Sanatorium fixed him up. Had he not made this discovery in time he probably would not be up and around today. As one who has had experience in this sort of thing he wants it to be made easier for other people to get a check-up on their physical condition—to find out in time whether or not they are infected. Approximately $12,000 is now available, from the Christmas seal funds, for the purchase of such a unit. Another $12,000 is needed. Why not start the drive right away for the balance that is needed? What are we waiting for?

Hats off and a round of cheers to our neighbors at Bemidji for promoting a bang-up good air show. Maybe they deserve most credit however for promoting a good airport. The show came because they had the airport. Here in Thief River Falls we don't seem to be quite certain as to whether or not we want an airport.

Juan Domingo Peron, the fellow our government didn't want to be elected president of Argentina, was inaugurated to that office this week. This represents one of the worst defeats we have suffered on the diplomatic front in many years, threatening, as it does, our leadership in the Western Hemisphere. We admittedly have lost face in the Pan-American bloc of nations and that doesn't strengthen our position in the rest of the world.

That rain that fell Tuesday night wasn't as general as it might have been but it was very welcome in the area it covered.

As was to be expected following recent wage increases, the OPA is gradually raising price ceilings on new automobiles. Another case of the inevitable happening.

Municipal liquor stores, too, it seems are finding a place to put their surplus funds. Over in Bemidji, we read, bartenders are asking a pay scale of $257 a month.

The coal strike was finally settled last week, but it won't be until next fall that the average citizen will notice the effect of the long lieup.

Such is fame! Kiwania International announces that a speaker at its 1946 convention will be Harold Stassen, former governor of Missouri.

As Larry Rullen, speaking for the board of education, pointed out at Lincoln high school commencement exercises, it is a question whether the graduates or their parents got the biggest kick out of the proceedings.

A lot of last week's high school graduates will live to throw away their calendars for the year 2000.

The Red Lake Falls Gazette recalls the accident in which a woman fell to the pavement, injuring her somewhat.

When they talk of strikes up at Baudette, reports Billy Noonan, it merely means another fisherman has hooked a trout.

A lot of folks took advantage of the Memorial Day week-end to set up a basis for some tall fish stories.

CITY JUNIOR TEAM BREAKS EVEN ON 2 WEEK-END GAMES

Defeat Bemidji Sunday 8-7; Lose to Karlstad Last Saturday 11 to 8

The city's junior nine played fifty-fifty baseball over the week-end, posting a win and a loss. Playing at Karlstad on Saturday, the locals suffered their first defeat of the year, losing by a 11 to 8 score. But in a thrilling game played here on Sunday afternoon, Coach Jimmy Welton's team, after rallying for five runs in the 7th inning, to tie the score at 7-all, shoved across a marker in the 8th frame to record an 8 to 7 win over the Lumber jacks.

A big 2nd inning, in which they trotted around the bases for six runs, proved to be the factor that gave Karlstad their win over the locals on Saturday afternoon. Wayne Gothe, on the mound for the locals, hurled creditable ball, but he was given erratic support especially in the 2nd inning, when the locals committed four errors.

The excitment of Sunday's entertaining contest was crammed into the 7th inning, when the locals raked Don Siewak's delivery for four hits and tallied five runs. Rob Amundson's long centerfield double, drove in two vital scores. Abe Hanson's single into right field drove in Don Perkins with the tying run, after Amundson's hit had scored Gothe and Hylden with the fourth and fifth runs, and Amundson had counted the sixth score on a passed ball.

In the 8th inning, after LaSalle had grounded out and Aase had popped to the pitcher, Gothe singled to centerfield. Larry Hylden beat out a hit to the third baseman, with Gothe moving around to third base. Hylden then stole second base and when Chuck Grover heaved the ball into centerfield, Gothe scampered across the plate with the winning run.

GOLFERS ARRANGE SHORTSTOP EVENT

To Compete Next Sunday for $25 Savings Bond

A shortstop golf tournament will be played over the local course on Sunday, with the championship flight golfers vying for the $25.00 bond donated by the Union State Bank. Winners and runners-up in the other flights will be awarded merchandise prizes. Starting time off the first tee has been set at 9:30 A. M., and all golfers participating are asked to make their entries promptly.

That the championship flight in Sunday's tournament will produce high-class golf was assured when Jimmy Nordine, the Red River Valley champion, and Vic Jung, former city champion, signified their intentions of playing in the shortstop. With favorable weather conditions prevailing, golfers from Crookston, Grand Forks, Stephen, Roseau, Bemidji and other points, are expected to be in attendance.

Last Friday evening's flag tournament was won by Dr. M. G. Johnson who, after being tied by Elmer Benson, lashed out a longer drive to win first place honors. The tournament slated for tomorrow evening will be a "blind hole" tourney, with handicap.

G. FORKS JUNIORS PLAY HERE SUNDAY

Locals Defeat Roseau 5 to 1 Tuesday Night

The junior baseball team, with "Swede" Lund racking up his second win of the year and adding twelve strikeouts to his "whiff" total, defeated the Roseau juniors, 5 to 1, here Tuesday evening.

Today the locals travel to Crookston for a game against the Pirate juniors; and on Saturday Coach Jim Welton will take his squad to Hagley for a game against a strong Hagley nine. Next Sunday afternoon the Grand Forks juniors will play here, with the game being scheduled for 3:30 p. m.

Rob Amundson's centerfield double, followed by an error by third baseman Dieter and a high throw by catcher Johnson, gave the locals a 1 to 0 lead in the 1st inning of Tuesday evening's game against Roseau. The locals picked up another tally in the 3rd inning when Jim Powell sliced a double along the right field foul line, and then scored a short while later when Johnson again heaved the ball astray. Swede Lund's ground double into right field and a pair of Roseau errors accounted for the locals two tallies in the 4th inning.

Lund had a shutout until the 7th inning when Rube Bjorkman looped a single into left field. Bjorkman stole second base, and then made a steal of third base. Delmore and Dieter popped out, but Bjorkman, when Don Perkins made a bad throw, sprinted across the plate for Roseau's only score.

JUNIORS WIN TILT ON MEMORIAL DAY

Register 3 to 1 Win over Greenbush Team

In a well-played game here Thursday afternoon, the local juniors, by a 3 to 1 score, defeated the Greenbush juniors.

On infield single by Wayne Gothe in the 1st inning, followed by a single into left field by Don Perkins, and an error, gave the local a tally in the opening frame. Greenbush tied the count in the 4th inning when three bases on balls and an error sent Reese across the plate with a score. The locals won the ball game in the last half of the 6th inning on bases on balls to Don Engelstad and Marlow Davidson and a right field single by Aase.

"Abe" Hanson for the locals and Pete Montry for Greenbush, engaged in a hurling duel, with honors just about even. Hanson struck out eight batters, while Montry had seven strikeouts. Hanson accounted for the game's Montry gave up three walks. Hanson issued eight base on balls, and only extra base hit, poling out a long left field triple in the 6th inning.

Big Fish

The finest creel-full of brook trout that has been shown here for a number of years was brought into town on Memorial Day by Joel Nyquist. Joel really made a trout catch, and he had the fish on exhibition in the Hartz meat counter for several days last week. They were all good-sized trout, but he had three or four that would go thirteen or fourteen inches in length, and that's trout in any country, and especially around here.

Joel, like all trout fishermen, was plenty vague when pinned down as to the location where he caught those trout, beginning his narrative by waving his hand towards Mahnomen and concluding his story by pointing towards Halfock, so the inference is that he caught the trout somewhere between those two points.

And another good fish was recorded this week, too, when Fred Wengeler, proprietor of the Sportsman's Store, came in with a ten-pound wall-eyed pike. Fred had been on a fishing trip into Canada, in the Crow lake vicinity, and he caught that big walleye in lake that they reached by a portage.

And we have to note, too, that Bud Schunter reports that the "Neptune bass", are biting. But means by "Neptune bass", the bullheads that he is so expert to catch off the Neptune bridge on the Red lake river.

Baseball

With the city seniors and the city juniors both in action, baseball will be in full swing this week. The juniors, and they are improving, with each game, have been in competition for a couple of weeks, but the seniors will be making their first start in the game at Plummer on Sunday.

Johnny Jaranson has arranged a pretty strong lineup for the locals, and if the boys play as they did before they entered the service—most the players are war veterans—the team will be worth watching and will provide plenty of opposition for St. Hilaire, Red Lake Falls, Plummer, and Oklee.

The starting battery will have Hemmy Sahl doing the pitching and Red Bossman doing the catching, but if Hemmy tires, and he's apt to do so for he hasn't been doing any pitching for several years, Locie Benson will be ready to take over the hurling duties.

Jesse DuChamp at shortstop, Gordy Reierson, Bob DuChamp, or Berdean Nornes at third base, Wally DuChamp and Louie Benson in the outfield.

The St. Hilaire team, which has been installed as a league favorite, having an experienced lineup to field against the opposition, will send their husky fast-ball pitcher Woody Almquist, against Red Lake Falls in the opener on Sunday. Arlo Jacobson will do the receiving.

NORTH MINNESOTA LOOP OPENER SET

Thief River Falls Plays at Plummer Next Sunday

The recently re-organized Northern Minnesota baseball league will begin its schedule of play on Sunday afternoon, with Thief River Falls meeting Plummer at Plummer, and St. Hilaire playing Red Lake Falls at Red Lake Falls.

The local nine, under the direction of Johnny Jaranson and Gordy Reierson, will have a number of veterans in their lineup. Helmer "Hemmy" Sahl is expected to do the pitching for the locals, with Art Bossman behind the plate.

Louie Benson, another former local pitcher and later a member of the Crookston Pirates in the Northern league, will be in the lineup, too, and he may do some pitching. Blackie Stephens will probably start at first base, with Johnny Jarahson at second base.

I SAW MY OLD FRIEND PHIL HAMRE THE OTHER DAY

Si Sez—

The last time I saw Phil was out at Sunnyrest Sanatorium at Crookston. At that time (2 years ago) he x-rayed my lungs—because I had to go to a tuberculosis sanatorium on my doctor's orders.

I couldn't get in at Sunnyrest and later went to Oakland Park Sanatorium at Thief River Falls. Guess the time I spent there—on my back—saved my life—so—you see— I will always have a soft spot in my heart for sanatoriums and fellows like Phil and Doc Borreson of Oakland Park.

Phil said: "Si—I wish you'd give us a boost in your ads for the new $24,000.00 mobile X-ray unit that Sunnyrest and Oakland Park Sanatorium are buying," and then he went on to tell me about it. It's an interesting and vitally important subject. Vitally important to every family in N. W. Minnesota from Norman to Lake of the Woods counties —which this mobile unit will serve.

People die from T. B. because the malady is not discovered in time.

Ordinarily—when the disease is discovered quickly, six months of treatment in a sanatorium will result in a cure. In advanced cases and moderately advanced cases it takes from two to six times that length of time to stop T. B.'s dread ravages.

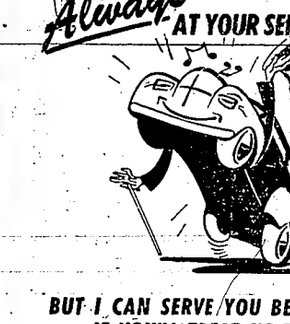
The mobile X-ray unit brings that only real detector of this terrible malady right to your town—your schoolhouse where everyone in a community can have this service and diagnosis handled by highly trained experts in the handling of the instruments and in diagnosis of the disease.

This mobile unit will not only save thousands of lives but it will save the taxpayers of the counties served—thousands of dollars now being spent in the treatment of advanced cases in the two above mentioned sanatoriums.

That cost—friends—averages $1400.00 per patient per year!

If these patients are X-rayed and the disease discovered at the start this cost would be reduced to $833 per patient.

Approximately one-half of the $24,000.00 cost will be paid from Christmas Seal funds in counties involved—the balance MUST come from public subscription.



No finer charity can be found for your money—not one that will mean more to your family—your community and your taxpayer's pocketbook!

Peel a ten spot or a $50.00 bill off of that fat roll of yours and mail it—today—to Phil Hamre, business manager of Sunnyrest Sanatorium at Crookston or to my good friend Doctor Baldwin Borreson of Oakland Park Sanatorium, Thief River Falls.

I'll personally refund your donations if you tell me—five years from now—it wasn't the finest investment you ever made.

Thanks a lot!

HOLT

Memorial Day was observed at Holt with special ceremonies and a parade program arranged under the direction of Rev. Urness and Rev. Houseman consisted of the following numbers: Song, "America", by a group of children and the audience; Trio, Verna and Marion Bertram and Mrs. Houseman, Poems, Mrs. George Fricker, Song, Quartette, Mr. and Mrs. Ray Gima, Mrs. Oliver Nohrg and Rev. Urness. Service, Pastor Houseman; Song, "God Bless Our Native Land", Audience.

After the program, parade was formed under the direction of Joe Marusich of Thief River Falls and Sigfred Nygaard of Holt. The parade was led by the group of ex-service men acting as color bearers, and color guards followed by a rifle squad. A mock cemetery plot was arranged which comprised of crosses and names of all Holt service men buried home and abroad. Flags were placed on each cross by a group of girls dressed in white.

Displayed in the decorated window of Holt Cafe on Memorial Day were pictures of Lawrence Folden, son of Mr. and Mrs. T. B. Folden, Rueben Ness, son of Mr. and Mrs. O. T. Ness and Reuben Larson son of Mrs. Rux of Thief River Falls, and nephew of Mr. and Mrs. Willis Larson. These boys sacrificed their lives in this last great struggle for world peace.

Rev. J. O. Jacobson of Thief River Falls conducted funeral services on Wednesday afternoon for Mrs. Gustaf (Martha) Erickson who passed away Thursday, May 23rd at her home at Thief River Falls. Interment was made in the Holt cemetery. Mrs. Erickson was well known by pioneers of this community as she and her husband homesteaded south of the village. Mrs. Erickson was the sister-in-law of the late Mr. and Mrs. John Simonson.

Mr. and Mrs. Sig Nygaard were guests of honor at a belated surprise housewarming on Sunday afternoon. A few months ago Mr. and Mrs. Nygaard and Dan arrived from Marysville, Calif., after Mr. Nygaard's discharge from the army. They are at home at the Mud Lake Wildlife Refuge. Mrs. Johnny Nelson in behalf of relatives and friends presented the cash purse and gifts. Mr. and Mrs. Nygaard responded with thanks to their many relatives and friends. The self invited guests served lunch.

Out of town guests were Mr. and Mrs. Carl Supree of St. Hilaire, Mr. and Mrs. Chris A. Sandstad and Barbara, Mr. and Mrs. Maruska, Daisy and Mary Ann.

Mr. and Mrs. Geo. Dovre and children, Marion, Joyce and Elinor Johnson of Thief River Falls visited at the Mrs. Ole Christenson and Carl Johnson homes on Memorial Day.

Mrs. Ludvig Sagstuen accompanied Mr. and Mrs. Sam Leiran of Thief River Falls to consult a well known physician in St. Paul.

Russel Sanden visited relatives at Mentor during the week-end.

Hearty congratulations to three young couples whose marriages have taken place the past few weeks. Miss Evelyn Larson daughter of Mr. and Mrs. L. M. Larson of Holt became the bride of Mr. Robert Owen son of Mr. Robert Owen of Dayton, Ohio. Mr. Owen has a position at Pelican Rapids. He has recently accepted a transfer to Clark Field, Manila, Philippine Islands, where the newly weds plan to make their home in the near future.

Miss Irene Ness, daughter of Mr. and Mrs. O. T. Ness became the bride of Orris A. Harstad son of Mr. and Mrs. Iver Harstad of Newfolden. The groom is in the employ of Orris A. Harstad of Newfolden. Mr. Tvedt is manager of Land O'Lakes Produce Store at Newfolden, where the newly weds will make their home.

Willie Larson has received a letter from the commanding officer of the company in which Pfc. Reuben Larson, his nephew was serving in Germany. Pfc. Reuben Larson was driving a heavy truck with a big load when he skidded over an embankment. He was severely crushed and died several hours later at an army hospital.

The Holt business men served free coffee and doughnuts to the patrons of the Farmers' Co-op Creamery when met at the local schoolhouse for a "Quality Milk Meeting", Monday afternoon.

Floyd Wilson who has served with the U. S. Navy the past 21 months has now returned to the home of his parents, Mr. and Mrs. Charles Wilson Jr. having received his honorable discharge.

Beverly Canty daughter of Mr. and Mrs. Oliver Canty, an eighth grade student in Miss Gullingsrud's room won first prize in Marshall County and second prize in the state contest for her temperance poster.

The relatives of Mr. and Mrs. Harold Larson (Ann Swenson) gave them a housewarming at their home at Thief River Falls on Sunday afternoon.

SILLY—
YET SENSIBLE!

If cows could talk, this cartoon wouldn't seem silly because EVERY cow prefers being milked by the SURGE—for several SENSIBLE reasons:

1. It milks all cows better with a light pull for an easy milker—a heavy pull for a hard milker and a progressively increasing pull on all cows as they are milked out.

2. It gets more milk (less stripping).

Surge Owners prefer Surge because there are only 4 inches instead of 4 feet of rubber to clean—Surge is the fastest-milker ever produced. AND—all metal parts touching milk are Stainless Steel! NOW—

About "Self-Washing"

So long as ads continue to appear stating that certain milking machines are "self-washing," we shall continue to say that the Surge is not that kind of a machine. Milk is a very wonderful liver very easily spoiled food—a dirty machine means dirty milk. We urge you to wash and properly sterilize your Surge Milker. It's easy washing. Here is no mush of the Surge to keep clean and proper attention requires little time, less washing powder and less sterilizing.

This has no place in milk under any condition. Save dirt is sterile and carries no bacteria whatever. That fact does not lessen the importance of keeping it out of milk.

No amount of straining or cooling can restore a dirty milk or a milk with a high bacteria count to its original high grade condition.

Elias Haarstad Succumbs

The Marsh Grove community was saddened to hear of the death last week of Elias Haarstad, one of the earliest pioneers of that community. Mr. Haarstad had lived on his homestead for 64 years and in that time he had seen the country progress from a wilderness to a well developed and prosperous farming community. Failing health had prevented Mr. Haarstad from taking an active part in farm work or community affairs for the past few years and he has made his home with his son, Otto, who is operating the home farm, while his wife, also in failing health, is at present making her home with her daughter, Emelia at Calumet, Minn.

Elias Haarstad was born in Gulbransdalen, Norway on March 26, 1861, and immigrated to America at the age of 17 coming to Ottertail County in 1878. Four years later in 1882 he came to Marshall County and took a homestead in Marsh Grove township where he resided until his passing away on Sunday evening at 8 o'clock, May 26, 1946. He was at the time of his death 85 years and 2 months old.

On June 17, 1884 he was united in marriage to Elina Bergen and to this union was born eleven children of which one son, Theodore preceded him in death in 1927. He is survived by his wife, Eline, of Calumet, Minn. and the following children: Mrs. Regina Natwick, of Minot, N. Dak.; Mrs. Ida Mobbs Maxbass, N. Dak.; Carl of Houghton, Calif.; Mrs. Elvina Jackson of Detroit, Mich.; Mrs. Eliza Vogen of Minneapolis, Mathilda, also of Calumet, Minn. He is also survived by one sister, Mrs. Randi Hansen of Newfolden, fifteen grand children, ten great grandchildren and a host of other relatives and friends.

Funeral services were held from the home and from Bethesda church of which he was a member, on Wednesday afternoon, May 29. Rev. Carl T. Thompson officiated, assisted by Rev. G. P. Ronholm and Rev. Thv. Myhrer. A vocal solo was rendered by Mr. A. O. Gudim and a vocal duet by Miss Florence Windahl and Mrs. Alvin Broten. The large crowd in attendance and the large number of memory wreaths showed the esteem in which the deceased was held. Pallbearers, all old friends and neighbors of the deceased were Ole E. Hjelle, Alfred Elseth, Bernia Dyrud, Melvin Westlin, Oscar Brekkestran and Conrad Windahl. Interment was made in the church cemetery.

Foldahl-Comstock Ladies Aid meets Friday evening, June 7 at 8:30. Everyone welcome.

Mrs. Bergit Sanderson and son returned on Saturday from an automobile trip to the Pacific Coast, during their absence they visited points of interest all through the west from California to the Canadian line, covering about 17,000 miles.

Regular meeting of Otto Knutson post and auxiliary will be held on Thursday evening, June 6 at the schoolhouse.

Harry Tollefsrud has recently purchased a half interest with Elmer Holmos in his trucking and hauling business. The new firm, known as Holmos and Tollefsrud, have opened a filling station on the east side of the tracks and are handling Pure Oil gas and oils and United States tires and tubes. At present the firm is busy contracting June grass seed, but after that harvest is over they intend to construct a larger building to include complete auto service and repair work and also a radio repair shop.

In a quiet wedding solemnized at the home of Rev. Thv Myhrer on Monday evening Mrs. Minnie Larson of this community was united in marriage to George W. Hiatt of Crookston. Mr. and Mrs. Carl Gustavson were attendants.

A large crowd turned out for the Memorial Day exercises held here last Thursday afternoon. An inspirational address, delivered by Rev. W. A. Fleagle of Warren, 9th Dist. Legion chaplain was greatly enjoyed by all. In a touching ceremony the local auxiliary dedicated a large memorial wreath to the departed comrades of all wars and also honored a large memorial wreath to the departed comrades of all wars and also honored the gold star mothers. Following the program a large parade was formed to march to Oak Grove cemetery where the regular Legion ritual with firing squad, wreaths and crosses was used to honor 18 departed comrades.

Newfolden will hold another Community Sale and MarKet Day on Monday, June 10. The Middle River State Bank will clerk the sale and terms will be cash or bankable papers. Anyone having items that they wish to list for auction please contact Elmer Holmos.

Mr. and Mrs. Harry Tollefsrud motored to Caribou on Saturday where they were guests at a double candlelight wedding.

Our high school auditorium was filled to capacity on Tuesday evening when a class of 38 students were presented diplomas for completing the four year high school course. Burton Fisher is valedictorian and Charlotte Anderson salutatorian of the class. The class has a record of 9 students with an average of over 90. Dr. A. C. WDAY SHOW TO BE FEATURE AT J-C CARNIVAL

Carnival Rides, Dancing, Fireworks and Parade Also Are Attractions

Plans for the third annual water carnival July 3 and 4 were further discussed last Thursday evening at a meeting of the Junior Chamber of Commerce, sponsoring group, and indicated that the coming event is definitely of big league calibre.

Highlights of the carnival include in addition to water and land sports, a variety of outstanding features, among them a huge parade on July 4, with bands, floats and Mardi Gras characters; Rogers Brothers carnival, with six big rides; and Ken Kennedy and his WDAY troupe in matinee and evening shows on the Fourth, in addition to a broadcast of the Tel-a-Tune time program from the Auditorium at 8:30 a. m.

Other events will include dances in the arena both evenings, with music by Pat Backman and his 11-piece band from Omaha, while old-time music will be dispensed at the Auditorium by Bob Sjulestad and his orchestra. An elaborate display of fireworks will be presented at the fair grounds the evening of July 4, while in the afternoon at 3 o'clock Roseau and Thief River Falls baseball teams will battle for supremacy.

With restaurant facilities due to be overtaxed during the carnival, it is announced that free coffee will be served at the tourist park to visitors who bring picnic lunches.

Quentin Jones, in charge of the track and field events stated that preliminary trials will be held Saturday afternoon, June 15, at 2 o'clock in Tindolph park and are open to any high school student.

Boys and girls may register for tennis matches with Mr. Jones at Tindolph park up to July 1, while archery contestants will register with Tom Peck. Contestants in the water sports must register at the beach by July 1, and entrants in the canoe races, who must be registered, should see Ralph Tiedeman at the Union State bank.

Entrants in the teen-age golf tournament for local and out of town boys and girls are asked to register with Vic Jung.

50TH ANNIVERSARY OF HOLT CHURCH

Nazareth Church Plans Observance June 21-23

The Nazareth Lutheran Church of Holt, Rev. E. O. Urness pastor, will observe its 50th anniversary June 21-23. The first session will be Friday evening with opening sermon by R. M. Fjelstad, Moorhead, president of the Northern Minnesota district of the Norwegian Lutheran church of America.

There will be 2 sessions Saturday when the following will take part: Rev. O. O. Bjorgan, Goodridge, Rev. J. Kromlokken, Gatzke and Rev. M. Fjelstad and Rev. J. A. Korshavn, Middle River. The Saturday evening session will be "Luther League Night" with Rev. T. C. Hanson, Roseau giving the address.

The anniversary festive service will be given Sunday morning with Rev. L. M. Redal former pastor now at Tomahawlk, Wisconsin, giving the sermon. The afternoon session will be confirmation reunion and memorial session with Pastors J. M. Runnestad of Badger and C. T. Fjelstul, St. Hilaire speaking.

The closing session Sunday evening will be "children's night" with Rev. G. S. Tompson, Thief River Falls as speaker. Other pastors from this area will also take part and there will be special music at all sessions.

Nazareth church has been served by the following pastors:

Before organization 1893: P. T. Hillman; L. C. Evenson; since organization in 1896: I. T. Aastad; M. Flekke; T. L. Rosholt; S. T. Palm; M. B. Ordal; L. M. Redal; T. C. Hanson, and E. O. Urness since March 1945.

Current Tax Payments Reveal Increase over Collections in 1945

Collections of current taxes in Pennington county for the period from January 1 to June 1 aggregated $262,898.26, compared to $242,745.07 for the corresponding period in 1945, County Treasurer, R. H. Johnsrud stated this week. During the same period, delinquent tax payments dropped from $13,087.11 in 1945 to $7,983.82 in 1946.

74 PER CENT OF PENNINGTON'S GI'S OUT OF SERVICE

Estimate Made by State Employment Service Agent as of May 1st

Latest advice is that about 965 men and women of Pennington county who, up to April 1, 1946 had entered military service, have now passed through the various separation centers and are no civilians. This means that about 74 per cent of the county's service people have been discharged.

Data on separations comes from Robert Hutchinson, state veterans employment representative for the United States employment service.

After consultation between Hutchinson and the office of Col. Joseph E. Nelson state director of selective service, records of the two agencies were correlated and it is now established that at the end of March of this year, 309,532 Minnesotans had entered military service, and that as of May 1, 229,783 of that number had been discharged.

The number of persons who have returned is an actual count for the state but an estimate for the county. An exact county figure Mr. Hutchinson said, cannot be obtained because veterans sometimes change their minds as to the place to which they would return, after they have passed through the separation center.

East Marshall County F. U. Picnic Sunday

The Eastern Marshall county Farmers Union picnic will be held next Sunday, June 16, at the Ole Prestebak farm, nine miles north of Goodridge. George Cullen, president of the group, announced that the speakers will be Rodney Jacobson, treasurer of the state CIO council, and Mr. Christofferson of the F. U. Livestock agency at Fargo. He added that coffee will be served during the noon hour, and that a refreshment stand will be in operation.

Social Security Agent to be in City June 26

A representative of the social security board will be at the United States employment service office, Thief River Falls, on Wednesday, June 26th at 9:00 a. m. Persons who are 65 years of age or over and widows of workers who were working in industry covered by the social security act should inquire about their benefit rights. Delay in filing of an application may cause loss of benefits. Widows of servicemen also should ascertain whether or not they are eligible for payments under this program.

DR. JACK BOOREN ROTARY SPEAKER

Tells of Experiences in Europe and Pacific Area

Dr. Jack Booren, recently returned from overseas duty with the army medical corps, was the guest speaker at the Rotary club luncheon Tuesday noon in the Evelyn hotel.

Dr. Booren told of visits made to prison camps in Germany and Czechoslavakia, and of the gruesome sights he witnessed there. He also told of his service on Okinawa where he was stationed at the time of the disastrous hurricane, and where he had the pleasure of a visit with two of his brothers, also in service.

Roy Oen, club president, inducted Al Purdy and Justus Larson in membership in Rotary, and presented them with their pins. At the meetings arrangements also were discussed for Ladies Night to be held Tuesday evening, June 25, at the Evelyn.

30 COUNTY 4-H MEMBERS ENJOY N. W. SCHOOL STAY

Local Club Members Participate in Varied Events at Crookston

Thirty boys and girls from Pennington county attended the 4-H club week at Northwest school in Crookston Thursday to Saturday of last week it was announced by Elfie O. Hanson, assistant county club agent.

A very full program of entertainment was provided for the six counties that attended sessions by Miss Alice Linn, clothing specialist from University farm, and Mrs. Kesler of Kerr Lida Co. along with the staff of the Northwest School provided educational classes. Special leadership classes were held by Mrs. Evelyn Kern Dose and H. A. Pflughoet of the state 4-H office. Afternoon recreation was supervised by Mr. Lyrakher, athletic instructor at the school of agriculture.

The Steiner 4-H club entered the play contest with its play "New Girl In Town." Robert Panek and Ray Ose of Silverton 4-H club took part in the music contest. The play and musical number were both placed in the blue ribbon group.

Ardelle Larson of Holt club received a blue ribbon in the better grooming contest. Also participating in the contest were Merle Lundeen and Fern Lundeen of Deer park and Oscar Breiland of Kratka.

Special feature of the week was the 4-H club chorus made up of 4-Hers attending camp under the direction of J. Clark Rhodes.

The chorus rendered several selections, among them "Now The Day Is Over," "Day is Dying in the West", and "Beautiful Savior" at the beautiful sunset service held Thursday evening.

OEN TEAM RETAINS TOP POSITION IN SOFTBALL LOOP

Milt Roberson Strikes out 16 in Game with Bjorkman Team Monday

City Softball League

Oen's	3	0	1.000
V. F. W.	2	0	1.000
Popplers	1	1	.500
Bjorkman's	1	2	.333
Bridgeman's	0	2	.000
Harts Stores	0	3	.000

Results of the week's games:
V. F. W., 12; Bridgeman's, 5.
Oen's, 10; Bjorkman's, 6.
V. F. W., 8; Oen's, 6.

This week's schedule
Friday, Poppler's vs. Bridgeman's.
Monday, V. F. W. vs. Oen's.
Tuesday, Poppler's vs. Harts Stores.

The Oen's team continues to lead the city softball league, having three wins and no losses, while the Vets, with two wins, and Poppler's, with one win, are pressing the leaders closely. The league lead should be clarified this week, with the Oen's meeting the Vets on Monday night.

Milt Reierson, pitching for the Oen's against the Bjorkman's team on Monday night, turned in the neatest bit of hurling that the season has witnessed to date, for the "relief" ball expert held Bert Emanuel's team to but two hits and he collected sixteen strikeouts. Meanwhile the Oen's play-

BUILDING PROJECT FOR LAND O'LAKES GIVEN APPROVAL

To Replace Portion of Structure Destroyed by Fire Last Year

Following announcement in Minneapolis late last week that the Civilian Production administration had given its approval, work is expected to get under way shortly on the first phase of a unit will ultimately be a $100,000 construction project in Thief River Falls for Land O'Lakes Creameries.

Given priority largely because of the handicaps resulting from the destruction by fire last year of the land and feed mixing plant on the Soo Line right-of-way, the first stage of the work to be completed this year by T. E. Ibberson company, Minneapolis contractors, will comprise a feed mixing plant, office and forty-foot warehouse to be erected on the site of the south elevator at cost in excess of $30,000.

As part of the project, the driveway will be moved east to a position along the street, allowing additional room for construction.

Stuart McLeod, local manager, stated this week it is planned in 1947 if conditions permit, to proceed with the construction of a huge new warehouse and greatly enlarged bin space.

Youth, 16, Loses Life by Drowning in Red Lake River Tuesday

Only a little more than a month from the date, May 8, when Dale McMahon, age 5, was drowned in Red Lake River here, the stream Tuesday afternoon claimed its second victim of the year.

Ernest C. Bottem, 16-year-old son of Mr. and Mrs. Oscar Bottem of this city, lost his life shortly after 2 o'clock when while wading in the river, he came upon deep water, and being unable to swim went under and failed to regain his footing.

His tragic death occurred at the bend in the river southwest of the tourist park, where the current is quite swift. After working more than an hour, a squad of members of the local fire department recovered the youth's body 100 feet below the spot where he went under.

Bill Gray flew over the river in a plane in an effort to assist in locating the body, but was unable to do so owing to the turbid condition of the water.

Born at Holt March 7, 1930, Ernest came to this city with his parents in 1944. Funeral rites will be held Monday afternoon, June 17, at 2 o'clock from Zion Lutheran church, Rev. Walter Pedersen officiating and interment will be made in Holt cemetery.

ONLY 1 TEACHER REMAINS TO BE ENGAGED HERE

Board to Open Bids on 42-passenger School Bus Monday, June 24

With contracts being signed by two more members of the Thief River Falls public school teaching staff, all positions on the faculty have now been filled, with the exception of a teacher training instructor, Supt. Philip L. Fjelsted informed the board of education at its June session Monday evening. He added that twelve students have enrolled for teacher training next fall.

Miss Jean Stephenson of Grafton, N. D., who was graduated in June at the University of North Dakota, has been engaged as home economics teacher, while Miss Rita Hoffman of Wadena will teach second grade in the Knox school. She is a graduate of St. Cloud teachers college and taught the past two years at Sauk Rapids.

As a result of action taken by the board, a busload of Lincoln high school track squad members will journey in a school bus to Minneapolis to attend the national intercollegiate track and field meet at the University of Minnesota June 21 and 22. The boys will pay their own expenses, and the bus will go on to Shakopee to pick up some equipment for the local industrial training department.

The board voted to call for bids over from Harold Olson proprietorship of the Soo Cafe, tavern and hotel located on East Third st. at Horace av.

In company with Supt. Fjelsted, members of the maintenance committee of the board Tuesday made a tour of inspection of the various school buildings to make a check of needed repairs.

Luverne Hendrickson, Instructor Here Past Year, Is Wed Monday

Trinity Lutheran church in Crookston was the scene Monday of the marriage of Miss Luverne A. Hendrickson, daughter of Mr. and Mrs. J. L. Hendrickson, and Richard Ryph, son of Mr. and Mrs. Martin A. Ryph of Erskine. The double ring ceremony was performed at four o'clock by Rev. Abner S. Haugen in the presence of a large assemblage of relatives and friends of the couple.

Music was furnished by Miss Alpha Morck, organist who played the traditional wedding marches and accompanied Miss Mary Jane Hyghman of St. Cloud who sang "Because" by Guy D'Hardelot and "The Lord's Prayer" by Malotte.

The bride was given in marriage by her father. She was attired in a white satin wedding gown with fitted bodice and lace skirt which was made entrain. Her full length sleeves come to a point at the wrists and she had a fingertip veil which was secured in a satin crown trimmed with orange blossoms. She carried a bouquet of red roses.

Miss Joyce Stepanek of St. Paul and Miss Elizabeth Ryph, sister of the bridegroom, were the bride's attendants. Marvin Ryph attended his brother as best man and the ushers were Emmet and Harold Hendrickson.

Following the ceremony a reception was held in the church parlors and the couple left immediately on a four weeks trip to Bemidji, Brainerd, the lake regions, and Minneapolis. For traveling the bride wore a powder blue suit with matching hat, accessories of black, and a corsage of creme roses.

WANGENSTEIN'S

REGISTERED JEWELER AMERICAN GEM SOCIETY

Angell-McKechnie Vows Spoken at All White Wedding in Trinity

At an all-white wedding Sunday afternoon in Trinity church Miss Lindell Angell, daughter of Mr and Mrs. G. Schilbred, became the bride of Neil McKechnie, son of Mrs. Neil McKechnie, Sr., of Chicago, Ill. The single ring service was prompted by Rev. G. S. Thompson at 4 o'clock in the presence of approximately 200 friends and relatives.

The bride given in marriage by Clayton Angell, her brother, was lovely in a gown of white satin, fashioned with an entrained net overskirt. Her veil was fingertip length and she carried an all white colonial bouquet composed of lilies of the valley, sweetpeas, and carnations against a background of white tulle. This was centered by two gardenias, which she later wore as a corsage on her going-away dress.

Mrs. Donald Corr of Kenosha, Wisc., the bride's sister, served as matron of honor, while Miss Katharine Sogmoen was bridesmaid. Marilyn Nelson, a cousin, served as junior bridesmaid and the bride's two little nieces, Sheila Patricia Corr and Penelope Ann Corr, were flower girls.

The bridesmaids were identical white gowns with matching juliet caps and carried colonial bouquets of white carnations, shasta daises, and sweetpeas, backed with white tulle and lemon leaves. The flower girls had long shepherdess style white gowns with similar bouquets.

Mrs. Arthur Hamilton played fifteen minutes of nuptial music before the ceremony and used "The Bridal Chorus" from "Lohengrin" and Mendelssohn's wedding march for her processional and recessional. Walter Ekeren sang "I Love You Truly" and "Because."

Jack McKechnie was best man for his brother, and O. W. Brandon and R. L. Noper showed the guests to their places. The church was decorated with large baskets of pink palms, and candelabra on either side. The carpeted aisle edged with ferns.

A reception for over 100 guests was held in the church parlors. Lunch was served buffet style from a long table centered by a three tiered wedding cake. Mrs. M. A. Nelson and Mrs. George Kettleland, the bride's aunts, poured.

A wedding trip took the couple to Pine Lake, just outside of New York Mills, and they will be at home in this city after June 17. For travel the bride wore a tailored brown dress with white accessories.

The bride is a graduate of Lincoln high school and is now with the U. S. Employment service in this city. Her husband is a graduate of Gilby, N. D., high school and attended the Fargo A. C. for two years. He is now manager of the bulk station for Texaco Co. in this city.

Out of town guests at the wedding include Mr and Mrs. G. Schilbred and Clayton Angell of Eugene, Ore.; Mrs. Donald Corr and daughters Sheila and Penelope of Kenosha, Wisc.; Mr. and Mrs. Arthur Angell and son Bryan of Minnesota Lake; Mr. and Mrs. E. H. Buerkle and Edward and Mary of New York Mills; the W. A. Stewart, J. A. Stewart, and J. P. Stewart families of Gilby, N. Dak.; and Mrs. Jack Stewart of Buffalo, N. Y.; and Mr. and Mrs. Bob McKechnie of Cavalier, N. Dak.

Jolly Daughters Have Spring Formal Saturday

Forty couples including Jolly Daughters, McMahon members, and their guests, enjoyed the annual Jolly Daughters spring formal held Saturday evening in the Masonic hall. Decorations were along the theme "Stardust", and a varied program was presented including piano selections by Jerry Jennedal, vocal solos by Richard Riddell and Helen Lindland, and imitations by Vern Hanson. Following an evening of dancing, for which the girls wore spring formals, lunch was served under the chairmanship of Camille Narverud.

Doris Marie Szymanski and Raymond Eisbrener Speak Vows Saturday

St. Bernard's church Saturday morning was the scene of the wedding of Miss Doris Marie Szymanski, daughter of Mr. and Mrs. Florjoryan Szymanski of rural Thief River Falls and Raymond Eisbrener, son of Mr. and Mrs. John Eisbrenger of Trail. The double ring ceremony was performed at 10 o'clock by Father John O'Toole followed by High Mass.

To the strains of the "Bride's Chorus" from "Lohengrin" played by Miss Martha Havet at the pipe organ, the bridal party made its way down the aisle, the end of which was flanked by huge baskets of picardy glads. The bride given in marriage by her father, chose a costume of white bridal satin fashioned with net-over-satin skirt extending into a train. The gown had a sweetheart neckline, long sleeves tapering to a point at the wrist, and self-covered buttons to the waist in back. Her long bouffant type veil was edged in lace and was fastened by a head-ornament of seed pearls. She wore a rhinestone bracelet, a gift of the groom, and as "something borrowed" she had her aunt's pearls.

Miss Agnes Eisbrener, sister of the groom, and Miss Dolores Lendobeja were bridesmaids in identical gowns of blue taffeta with net skirts and matching bandeaux. Gentlemen attendants were Julian Lendobeja and Jerome Mutnansky.

Little Gail Mazarka of Chicago, in a pink net-over-taffeta dress, was flower girl, while Robert Johnson of Kratka twp, attired in a black tuxedo, carried the rings on a heart shaped satin pillow.

Miss Szymanski's bridal bouquet was colonial style with an arrangement of lilies of the valley, white roses and sweetpeas against a background of white tulle. Centering this was a large purple-throated orchid. The bridesmaids and flower girl's colonial bouquets were of pastel carnations and sweetpeas. All the gentlemen wore tuxedos with white carnation boutonnieres. The bridesmaids wore bracelets, gifts of the bride, while the flower girl received a tiny gold cross and the ring bearer, a gold ring.

Mr. and Mrs. Szymanski gave a wedding dinner for the bridal party and immediate relatives at their home immediately following the ceremony. Featuring this repast was a four tiered wedding cake baked by Mrs. Werner Jacobson.

That evening the bride's parents were hosts to approximately 150 friends and relatives at a buffet supper and reception in the Smiley hall. There the bride received her gifts and dancing was enjoyed to music supplied by the bride's uncle, Ben Szymanski. As part of the evening's entertainment a mock wedding dance was put on by Mrs. Adam Lendobeja, Ella Cawlin, Bert Johnson, and Jim McCrum. The evening closed with the traditional Polish ceremony, of removing the bride's veil followed by the bridal waltz to "I Love You Truly."

Mr. and Mrs. Eisbrener left on a wedding trip to Chicago and will be at home on the groom's farm in Kratka twp. after June 17. For travel the bride chose a gray pin-striped three-piece suit with black accessories, and also wore the orchid from her bridal bouquet as a corsage.

Out of town guests at the wedding were Mrs. Roman Swantek, Mrs. John Mazarka and children, Mrs. Edw. Glowaty and children of Chicago, and Mr. and Mrs. L. Girard of Akron, Ohio.

The bride is a graduate of Lincoln high school, class of '42, and at the Union State Bank in this city. Her husband is a graduate of the Goodridge high school.

Betty Swan Exchanges Vows with K. Eastman Thursday Afternoon

Miss Betty Swan, daughter of Mr. and Mrs. Leonard Swan, exchanged nuptial vows with Kermit Eastman, son of Mr. and Mrs. George Eastman, at a quiet ceremony performed Thursday afternoon, June 6, at 5 o'clock by Rev. Walter Pedersen officiator in the Zion Lutheran parsonage. Attending the couple were the bride's brother-in-law and sister, Mr. and Mrs. Ervin Roese.

Miss Swan chose a gold suit with a corsage of red roses for her wedding attire, while her sister had a gray suit with a similar corsage.

A supper for the bridal party and immediate families was held at the home of the bride's parents, and the newlyweds left on a wedding trip to the Iron Range and vicinity.

The bride, graduate of Lincoln high school with the class of 1945, is employed as clerk at the Ben Franklin store. Her husband is employed with the Thief River Oil Co.

Women's Golf Club Has Luncheon Wednesday

The Women's Golf club luncheon held yesterday afternoon at the local club house was well attended, and members had the pleasure of entertaining several guests from out of town. Several women have already joined as social members. Bridge was played, Mrs. Shan Larson winning high honors, and lunch was served by Mmes. Frank Clippon, B. Borreson, and J. W. Ruona. Despite the highwinds many women enjoyed favorable golfing.

The next luncheon meeting will be held Wednesday afternoon, June 19, with Mmes. Bruce Prichard, Victor Jung, and Edw. Bratrud as hostesses.

Auxiliary Notes

The American Legion Auxiliary wishes to thank all who sold poppies on May 24 and 25, also those who gave so generously. The proceeds from the poppy sale amounted to $369.18. The amount paid to the disabled men for the making of these poppies was $110.00 leaving a total of $259.18. This money is put into a separate fund and used exclusively for welfare work.

During the past year the unit has spent some of the money as follows: $5.00 War Service Fund, $10.00 Cancer Research, $10.00 Infantile Paralysis Fund, $10.00 Heart Hospital, $4.00 Leprosy Research, $25.00 American Legion Hospital Association, $15.00 local fire victims, $10.00 Fargo Hospital valentine party, $20.00 veterans Christmas gift shop, local family relief $43.30, and various gifts to patients at hospitals, sanitoriums and homes. The unit has an adopted child to whom they send $1.00 a month for spending money besides remembering her birthday, Christmas and other days on which children like to remembered.

June 27th is the day on which the unit is to fill the cookie jar at Ft. Snelling hospital. We are asked to make 10 dozen cookies. Mrs. Powell will furnish more information to anyone who desires it.

Mrs. Geo. Baken and Mrs. A. R. Hulbert acted as hostesses at the June meeting.

The unit has been asked to participated in the Flag Day exercises Friday evening June 14.

Alfred M. Foss Dies at Home in Beltrami County Last Saturday

Final rites will be held in the Northwood Lutheran church Saturday morning for Alfred M. Foss, 59, who passed away at this home in Northwood twp., Beltrami county, Saturday morning. Rev. G. L. Halmrast will be in charge of services and the body will be laid to rest in Northwood cemetery 13 miles N. of Grygla.

Mr. Foss leaves to mourn his wife Selma; a son Gordon at home; two daughters, Mrs. Alvin Schmidt of Oakland, Calif., and Mrs. Buel Gram of Middle River; his stepmother at Halstad; eight brothers and sisters, Mrs. Peter Moe of Portland, Ore., Mrs. Ordean Anderson of Grygla, Mrs. Garfield Carlson of Shelly, Mrs. Irwin Sunseth of Waubun, Clifford and Clarence Foss of Halstad Ordean Foss of Bemidji, and Milton Foss of Hallock; and six grandchildren. His parents, one brother, and a sister have already passed away.

Mr. Foss was born May 23, 1887 at Halstad. Following his marriage March 28, 1912, to Selma Anderson he moved to Beltrami county where he homesteaded and has since resided. Since moving to that homestead, Mr. Foss has been active in the development of that new farm territory. He served as township clerk on the township board, as clerk of the school board for many years and as assessor for 25 years.

Final Services Held Wednesday Afternoon for Mrs. Betsy Austin

Mrs. Betsy Austin succumbed early Saturday evening at the home of her son Milen in Kratka township, where she has resided for many years. Rev. Walter Pedersen conducted rites Wednesday afternoon in the Gulbranson funeral chapel and burial was made in Greenwood cemetery.

Mrs. Austin, who was preceded in death by her husband, parents, and one brother, leaves to mourn her passing one son Milen of Kratka twp.; a daughter, Mrs. Alma Laurant of Fergus Falls; 7 grandchildren and 12 great grandchildren; four brothers, Charley and Frank Haroldson of Fosston, Harold of Crookston, Christ of Roseau; two sisters, Mrs. Llasey Austin of Fosston and Mrs. C. P. Davis of Spokane, Wash.

A resident of Kratka twp. since 1904, Mrs. Austin before that time lived in the vicinity of Fosston. She was born March 10, 1869 in Fillmore county, and was married April 17, 1885, to Knute Austin.

Mrs. Sarah Thoreson Succumbs in Illinois; Rites Here Wednesday

Mrs. Sarah Thoreson of Waukegan, Ill., passed away last Thursday at a Waukegan hospital at the age of 76. Funeral rites were conducted Tuesday afternoon in Zion Lutheran church here, Rev. Walter Pedersen officiating, and interment was made in Rindal cemetery at Rosewood.

Mrs. Thoreson was born in Dang Valders, Norway, Dec. 18, 1870. She came to America when a young girl, settling in Hendrum. She was united in marriage in 1889 to Andrew Thoreson at Hendrum, where they resided for a number of years. Later they moved to Winger, then to Rosewood, and later to this city. Mrs. Thoreson has been spending the past few years with a daughter in Waukegan, Ill.

Survivors include five daughters and two sons, Mrs. Olaf Ryan of this city; Mrs. Barney Peterson, Mrs. Walter Berg, Mrs. Irving Anderson, Mrs. Richard Zimmerman of Waukegan, Ill.; Thoman of Somers, Mont., and Alfred of Waukegan, Ill.; nine grandchildren; a sister and two brothers, Mrs. Gilbert Olson of Ada, Olaf Jorgenson of Erskine, and John Jorgenson of Asquith, Sask. Her husband, one daughter and a sister preceded her in death.

Oscar Stenseth Dies Monday at Age of 39

Oscar Theodore Stenseth, life long resident of Smiley township, passed away Monday at a Fergus Falls hospital at the age of 39 years. Mr. Stenseth was born in Smiley June 28, 1906.

Surviving are his parents, Mr. and Mrs. L. O. Stenseth of Smiley; five sisters, Mrs. Lillie Haynes of White Sulphur Springs, Mont.; Mrs. Signe Green of Kansas City, Mo., Mrs. Edith Hinman of North Platt, Nebr.; Mrs. Ruth Larson of Thermopolis, Wyoming; and Mrs. Annie Hoel of Chicago, Ill.; six brothers, Arthur and Johnny of Silverton, Louis, Melvin, and Morris of Smiley, and Lynn of Burbank, Calif. and his grandmother, Mrs. Lena Erickson of Holt. One brother preceded him in death.

The body is lying in state at Erickson and Lund funeral home until Monday evening, at which time it will be taken to Minneapolis for cremation.

About 45,000 girls and boys are now enrolled in the 4-H club program in Minnesota.

August Martinson Is Dead at 67; Service Will Be Held Monday

August Martinson, age 67, passed away at his home at 123 N. Kendall Wednesday. The tentative date for funeral services is Monday afternoon at two o'clock at the First Lutheran church, Rev. Carl F. Johnson officiating, and interment will be made in Greenwood cemetery. Besides his widowed wife, Mary Martinson of this city, he is survived by two foster children, Carl Kilander of this city and Mrs. Ralph Peterson of Star Lake, N. Y.; two sisters and a brother in Sweden; and a nephew, Ernest Nelson of Moline, Ill. His parents and one sister preceded him in death.

The deceased came to the United States from Sweden in 1906, making his home at LaSalle, Ill., where he was engaged in construction and railroad work.

He came to Hibbing in 1908 and was employed with a mining company. His marriage to Mary Magnuson took place at Hibbing Sept. 17, 1910, and they continued living in that city until 1918, at which time Mr. Martinson purchased a farm near Middle River. They remained in Middle River until moving to this city in 1943. While in Middle River, the deceased served on the township board 11 years and for several years on the school board. He was a charter member of the Vasa Order at Hibbing.

Ladies aid will meet at the Oak Park church Friday, June 14. Hostesses will be Mrs. Arthur Gustafson and Mrs. Ole Gunderson.

COMMITTEE OK'S SCHOOL AID PLAN

Plan for Revision to be Offered Legislature

Gov. Thye's advisory committee on education Saturday in St. Paul approved a report calling for distribution of $28,000,000 in state aid—$5,000,000 more than state aid expenditures this year—under a simplified plan of distribution.

The plan is to be submitted to the next legislature.

The basic aid would be $50 a for each "equated" pupil in average daily attendance. "Equated" means that each elementary school pupil is counted as one, each high school pupil as one-and a- half.

The state funds would be supplemented by $50 for each equated pupil to be raised locally making a minimum educational provision of $100 for each elementary school child in the state and $165 for each high school student.

One special provision provides that in rural elementary schools the state will split the cost of funds for high school to be raised locally with the local school district.

15,000 Are Expected at U of M Summer Session

The largest summer session in the history of the University of Minnesota will begin immediately after June commencement, with registration June 17 and 18 and classes starting the 19th. About 15,000 are expected to attend, including perhaps as many as 7500 veterans. The usual large numbers of public school teachers who go to the summer sessions for refresher courses are expected to attend as before the war.

Augsburg College Choir to Give Concert in Grand Forks Sunday, June 16th

The Augsburg college choir of Minneapolis will appear in concert at the Grand Forks high school auditorium, Sunday, June 16, at 3:30 p. m. The concert will be sponsored by Sharon Lutheran Church.

The fifty-five choristers, directed by Professor Henry P. Opseth, have established a national reputation for their distinctive interpretations of the works of the world's foremost choral masters. The group has given numerous concerts throughout the country and has appeared periodically on many radio programs.

This year's program will feature a panorama of choral music and will feature works of the early masters, as well as compositions from the pens of contemporary composers.

Steadily increasing costs have already made themselves felt in higher taxes and further increases can be expected if public services are to be maintained without borrowing. Higher education costs have been absorbed so far largely by increased state grants out of accumulated reserves but there will not always be reserves to draw on. Relief grants have already been increased and further increases will have to be made if the living standards of recipients is not to be lowered. Any increases in this field will fall entirely on the state and local communities, the present maximum allowances in Minnesota being in excess of the limit to which the federal government will participate. Wage scales for state and local government service must be revised upwards as wages are increased in industry and federal government employment. All these add up to higher costs for the regular expenditures of government. Many of the public improvements that were deferred to the post war period will now cost up to twice as much as they would have a few years ago. In other words we will either have to trim our public improvement programs or spend a great deal more of the taxpayer's money than we had anticipated. Under the circumstances we probably will be wise in limiting our spending as much as possible to those things we can pay for as we go along. We should keep in mind that any long term debts we contract now may have to be paid with 30c butterfat and 10c oats. Far better that we tax ourselves heavily now and meet the higher costs head-on than go into debt for things we can get along without. Now is the time to pay old debts rather than contract new ones.

Mr. and Mrs. Paul T. Gray Are Making Home Here After Honeymoon

Mr. and Mrs. Paul T. Gray are at home at 118½ South St. Paul Ave. following a two weeks honeymoon spent at Cross Lake, Minn. Their marriage took place in the Sacred Heart Church at Robbinsdale May 25 at 9:00 a. m., with Rev. Father Francis Nolan reading the single ring service in the presence of approximately 600 friends and relatives. The bride was formerly Miss Twola Condon, daughter of James J. Condon of Robbinsdale. Mr. Gray is a son of Mrs. C. G. Gray of Minneapolis.

The bride chose her two sisters as bridesmaids, Misses Alice Marie and Catherine Marie Condon, and as her flower girl she had Julie Gay Mathison. Mr. Gray's attendants were his brothers, John Gray, of Minneapolis and William Gray of Albert Lea.

A colonial style gown of ivory slipper satin was the bride's choice of attire with which she had a fingertip veil and a bouquet of calla lilies. Her attendants and the flower girl wore identical colonial style gowns of teal blue drop-stitched marquisette, and carried arm bouquets of yellow carnations, yellow daisies, snapdragons, and yellow roses. Each wore a hat of yellow horsehair crowned with daisies to match her bridal bouquet. Mrs. Gray, the groom's mother, was attired in a navy blue and white suit with an orchid corsage.

Approximately 400 attended a reception that afternoon at the bride's home with Lucille and Eva Leckner of Minneapolis serving as hostesses. They wore white striped taffeta colonial-style gowns. Annette Vashero presented several vocal selections including "Ave Maria", "Because", and "The Lord's Prayer."

For their wedding trip to Cross Lake, Mrs. Gray wore a brown and white floral two-piece dress with shortie brown coat and white accessories.

The bride attended the Robinsdale high school and the Holy Angels Academy at Minneapolis, and prior to her marriage served as manager of May Furniture & Carpet, a furniture store at 307 Nicollet, Minneapolis. Mr. Gray serves as contact representative with the local Veterans Administration.

Plant carrots and beets in late June or early July for storage.

NORTHERN MINNIE LEAGUE OPENS PLAY

(Continued from Page 8)

spectacular pitching of Hommy Sahl for the locals, and George Saunders of Plummer. Sahl, making his first mound appearance since returning from army service in the South Pacific, allowed but two hits during the 11 innings, and sat down fifteen of the Red Sox on strikeouts. In the 2nd frame, Bud Lerohl punched a hit through the diamond; and in the 6th inning, Bergeron looped a single into right field. Saunders nearly matched Sahl's mound work, for the bespectacled sidearm pitcher held the locals to three hits, two singles by Bardeen Nornes and a "texas leaguer" by Lenny Hellquist. Saunders whiffed eleven of the locals in the ten innings he hurled; Bud Lerohl pitched the 11th inning for Plummer, and was the losing pitcher.

In the first half of the 11th inning, after Louie Benson had popped out to third baseman Ste. Marie, Johnny Jaranson moved around to second base when shortstop Page made a wild throw to first base on a ground ball. Jesse DuChamp was thrown out by catcher Fertier on a dribbler in front of the plate, with Jaranson advancing to third base. "Blackie" Stephens hit a ground ball to shortstop, and when Page fumbled the ball Jaranson scored the winning run. Hellquist was thrown out, third to first, to retire the side.

Poultry Producers!
Feed is scarce—don't waste it on non-layers
Cull your laying flock and market non-producers NOW while the price is at it's peak and you have the time to take care of it. Don't wait until the late summer and fall months when you are too busy and the price is down. You will also avoid the fall rush by selling NOW.
When your cockerels weigh 2 pounds dispose of them. After they reach this weight the feed you put in them is wasted, and with the cockerels removed from your flock the pullets will do much better.

96 Golfers Share in Shortstop Tourney Sunday Afternoon

Ninety-six golfers participated in the shortstop golf tournament played over the local course on Sundays and which was won by Grand Forks' Al Cocking. Cocking, who shot five-under-par golf for the four rounds that he played, defeated young Paul Bridston, also of Grand Forks, 1-up, in the championship finals. Jimmy Nordine, who lost to Cocking in the second round, won the championship flight consolation by scoring a 2 and 1 win over Roseau's Homer Gilbertson.

Cocking moved through the championship flight by eliminating Don Fladland of Grand Forks in a first round match; then upset Jim Nordine in a second round encounter; defeated Bemidji's veteran Ed Nordheim in the semi-finals; and won the tournament by a 1-up win over Paul Bridston in the finals. Bridston opened his play with a win over Sam Maxwell in a first round match; then marked up a win over Homer Gilbertson in the quarter-finals; and eliminated H. Allen in the semi-finals.

Local golfers, in addition to Nordine, who were in the championship flight, were Dr. Homer Hedemark, who lost to Bob Bruse in a first round match, and Vic Jung, who was defeated by Grand Forks' Len Eggstrom in a first round match. Jung won the honors in the first flight, defeating Crookston's Don McKenzie, 3 to 1, in a first round match; scored a win over L. Paulin in the semi-finals; and defeated Otis Olson in the finals. Other local flight winners were Jimmy Jorden in the fourth flight, Archie Hensrud in the sixth flight, Ed Karwand in the ninth, and Ole Ekeren in the tenth flight.

The flight winners, runners-up, and consolation winners are:

Championship flight: winner, Al Cockering; runner-up, Paul Bridston; consolation, Jimmy Nordine, runner-up, Homer Gilbertson.

First flight: winner, Vic Jung; runner-up, Otis Olson; consolation, Don McKenzie; runner-up, Dr. Hedemark.

Second flight: winner, H. E. Hanson; runner-up, Ray Carlson; consolation, Lloyd Bentzen; runner-up, Keith Jorde.

Third flight: winner, Bob Harris; runner-up, Rube Bjorkman; consolation, Harvey Hoef; runner-up, R. Bergen.

Fourth flight: winner, Jim Jorde; runner-up, Dr. Ed. Bratrud; consolation, W. Kurzeka; runner-up, H. Ilvedson.

Fifth flight: winner, C. Stul; runner-up, Dr. R. Robertson; consolation, Frank Tunberg; runner-up, B. Miller.

Sixth flight: winner, Archie Hensrud; runner-up, A. Montague; consolation, B. Prichard; runner-up, Ole Stul.

Seventh flight: winner, Al Letich; runner-up, Ed Nordheim, Jr.; consolation, R. Purvis; runner-up, Oscar Cavin.

Eight flight: winner, H. A. Sands; runner-up, J. Austing; consolation, Dr. Bahne Berreen; runner-up, H. Plante.

Ninth flight: winner, Ed Karwand; runner-up, C. Peterson; consolation, H. Mazaris; runner-up, S. Vasler.

Tenth flight: winner, Ole Ekeren; runner-up, J. Wilson; consolation, G. Cumetius; runner-up, Wally Carlson.

Eleventh flight: winner, L. Tyggeson; runner-up, Don Purvis; consolation, O. S. Nordine; runner-up, R. Elofson.

TOWNSEND CLUB TO MEET NEXT SUNDAY AFTERNOON

The local Townsend club will meet next Sunday afternoon, June 16, at 3 o'clock in the Civic and Commerce room in the city Auditorium.

JUNIOR BALL CLUB DROPS TWO TILTS DURING THE WEEK

Stephen to Play Locals on Diamond at Fair Grounds Today at 6

The junior baseball team had a pair of losses tacked to their record the past week, losing to Bagley and pitcher Jack Miller, 7 to 5, on Saturday, and then playing jittery ball to drop a 9 to 1 decision to the Grand Forks juniors here Sunday afternoon.

This evening, in a six o'clock game, Coach Welton will send his team against the Stephen juniors on the Fair Grounds diamond. On Saturday, the locals make a trip to Hitterdahl, where they play Ulen, and then they move on to Detroit Lakes for a game against the Lakers. Sunday evening the locals will play the Warren juniors on the Fair Grounds diamond; and on Tuesday evening the Karlstad, with one win over Coach Welton's nine, will attempt to add another win to their record.

Saturday's game at Bagley was featured by the nifty pitching of Bagley's all-round athletic star, Jack Miller, Miller, showing a good fast ball and a sharp curve, held the locals to seven hits, with Swede Lund getting the only extra-base blow, a triple in the 2nd inning. Wayne Gothe was given the hurling job for the locals, and the chunky pitcher tossed fair ball until he tired in the 4th inning, and then Lund moved on the mound.

Against Grand Forks on Sunday afternoon, the locals were sluggish in their play and appeared to be somewhat "awed" by the North Dakotans, losing by a 9 to 1 score. Don Perkins' wildness in the first two innings—he gave up seven bases on balls—and hits by Bjerke and McEnroe, gave Grand Forks a 5 to 0 lead. Swede Lund again had to enter the game as a relief hurler, and the blond curver pitched five-hit ball in the five innings that he worked. Meanwhile Grand Forks' Bjerke was hand-cuffing the local batters with an assortment of "slow" stuff, doling out but four hits. Goethe and Rob Amundson touched him for singles in the 1st inning, Larry Hylden got a safety in the 5th, and Lund drove out a hit in the 6th inning. Bjerke whiffed nine of the locals, while Perkins had four strikeouts in the two innings he pitched, and Lund marked up five strikeouts.

NORTHERN MINNIE LOOP STARTS PLAY

Thief River Falls Bests Plummer in 11 Innings

Northern Minnesota Baseball League

Games next Sunday:
Red Lake Falls at Thief River Falls.
St. Hilaire at Plummer.

Two errors by Plummer's Morris Page in the 11th inning, allowed the locals to score the game's only run and break up a tense pitching duel between Thief River's Hemmy Sahl and the Red Sox' George Saunders in a Northern Minnesota baseball league, played on the Plummer diamond Sunday. The locals will make their first home appearance on Sunday afternoon with Eddie Kiefenheim's Red Lake Falls nine providing the opposition on the Fair Grounds diamond. In the other league contest played Sunday, St. Hilaire, with Woody Almquist clouting out a "grand slam" homerun, defeated Red Lake Falls, 11 to 1, in a game played at Red Lake Falls.

Sunday's league opener at Plummer was featured by the

Northern Minny League

If that 1 to 0, eleven-inning game at Plummer which the locals won is any indication, fans are due for considerable first-rate baseball entertainment during the league schedule of the recently re-organized Northern Minnesota Baseball league.

The fans that were on hand at Plummer, and there were quite a number, left that 1 to 0 game well-pleased and commented favorably on the caliber of the play that the boys exhibited. It's true that Sunday's game was a pitcher's duel, with Hemmy Sahl and George Saunders having too much "stuff" for the hitters, but with more practice and more competition the batters will be sharpening their hitting and improving the timing of their swings.

Servicemen in Lineup

With eight of the nine players in the local lineup being returned servicemen, it was decided to limit Sunday's game to a seven-inning encounter, but when the seventh inning rolled around without a score, managers Johnny Jaranson, of Thief River, and Deane Schoenauer of Plummer, agreed to play a nine-inning game. Came the ninth inning and a scoreless tie, but after some discussion, and realizing that it was a league game, the contest moved into extra innings, and but for a pair of errors by Plummer's Morris Page in the top half of the 11th inning, the two teams would probably still have been tied at 0 to 0.

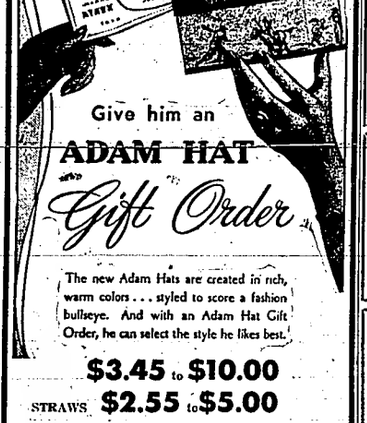
The local nine will open their "home" league schedule on Sunday afternoon with a game against Red Lake Falls. Better make a point to be out at the Fairgrounds. Incidentally, St. Hilaire, due to the fact that they cannot get their diamond in condition for a game on Sunday, will play at Plummer on Sunday. St. Hilaire, the league favorite, had been slated to open their season at St. Hilaire, with Plummer providing the opposition, but that game has been transferred to the Plummer diamond.

Mr. Northern Pike Sizer

That's the term by which the Times organization is addressing the caliber of the play that the boys exhibited. It's true that Sunday's game was a pitcher's duel, with Hemmy Sahl and George Saunders having too much "stuff" for the hitters, but with more practice and more competition the batters will be sharpening their hitting and improving the timing of their swings.

Mister Sizer had his big northern pike—there have been a couple of larger pike brought into town, but they have been caught in Canada—on exhibition at the Hartz store on Monday and Tuesday, and it brought out many "ooh's and ah's.

A Boost for the Navy



Among the group of boys that left to join the navy yesterday morning was the Prowlers football captain, Wes Hovic, and the Prowlers basketball captain, Ninnk Carlson. They should make a fine pair of sailors, but it means that Wes will have to miss the North vs. South all-star game in Memorial Stadium in August. Wes Hovic had been honored by selection to the North Squad, and he had looked forward to playing in the game.

CULL FLOCKS NOW, CO. AGENT PALMER ADVISES GROWERS

Points out Cost of Feeding Non-producers in Poultry Flocks

The biggest problem facing poultry producers today is the rapid disappearance of feed, according to County Agent Ernest Palmer. Poultry raisers in Minnesota alone can save 70,000 tons of feed by culling those hens that are not paying for their feed in egg production.

Many hens have quit laying until early next winter. Nothing is to be lost by getting rid of these non-layers now, and there is everything to gain, Mr. Palmer says. In most flocks, 25 percent of the hens can be culled without loss in egg production, according to Cora Cooke, extension poultry specialist at University Farm. Feed saving is the most important gain. Every 100 hens culled now will save enough feed in four months to raise 100 pullets to maturity. In those pullets rest our assurance of enough eggs for next fall and winter.

Selling hens now is likely to net the farmer a higher price. The price of poultry traditionally drops during the summer, and the present ceiling price scales call for a drop of one cent to the low point of the season in July.

In addition culling now will help prevent over crowding market facilities later.

Miss Cooke urges all farmers to cull their own flocks at once. Licensed cullers, working through local hatcheries, can do the job for those who do not have time for culling. Their fee would be more than covered by the saving in feed and advantage in price that culling now makes possible.

37 KILLED IN MAY AUTO ACCIDENTS

Sixteen Pedestrians Are Included in Total

Thirty-seven persons were killed in motor vehicle traffic accidents in *Minnesota in May, according to* reports compiled by the state highway department. This is 13 more than in May last year, but 16 less than in May, 1941, last pre-war year.

May fatalities brought the year's total to 161, compared to 124 in the same months in 1945, 127 in 1944, 90 in 1943 and 201 in 1942.

Sixteen of the May victims were pedestrians. Five of them were children under ten and 11 were adults from 31 to 69 years old. Three pedestrians killed were victims of hit-run drivers.

Eleven persons were killed in motor vehicle collisions, three of them in one accident. Carelessness in passing other vehicles, parking vehicles partly on the pavement, defective steering apparatus, and driving while under influence of intoxicants were some of the contributing causes reported.

Six were killed in cars that ran off the road and overturned or struck fixed objects. Theee were killed in collisions with trains, two of them in one accident. One was killed when he fell out of a truck in which he was riding.

Times want ads bring results.

"Insurance Is My Business"

The blacksmith shops and the carriage horses have vanished long since from the streets of Home Town, U. S. A.—but the game they started goes on and on. In the cool freshness of a summer evening, the soft thud of the ringer around the peg is as typically American as the roar of airplane motors overhead.

One is as important as the other. For the measure of mechanical genius is taken in leisure and the measure of freedom is taken in the right to enjoy the ordinary pleasures of daily living.

To every American—banker, truck driver, farmer, mechanic, office worker—a glass of beer writes a pleasant period to any hard day's work. The right to enjoy this sociable drink of moderation and good sense is part of our American heritage. It fits right into the greatest pattern of living in the world—America.

Mildew Stain

When basements or other rooms become stained with mildew, due either to inadequate ventilation or excessive dampness, the affected surfaces may be cleaned or scrubbed with a cleaner to which has been added a mildecide which is obtainable in paint stores. As a measure of prevention of mildew in such rooms, a mildecide may be mixed with paint, in the proportion directed by the manufacturer. If excessive dampness is due to structural defects, a competent contractor who understands waterproofing should be consulted. Then, after the condition has been remedied, the surfaces of the room should be properly painted.

Bemidji-Minneapolis Canoe Derby July 10-19

Nearly 50 teams are expected to enter the 1946 version of the Paul Bunyan Aquatennial canoe derby down the Mississippi river July 10 to 19.

The race, one of the sports world's most gruelling tests of human endurance, will start at Bemidji and continue 10 days over 460 miles of river water to Minneapolis.

In the years that have intervened since the first canoe derby in 1928, nationwide attention has been focused on the race. This year Warner Brothers will send a technicolor camera crew here to make a 3,000-foot "Sports Short" of the derby.

John Scheefe of Minneapolis, chairman of the Aquatennial canoe derby committee, already has received entries from several Indian teams from northwestern Minnesota. Two teams from Kenora, Ont., and several from the Twin Cities have indicated they will enter. Entry blanks are now available for prospective contestants and may be obtained from Scheefe at 14 University avenue N. E., Minneapolis.

Marshall Co. Creamery Picnic

The annual Marshall Creameries Picnic held at the Middle River State Park last Sunday was attended by farmers and business men from all parts of Marshall county and from adjoining counties. The total number of automobiles on the picnic parking grounds was estimated to be 900, with an estimation of over 4000 people in attendance. Major Felton of Middle River, who is home on terminal leave after long service in the army gave an interesting talk on "The Answer for War", after a few humorous remarks which the audience enjoyed. Stuart McLeod of Thief River Falls, spoke next on current dairy and creamery problems. Several songs and musical numbers were rendered by groups of young people from Newfolden and Viking. The baseball game played with Strandquist vs. Florian was won by Strandquist by a score of 11 to 2. A kitten ball game was also played at the same time with Middle River beating Viking 10 to 2. The weather for the event was perfect except a strong southwind which made the men haner onto their hats and it also bothered the fairer sex some to. After all it was grand day and everyone seemed to enjoy the program and there were four concession stands where the usual hamburgers and coffee and other items were available. The management wishes to thank everyone for the fine co-operation shown and hope to see everyone there again next year.

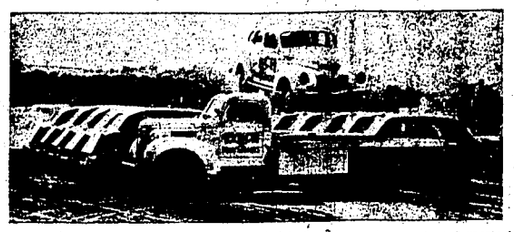
GOVERNMENT ASKS CONTINUED BUYING OF SAVINGS BONDS

Second Anniversary of D-Day Today Marks Opening of Campaign

Minnesotans will be asked to put every possible dollar into United States savings bonds during a campaign to be conducted by the savings bond division of the treasury department starting, June 6, second anniversary of D day.

The campaign to run through July 4, will seek to increase safeguards against inflation by drawing off surplus cash, said Leif Gilstad, chairman of the state war savings bond division.

Nationwide appeals will be made by Gen. Eisenhower, Mrs. Harry Truman and other prominent Americans during the campaign.



National sales of savings bonds have reached $3,500,000,0000 so far in 1946. Of this sum more than $2,000,060,000 was in E bonds.

Milton H. Prince, director of the state savings bond division, reported sales of E, F, and G bonds in Minnesota totaled $51,438,929 during the first four months of 1946, compared with war bond sales of $51,360,168 in the first four months of 1945.

Firearms Dangerous

Accidents with firearms ranked second as the principal type of accident in the 5-to-24-year-age group in 1946, and although deaths from all home accidents decreased 4 per cent in that period, deaths from firearm accidents in the home did not decrease at all.

THRILL DAY FEATURE AT COUNTY FAIR AUGUST 3

On Thrill Day, Saturday, August 3, at the Pennington county fair will present as a special thrill feature in front of the grandstand the original Jimmie Lynch Death Dodgers in a two hour thrill-packed circus of automotive speed and dare devitry.

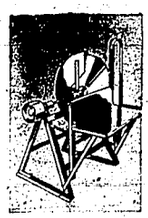
Among some of the stunts will be a sensational crash of a standard stock sedan through a double solid wall of fire; the deliberate rolling of an automobile going at fifty miles an hour end over end; driving singly, in tandem and Roman style, three abreast over ramps and skis, reverse spinning, and hub to hub precision driving.

A Death Dodger sliding off the rear end of an automobile traveling at sixty miles an hour onto the ground; the leaping of an automobile from an inclined ramp, 100 feet through the air over a parked bus or transport into a parked automobile in a head on crash and a dozen other equally hazardous stunts are all a part of todays fair program in front of the grandstand.

LUTHERAN CHURCH NOTES CENTENNIAL

Elaborate Program Is Planned for Occasion

Climaxing the 17th general convention of the Norwegian Lutheran church of America, being held in Minneapolis, June 11-18, will be services Sunday commemorating the centennial of the Church's foundation and a memorial service in honor of the men and women who fought and died in World War II. Both services will be held in the Minneapolis municipal auditorium.



Formal ceremonies planned for 1943 were of necessity postponed, pending the end of the war. Now in connection with its regular biennial convention, the church will pause to remember its origins, to thank God for the blessings of the past, and to plan for the years which stretch ahead.

Speakers at the centennial observance Sunday afternoon at 2:30 will be Dr. T. F. Gullixson, president of Luther Theological Seminary, St. Paul, and first vice president of the Church. Dr. Gullixson's subject will be, "So Great a Cloud of Witnesses."

The Memorial observance will be held at 7:30 p. m. with a service of memorial and thanksgiving for victory. Over one hundred thousand members of the Norwegian Lutheran Church of America served in the Armed Forces during the Second World War. A total of 3554 paid the supreme sacrifice for their country. Speaker will be the Rev. N. M. Ylvisaker, D. D., Litt. D., director of the Service Commission of the National Lutheran Council.

3 PRIZES WON IN FISHING CONTEST

Three Men Win $1,700 in Big KSTP Event

Three fishermen already have claimed awards worth nearly $1,700 in Radio Station KSTP's $667,-100 tagged fish contest, which is being conducted this summer to better acquaint state sportsmen with the work of the conservation department fisheries research bureau. Special guests from various Mississippi valley points are expected to join the exciting quest in mid-June, adding to Minnesota's nationwide publicity.

First honors went to Joseph A. Bell, St. Paul, who boated a tagged Walleyed pike in Lake Mille Lacs Thursday, May 16. Second fish was reported by Vernon Paterson, St. Louis Park, who landed his also in Mille Lacs, May 18. Actually, first of the tagged fish taken was caught by W. B. Taylor, Grand Rapids, assistant county attorney of Itasca county, who netted his a few hours after the pike season opened on May 15. His catch was made in Bow String Lake.

Each of the anglers receives prizes totaling $561.40. With three of the prize fish taken, 997 remain in Minnesota lakes to be caught before the contest ends midnight September 27, 1946. To each person returning on the special tags to KSTP in that period will go $561.40 in merchandise prizes.

In addition the first person turning in a KSTP tag with a number ending in 00 or 000 will receive a $1,000 check from KSTP, a new 1946 automobile, 14-foot aluminum rowboat, home freezer, completely equipped camp trailer, and a five day all-expense vacation for two. All tags, of course, should be sent to KSTP in order that they may be sent to the fisheries research bureau.

State 'U' Accepts All Minnesota Applicants

All restrictions on admission to the University of Minnesota apply to non-residents of the state only and no restrictions have ever been applied to applicants who are residents of Minnesota, William S. Carlson, dean of admissions and admissions announced again this week.

"The rumor has spread that restrictions have been applied to Minnesota residents, and I think it important that the truth be presented," Carlson said. "Young people who are Minnesota residents are to be admitted on the same basis they always have been and no change is even contemplated."

He pointed out that in some Minnesota communities it has been reported that a student must be in the upper ten percent of his high school class to be admitted. Actually, graduation from an accredited high school is all that is required.

Stain Buildings

Many insecticides and fungicides have a tendency to stain wood, painted surfaces, or stone. This should be taken into consideration when working with ornamental shrubs and vines around buildings.

THINGS EVENTUALLY COME TO THOSE WHO WAIT

A crockery order placed by W. A. Fiesen, St. James merchant, August 3, 1943, was invoiced May 16, 1946. But an all time high for delayed action was reached at Virginia when a watch started by Lauri Avikainen to his soldier son owen for 1943 Christmas, was delivered to Owen in Mid-May 1946 by the jeweler who originally sold it. The ship bearing Christmas packages was torpedoed and put back to United States port, where the surviving mail was carefully checked. The address on Owen Avikainen's watch package was obliterated but the name of the firm that sold it was still legible and the watch was returned to them. Jeweler Savolainen held the watch hoping th original purchaser would be found and when Senior Avikainen took his returned soldier son in to duplicate the lost Christmas present, said watch was handed over without cost in good condition.

The city of Caracas, Venezuela, was founded in the year 1567.

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

"Jim is a bright boy, but he doesn't get along very well in school. The other children don't like him." "Mary demands so much attention from the teacher—she is always showing off. I wonder what is the matter."

The problem of emotional and social adjustment is a most important one for the child. Many factors may play a part, such as intelligence, health, size for age, the child's interests and skills. One of the most important is the attitudes of the parents toward the child. A recent study of 50,000 grade school children in 36 states concluded that the children of parents who had "superior" attitudes toward the child and the home, make a better emotional adjustment than do the children of parents with "inferior" attitudes.

What are superior attitudes? They include genuine love and affection for the child, so that he feels secure. At the same time he must be given a chance to learn independence. He must not be so closely tied to the family that he cannot act alone. He must not be so coddled and protected that he is lost if he has to decide something for himself.

Once a decision is made, the child should be expected to abide by it. Naturally, he will make some mistakes. If he feels that the family tries to understand his viewpoint and does not blame him for these errors in decision, his adjustment will be easier than will the child who feels that his family blames him for poor decisions.

This apparent contradiction of stressing security and independence at the same time is not really one. The child who feels himself a real part of the family need not try to seek attention in undesirable ways and can spend his efforts in making good school and social adjustment. He has more time and energy to put into contacts with a widening circle of friends and activities because he is sure of the warm respect and affection of his parents.

PET PONY PLODS TO PLACID PATRIARCHY

Red Wing—Eat well, move deliberately and only when you have to, is the secret to long and happy years as disclosed by Dobbin, 33-year-old Shetland pony at the K. F. Freiheit home. Bought in 1935 as a two-year-old pet for a daughter, the tiny, gentle pony has spent 31 years grazing and sunning himself in the Freiheit yard. He has outlived his little mistress by 17 years.

VIKING

Ask GI's to Register Early for State "U"

Since half of the anticipated fall enrollment of 21,000 to 22,000 students at the University of Minnesota will be veterans, early action on the part of veterans hoping to attend the state university is urged by Curtis E. Avery, the university's director of veterans affairs. Those intending to enroll should get their high school credentials as early as possible this summer, he advised and should consult the university veterans' bureau for admission applications. Already 1,500 veterans have been interviewed at the bureau and have signified their intention of starting classes at the university in the fall. At present approximately 9,000 veterans are studying on the Minnesota campus.

Trunk Highway Traffic Is Near Pre-war Volume

Traffic on Minnesota Trunk highways in April averaged 92.7 per cent of the traffic volume in the same month in 1941, according to data collected at 25 automatic recorder stations operated by the highway planning survey, cooperative project of the federal public roads administration and the state highway department. Traffic volume in previous months, since operation of the recorder stations was resumed January 1, showed the following percentages compared to the same months in 1941: January, 96.8; February, 93.9; March, 105.7. Operation of the stations was suspended during the war.

UNEMPLOYMENT IN AREA LESS IN MAY

Smaller Number Seeks Unemployment Payments.

Indications are that the employment outlook in this area is the brightest since V-J Day, according to the weekly summary of the Thief River Falls office of the U. S. employment service, serving five counties in Northwestern Minnesota.

While employment still exists in certain types of occupations, the total unemployment is much less than had been anticipated for the post-war period, the report states.

The sumary reveals that on May 31 there were 691 men registered for jobs, 6f whom 499 were war veterans, in addition to 141 women. During May a total of 105 placements were made, while during the month there was a decline of 25 per cent in the number of cases drawing unemployment compensation or soldiers' readjustment allowances.

FISHING LICENSE EXEMPTIONS FEW

Game and Fish Division Clarifies Provisions

Because many persons misconstrue fishing regulations as to just who may angle legally without a license, the following information is provided by the Minnesota division of game and fish.

Everyone must have a license to fish in Minnesota except the following::

1. A resident of the state under 18 years of age.

2. A non-resident of the state under the age of 16, when accompanied by a parent or legal guardian who has obtained a non-resident fishing license.

3. A resident of the state, in the military or naval forces of the United States, stationed outside of the state, but on official leave, furlough, or terminal leave, providing official papers are on person to prove same.

4. Any citizen of Minnesota receiving old age assistance, or who is blind, may be issued a license to take fish free of charge. Since this measure was passed by the State Legislature in 1940, 44,510 such licenses have been granted. The high was 16,699 in 1942. The total last year was 8,828.

It is important to note that residents of Minnesota, as well as non-residents, who are in the armed forces and stationed in the state, are required to have a fishing license. No non-resident member of the armed forces, whether he be stationed in the state or not, may fish wiuthout license. He is, however, privileged to buy a resident license while stationed within the state.

STATE HUNTERS BAG 69,335 DEER

Game and Fish Division Reports on 1945 Season

Total game bags of Minnesota hunters for both big and small game for 1945 topped the 1944 figures although there was a general decrease in bag per license last year, it was announced today by L. E. Fiero, director, division of game and fish, Minnesota department of conservation.

Big game hunters took a total of 69,335 deer last year, as compared to 62,820 in 1944, but as licenses increased from 96,491 to 115,337, only 58.1 percent of the hunters were successful in taking deer in 1945, as compared with 65.1 per cent in 1944.

Small game hunters bagged a total of 3,774,276 birds last year compared with 3,489,621 in 1944 but the average take on 254,063 licenses in 1945 was 14.85 compared with 15.09 on 231,145 licenses in 1944.

The total number of pheasants taken fell off last year from the year previous, although there was little difference between the number taken per hunter. A total of 801,824 pheasants were reported taken last year, compared to 910,286 in 1944. The 1945 hunter averaged 3.1 birds compared to a 3.9 bag the year previous.

Duck hunters were very successful in 1945 taking a total of 2,832,375 for an average of 11.1 per license. In 1944 the total taken was 2,450,507 or 10.6 ducks per license.

Recreation Highlights

(Crowded out last week)

The play center in the arena, is open the year round. Send your children of 4 years and over, to enjoy good wholesome play and supervision this summer.

Beginning next week June 12th, and for 7 weeks a six-hour day camp will be held each Wednesday. The children will meet at the arena and leave promptly at 10:30 for a camp site. There a fire will be made for them so they may cook their dinner in the open. They will be back in town shortly after 4:30.

Each child must provide his own food and drink for the noon meal and an afternoon snack.

Only children, who will not hinder the group will be able to participate in this day-camp. If you enjoy a day out, you are invited to take part.

On Tuesday afternoon Nell Carlson was 5 years old. Her mother, assisted by Mrs. Willa Johnson and Camille Dostal served lunch to 45 children. Nell received many gifts from his play pals.

Carol Davidson, Myrtle Faye Heuerud, Marlys Egnes and Barbara Lee Klein, are assisting our supervisor, Camille Dostal, in many ways at the center. This is very good training in leadership for these young girls. It takes volunteer assistance to keep our play school running smoothly when so many come in to play.

The center is open from 1 to 5:30 Monday, Tuesday, Thursday and Friday. If we are rained out for our day camp, then there will be play at the arena on Wednesday also.

USE NEW SPRAY TO DOOM DANDELIONS

County Agent Endorses Weed Killer 2, 4-D

An effective weapon to use against weeds in the home lawn is the new weedicide, 2, 4-D, says county Agent Ernest Palmer. According to A. H. Larson, assistant professor of agricultural botany at University Farm, 2,4-D sprays will control broadleaved lawn weeds such as common chickweed, plantain and dandelions, but will have little or no effect on crab grass. Use of 2,4-D on dandelions is one of the most effective ways of eradicating this pest.

While good results may be obtained from spraying at any time when the weeds are actively growing, the more rapid the growth, the quicker and better the results will be. To get rid of dandelions in the lawn, apply the 2,4-D at once.

Spray on the morning of a dry, clear day, when the temperature is higher than 60 degrees, Larson advises. Though a sprinkling can may be used, a pressure spray is better. Enough 2,4-D should be used to cover the leaves of the weeds completely. For thorough spraying, about 5 gallons per 1,000 square feet are required. Care should be taken Larson warns not to allow any spray to fall on the leaves of ...s, shrubs or flowers. Many flowers and vegetables, especially tomatoes are killed or injured by even small quantities of 2,4-D.

One spraying is usually all that is necessary, but if weeds are not under control, a second and third application may be made in late June or early July and again in September. Two or three weeks after the spraying, sow more grass seed to replace the weeds that have been killed.

Larson advises using the sprayer only for 2,4-D. If it must be used for other sprays, wash it thoroughly with hot soapy water several times and rinse well.

TWO UNUSUAL FAMILY REUNIONS

Mrs. Anna Sammons of Tracy had nine sons and a daughter in military service during World War II. Two of the boys wont be back, the WAC is still in uniform. Seven sons are home helping Mother look over a big accumulation of interesting mail from their various stations throughout the world. Six handsome sons of Mr. and Mrs. Carl F. Hauschildt of Red Wing, all safe and sound wearing from one to six stripes apiece, recently enjoyed their first reunion in five years.

Cut Selvage Edge

When making your own glass curtains, be sure to cut off the selvage edges before hemming. This little extra trouble in sewing will avoid the disappointment of puckery edges after laundering. This is because a selvage is more tightly woven and tends to shrink more in washing than the body of the curtain.

Traffic Safety Check Reveals Unsafe Cars

Nearly two-thirds of the vehicles checked in the traffic safety check which started May 15 had some defective equipment, according to a summary of preliminary reports received from participating communities.

Of the first 2,397 vehicles checked, 1,517 had one or more mechanical deficiences. There were 337 cars with faulty brakes, 1,041 faulty lights, 231 defective horns, 558 obscured vision and 124 defective windshield wipers, while 28 drivers did not have valid drivers license in possession.

The nation-wide traffic safety check is sponsored by International Association of Chiefs of Police, Sheriffs, municipal traffic officers and the state highway patrol are cooperating in the check in Minnesota.

LAD OF 8 SAVES 3 SISTERS FROM FIRE

Willmar.—Two lessons can be learned from a farm home fire near here. One in house construction, one in presence of mind and bravery. When an 8-year-old lad went downstairs in the morning he found a mass of flames in the kitchen barring the only out-side door to the house. He went back, broke windows, and got three younger sisters to the ground, then called his parents at the barn, who were able to save very little of the contents of the home.

CITY COUNCIL CONDUCTS BUSY SESSIONS

Orders Condemnation of Property Needed for Millyard Road

At meetings Monday and Tuesday evenings, the city council approved permits for approximately $70,000 in new commercial and residential building construction; authorized City Attorney Theodore Quale to proceed with condemnation actions to secure title to property in the millyard needed in connection with construction of the new bridge and approach; and voted to call for bids to be opened July 9 for the sale of the city poor house, not now being used for that purpose.

Principal building projects authorized include a new pasteurizing plant to be erected by Waldie and Wallace Christenson on LaBree av. north of the city power plant at an estimated cost of $10,000; a commercial garage to be built by Ingvald Hanson on the west side of Main av. north of the Great Northern tracks, to cost $12,00; and a truck garage and refrigeration plant addition to the Gamble-Robinson company building to cost $8,400.

Granted permits to erect new homes were Robert Robarge, Ernest LaCoe, Ned Langnes, David Danielson, O. B. Hanson, Peder Furuseth and Ward Long.

Property owners in the old millyard whose holdings are affected by the condemnation proceedings are the Martin Owen estate, Bill LaFave, Phil Cote, Mrs. Dorothy Holzknecht, Robertson Lumber company and the Soo Line.

Given its third and final reading and approval was an amendment to the 3.2 beer ordinance, requiring taverns to close at 12 midnight and to remain closed all day Sunday. The revised zoning ordinance was given its second reading.

At the request of the cemetery commission, the council authorized that body to arrange for, secure plans and specifications covering a proposed chapel and storage vault which the commission desires to erect in the new portion of Greenwood cemetery.

The council appointed Paul J. Perrault foreman of the city street department effective June 15. A petition calling for the resurfacing of First st. east from the bridge to the intersection with Highway 59 also was read, action being deferred to a later meeting.

REV. JOHN O'TOOLE TO TAKE NEW POST

To Serve as Assistant in Crookston Parish

Rev. John O'Toole, who for nearly four years has served as assistant pastor of St. Bernards church in this city, is leaving Saturday for Crookston to take over the duties of second assistant to Msgr. Joseph Wurm in the Crookston Cathedral parish.

During his period of residence here, Rev. O'Toole has been among the most active leaders in Boy Scout activities, serving the past two years as district commissioner.

A farewell gathering in form of "open house" will be held this evening at 8 o'clock in St. Bernard's church parlors, and a general invitation is extended to the public.

Employment Office Here Shows Marked Increase in May Job Placements

The United States employment service during May found 10,663 jobs for Minnesota workers, State Director Dreng Bjornaraa said Thursday, in reviewing last month's operations.

Placement of women workers was below normal there being 1,584 or 17 per cent of the total. This was due to lack of female applicants, particularly qualified stenographers and clerks. During the month the agency placed 289 handicapped workers, most of them being World War II veterans.

In Minneapolis the month's placements were 3,038; in St. Paul 1,707 and in Duluth, 1,049. Thief River Falls also made an excellent record having 171 per cent more placements than a year ago and 130 per cent more than last month. This was due mainly to construction work.

Two Boys Face Serious Charge of Shooting at Automobiles with Rifle

The lives of several motorists were endangered during the past week as the result of the reckless use of a .22 rifle by two juveniles in the vicinity of the sewage disposal plant on Highway 32 adjoining the south city limits. The two boys ages 11 and 12, were to be brought into juvenile court late this morning to face the serious charge of shooting at automobiles. Police reported that windows were broken in several cars, and the passengers narrowly escaped being hit.

CIVIC & COMMERCE URGES PERMANENT PLANNING AGENCY

Committee to Select Site for New State School Coming July 11

Members of the Civic and Commerce association at last Thursday's luncheon meeting participated in a lengthy discussion on a proposal to organize a permanent planning board in Thief River Falls to succeed the post-war planning group headed by Roy J. Oen.

Following an interchange of ideas as to the groups to be represented in such an organization, the membership authorized President L. B. Hartz to appoint a committee of three, of which Secretary Russell E. Olson was designated as one member, to confer with other local agencies and to report back at a later meeting of the association.

Robert J. Lund, committee chairman, announced that the commission appointed last year by Governor Thye to recommend a site for the proposed state institution for the feeble-minded to be built in Northern Minnesota would visit Thief River Falls Thursday, July 11, and he solicited the cooperation of all local groups in properly presenting the merits of this community.

RAU TELLS OF TRIP TO ATLANTIC CITY

Served as Delegate to International Rotary

At the Rotary club luncheon Tuesday noon in the Evelyn hotel, A. J. Rau, who represented the local club at the International Rotary convention this month in Atlantic City, N. J., gave details of his journey, made by automobile in company with Mrs. Rau.

He reported that the convention drew an attendance of 13,000 delegates from 33 countries of the world. The state of Minnesota, he added, was well represented on the program, with addresses by former Harold E. Stassen and Congressman Walter Judd of Minneapolis as speakers. Mr. Rau said, that the United Nations organization must be made to work effectively if an enduring peace is to be achieved.

Community Methodist Church to Collect Food Sunday for Europeans

Members and friends of the Community Methodist Church are joining in the campaign to send food to starving Europe by bringing their contributions to the church next Sunday, June 23.

The food will be sent to the church committee for overseas relief to be distributed by the Methodist committee in Europe. Donors are asked by the committee in charge to bring any article of canned foods canned in tin as well as dehydrated foods. Those who desire may contribute money to help pay the transportation costs of the food.

A collecting depot has also been established at the home of Mr. and Mrs. H. W. Millar, 518 N. Main, for those who do not find convenient to bring their contribution to the church.

11-CENT BUTTER PRICE RISE IS NOW IN EFFECT

Move Is Designed to Stimulate Output of Scare Commodity

Designed to stimulate the manufacture of butter so that the demand for the product will be more adequately met, federal price control agencies authorized, effective at midnight Sunday, June 16, an increase of 11 cents per pound of butter, making a price of 64 cents per pound in Thief River Falls this week.

At the same time an increase of six cents per pound in the retail price of cheddar cheese authorized, while the manufacturers price was raised five cents per pound.

In carrying out other instructions of stabilization Director Chester Bowles designed to increase the output of butter, OPA also took these actions effective immediately:

1. Established for the first time price ceilings on milk bought from milk producers by dairy products and commercial users.

2. Brought under price control for the first time all bulk sales of commercially separated cream sold by any seller other than farmers. Sales by a cream station to a butter manufacturer are exempt.

High prices for butter and cheese follow by 10 days an OPA order raising the cost of milk a penny a quart.

Under the new butter price order, John Brandt, president of Land O'Lakes Creameries, Inc., said "it is likely more cream will be manufactured into butter."

"The 11-cent increase in prices," he explained, "will not add to the income of the dairy farmer whose butterfat is now being sold as cream.

"The new butter price is intended only to equalize butter prices with cream prices, as the new ceiling order does not increase the price of cream above levels of the past month".

One reason why butter production in the country's creameries has been almost completely discontinued, he added, is the government's artificial ceiling on the butter price, which kept these prices far below those for butterfat sold in the form of cream.

"The new order places butter on approximately an even footing with cream and that means many creameries will switch back to making butter which is what they have wanted to do all along," Brandt said.

Brandt said principal beneficiary of the new butter price will be the consumer, "because under past regulations of OPA butter has been just about priced out of existence."

Gordon Camp Flies with Infant to 'U' Hospital in Minneapolis Sunday

Gordon Camp, flight instructor at the local airport, Sunday morning made an emergency flight to Minneapolis, taking Mrs. Gerald Nelson of the rural community near this city and her year-old daughter Pamela, who was brought to University hospital to receive treatment for a throat obstruction. Leaving this city at 9:15 in the morning, the plane arrived at Wold-Chamberlain Field, Minneapolis at 12:45 after stops at Park Rapids and St. Cloud. Reports received from the hospital indicated that doctors were not able immediately to determine the cause of the child's condition.

MRS. DELLA B. ZEH, RESIDENT HERE 49 YEARS, SUCCUMBS

Prominent Resident Dies Following Many Years of Ill Health

Mrs. Della B. Zeh, for the past 49 years a highly esteemed resident of Thief River Falls, and with a more than local reputation as an artist, poet and nature lover, succumbed Sunday in a local hospital at the age of 77. She had been in ill health since suffering a severe stroke about 13 years ago.

Funeral rites were conducted Tuesday afternoon from the Erickson-Lund Funeral Home, with Rev. D. T. Beadle officiating, and interment was in Greenwood cemetery. Surviving are her son Ernest and granddaughter of Grafton, N. D., while she was preceded in death by her husband, Emil E. Zeh, and a daughter Zella.

Born in Salem, Indiana, July 25, 1868, she moved with her parents in 1871 to Dassel, Minnesota, and later lived at Minneapolis and Red Lake Falls, where she was married to Emil Zeh in December, 1891. A year after she had come to Thief River Falls.

During her more active years Mrs. Zeh played a prominent part in the life of this community. She was one of the group of women who took the lead in the establishment of the Carnegie public library, and served for many years as president of the board.

She was a charter member of Woman's club, and the Zehlian grove is named in her honor. She also was at one time a member of the city park board.

Mrs. Zeh was a poet of outstanding ability, specimens of her work having been published in several anthologies. As a handicraft worker and artist, she also gained fame and when a stroke deprived her of the use of her right arm, she learned to use her left hand and produced excellent water color paintings up to within a week of her death. Until incapacitated, she also had maintained an extensive flower garden at her home adjoining the tourist park.

Carnival Fireworks July Fourth Will be Truly Spectacular

Water Carnival Booster Buttons Now Being Sold

Jaycee water carnival booster buttons this week have been making their appearance on coat lapels in increasing numbers. Each button bears a number, and Howard Holum, publicity director, suggested that the wearer study a window in Oen's store for details of the award of numerous pairs of nylon stockings.

Winding up the third annual water carnival and victory celebration in this city Wednesday and Thursday, July 3 and 4, will be a fireworks display at the fairgrounds the night of the Fourth that members of the Junior Chamber of Commerce, sponsoring organization, modestly characterize as gigantic, titanic and stupendous.

The Jaycees back up their claims with the announcement that the fireworks exhibition, including both aerial and ground displays, will be more than three times as elaborate as the displays successfully staged here on the Fourth in recent years.

Plans for the parade at 1 o'clock the afternoon of July 4 are progressing smoothly, it was announced. Firms wishing to sponsor floats are asked to consult Orvin Hall, float chairman, for suggestions.

Quentin Jones, in charge of the sports events, said many entries have been made by local boys, but his committee is desirous of having more girls participate in the day's events, which will include swimming races, golf, tennis and archery. Medallions and trophies will be awarded the winners.

The city council Tuesday evening granted the request of the Junior Chamber that Second st. be blocked off from Knight av. to LaBree av. to provide space for concessions and Carnival attractions.

Robert Kirkconnell Weds Virginia Wolfe at Duluth Ceremony

Betty Virginia Wolfe, daughter of Mr. and Mrs. Stanley Wolfe of Findlay, Ohio, and Robert Kirkconnell, Jr. son of Mrs. Monta Kirconnell of this city, were united in marriage by Rev. Conrad of Concordia Lutheran church, Duluth, Sunday at 2:00 p. m. in the presence of immediate relatives and friends. The double ring ceremony was used and Mrs. Lyle Winters furnished music for the occasion.

The bridal couple were accompanied to the altar by Mr. and Mrs. K. Kinsella, brother-in-law and sister of the groom.

Miss Wolfe wore an aqua suit with black accessories and a white orchid corsage, while her matron of honor had a cerise suit with black accessories and gardenias. For her son's wedding Mrs. Kirkconnell was dressed in luggage tan with a corsage of talisman roses.

A reception was held following the ceremony at the Kinsella home and the couple left for Minneapolis to reside.

The bride was formerly a secretary at the Ford Motor Co. at Ypsilanti, Mich. Mr. Kirkconnell is a medical student at the University of Minnesota and was recently discharged from the army, having served 28 months with the air corps in India.

Miss Violet M. Pudas and Russell Johnson Exchange Vows June 4

Miss Violet M. Pudas, who has been serving as first grade teacher at Washington school the past year became the bride of Russell Johnson of Badger at a double ring ceremony performed at Our Saviour's Lutheran church in Cloquet Tuesday, June 4. Pastor Olaf A. Sessing officiated the exchange of vows at 5:00 P. M. in the presence of the immediate families.

"O Perfect Love" and "Because" were sung by brothers of the bride, and serving as bridesmaid was Miss Evelyn Thompson of Sebeka, a class friend. Best man was Edmund A. Johnson of Badger, the groom's brother.

The bride wore an attractive street-length white taffeta dress with short sleeves, sweetheart neck and white hat with heart-shaped brim. Her flowers were talisman roses, white sweetpeas, and lilies of the valley. Her attendant had an aqua street-length dress with white mitts and accessories. Pink roses and sweetpeas composed her corsage.

A wedding supper followed at the bride's home for only the immediate families, and Mr. and Mrs. Johnson left for their wedding trip to the North Shore Drive. They are at home at Lakeview Hotel, Bemidji.

The bride is the daughter of Mr. and Mrs. Arthur J. Pudas of Cloquet, and is a graduate of the commercial course at Bemidji state teachers college in March 1943. Her husband, son of Mrs. Oscar Lilleby of Badger, recently returned from three years in the navy. He is a graduate of the Bemidji state teachers college in 1941 and is now in the teaching profession.

Parnow-Stewart Vows Spoken in Zumbrota

Baskets of white peonies and syringa, baskets of red peonies, and tall candelabra banked the altar of Christ Lutheran church in Zumbrota Saturday evening, June 8 for the marriage of Miss Frances Marion Stewart, daughter of Mrs. A. G. Nesseth of Zumbrota and W. M. Stewart of St. Paul, and Carrol Arnold Parnow, W. T. 1/c, U. S. N., son of Mr. and Mrs. O. E. Parnow of Los Angeles, Calif formerly of this vicinity.

The bride, who entered on the arm of her father was attired in a gown cut with a full marquisette skirt ending in a long train, a marquisette yoke outlined with a full of lace and a round neckline. The The bodice of white faille had long sleeves extending to a point at the wrist. Her fingertip veil edged with lace, fell from a pearled sweetheart cap. Her bouquet of white roses, white carnations, narcissus and sweetpeas was centered with a white orchid and from it fell a shower of white satin ribbons and white sweetpeas.

Mrs. Robert Schrandt of Pine Island was matron of honor for her sister and the bridesmaids were her classmates, Mrs. Vernon Ulteig of St. Paul, Mrs. Arnold Ulteig of Zumbrota, and Miss Martha Smith of Decorah, Iowa.

Kay Ann Starz, the bride's cousin from Pine Island, daughter of Mr. and Mrs. Orrielle Starz, was junior bridesmaid and three-year-old Carol Starz of Pine Island, was her cousin's flower girl. She scattered flowers in the path of the bride.

Little Richard Parnow, the groom's nephew, from Goodridge, dressed in a blue sailor suit, carried the rings on a lace trimmed pillow.

Robert Parnow of Los Angeles was best man for his brother and Robert Schrandt of Pine Island, the bride's brother-in-law, was groomsman. The ushers were Christie Starz, the bride's uncle of Pine Island, and Raymond Parnow of the Goodridge, the bridegroom's brother.

A reception for one hundred guests in the church parlors followed the ceremony.

Mr. and Mrs. Parnow left for a wedding trip to Northern Minnesota and Canada and will be at home after July 15 in Vancouver, Wash.

The bride was graduated from the Zumbrota high school and the Northwest Institute of Medical Technology and was employed as a technician in the Vancouver hospital. The groom was graduated from the Goodridge high school and enlisted in the U. S. Navy three and one-half years ago.

KRATKA

The regular monthly meeting of the Kratka 4th club was held Monday evening June 17 at the Simon Rieland home. A reading by Donald Rieland and several songs by the club members with Grace Glaser as accompanist at the piano furnished the evenings entertainment. Lunch was served by Mrs. S. Rieland and R. Burstad.

Party

Juanita Magnan was feted on her 4th birthday Monday afternoon. Lunch was served by her mother Mrs. Ed Magnan. Centering the table was a large birthday cake. The honor guest received a number of lovely presents. Those present were Mr. and Mrs. Ted Lendobeja, Glenn Allen and Mary Ann, Mr. and Mrs. Al Gerend and daughter Mary Ann of Akron, Ohio and Mrs. Bert Johnson and sons Bobby and Gary.

Callers at the Julius Hanson home Sunday were Mr. and Mrs. Wm. Hoff and Harold; Mrs. Lillie Kittelsrud and son Obert, and Miss Minnie Hoff of Fargo and Mr. and Mrs. Leon Lendobeja, Julian Lendobeja Eva Rohrarge and Mr. and Mrs. Walter Lendobeja and son Junior.

Mildred Rieland left last Tuesday for Chamberaburg, Pa. to visit her sister Ruby.

Mr. and Mrs. Frank Votova and daughters Mary Ann and Judy, Mrs. Julia Mazowsky, and Kathleen Filser from Gully spent Monday visiting at the Bert Johnson home.

Mrs. Anna Beerby was pleasantly surprised on her 75th birthday on Tuesday by Mrs. Anna Aneson, Mrs. Ingeborg Jorstad and Mrs. Ingeborg Jorstad. The ladies brought the fixings for a lunch and gifts for the honor guest.

NORWEGIAN LUTH. CHURCH PICKS NEW NAME LAST WEEK

Evangelical Lutheran Church Selected as New Name in Minneapolis

The name of the Norwegian Lutheran Church of America was changed officially to "The Evangelical Lutheran Church" at the Friday session of the church convention at Central Lutheran church in Minneapolis.

The change, which was given preliminary approval at the last convention two years ago, was passed with slightly more than the two-thirds required majority.

A total of 1,658 votes were cast, about 200 less than the number of voting members registered. More than half the persons registered are laymen. In the voting, 1,256 voted in favor of the resolution and 402 against.

The heated debate which was expected to precede voting on the *name change* was halted by a motion of the Rev. H. A. Okdale, Brooklyn, N. Y., who urged that discussion be eliminated since most delegates already had made up their minds on the issue.

Funeral Services for Oscar Stenseth Monday

Funeral services were conducted at the Erickson and Lund funeral home Monday evening at 8 o'clock for Oscar Stenseth, 30, who passed away June 10 at a Fergus Falls hospital. Rev. O. O. Bjorgan officiated at the rites and the body was sent to Minneapolis for cremation.

MRS. O. RAMSTAD SUCCUMBS AT 86

Pioneer Resident Here Dies in California

Rites were conducted Saturday, June 15th, at Long Beach, California, for Mrs. Olaf Ramstad, former resident of this city from 1902 to 1927, who passed away at Seaside Memorial Hospital, Long Beach, California, Thursday, June 13th. Interment was a Sunnyside Memorial Park, Long Beach.

The deceased, who was 86 years old, is survived by her husband, Olaf Ramstad, two daughters Mrs. Ila Reynolds of Los Angeles and Mrs. Oscar Sponheim of Long Beach; a brother, Ole Sandness of this city, three grandchildren, Marian Reynolds of Los Angeles, Harold and Robert Sponheim of Long Beach, and two great-grandchildren.

Born in Decorah, Iowa, September 4, 1860, Mrs. Ramstad was married to Olaf Ramstad May 8, 1897, lived in Ada from 1883 to 1902, then at Thief River Falls until 1927, and has resided in Long Beach until the date of her passing.

Among those attending the services were A. I. Anderson and Mr. and Mrs. Henry Sande, former residents of this city.

Rites This Afternoon for Halvor Myrum, Who Died Sunday, June 16

Halvor Myrum, for the past thirty years a Pennington county resident, died Sunday, June 16, at his home in Deer Park township in his sixtieth year. His death followed a four months illness.

Funeral rites will be conducted at the Oak Park church this afternoon (Thursday) at 2 o'clock, with interment in the church cemetery.

Born in Valle, Norway, June 29, 1886, Mr. Myrum immigrated to this country with his parents in 1896, settling in Rollette, N. D. In 1916 he moved to Pennington county and was married to Miss Gunda Stolaas in 1918.

Surviving his death are his wife, nine sons and four daughters: Arnold, Selmer, Signe, Howard, Bernell, Betty, Ines, Milton, Lloyd, Tenny, Lawrence, Glorianne and Gerald. Also surviving are a sister, Mrs. A. H. Larson of Minneapolis; and three brothers, Tom, Fargo, N. D.; Sam, Rollette, N. D.; and Ole, Mayfield township.

Rites for Ole Urdahl in Viking Wednesday

Rev. Carl Thompson conducted rites Wednesday afternoon in the Zion Lutheran church at Viking for Ole. J. Urdahl, 77, who passed away at his home early Friday morning. The body was laid to rest in the Viking cemetery.

Mr. Urdahl leaves to mourn his wife Sina; three daughters and four sons, Mrs. Emil Gustafson, Mrs. John Tostrup, George and Arthur of Viking, Mrs. George Richert of Seattle, Wash., Oscar of Renton, Wash., Alvin of McIntosh; six grandchildren and four great grandchildren; and one brother John of Seattle, Wash. His parents, one daughter, five brothers and a sister preceded him in death.

Born in Norway Jan. 16 1869, Mr. Urdahl came to the United States at the age of 19 and made his home at Kennett, Iowa. There he engaged in farming for a number of years. He was united in marriage to Sina Eikemo Nov. 13, 1894 at Northwood, Ia. and to this union eight children were born. They farmed near Northwood until 1908, at which time they moved to Canton, S. Dak., where they farmed until coming to Viking in 1911. Mr. Urdahl was a member of the Viking Zion Lutheran church and served as trustee for a number of years as well as being a member of the school board. Two years ago a golden wedding was celebrated at the church for him and his wife.

70 Persons Participate in Annual Smiley 4-H Club Tour Held Sunday

The Smiley 4-H club held its annual tour on Sunday, June 9, starting at the Ed Helgeland farm home.

Ten farms were visited where the following projects were observed, baby beef, dairy calf, sheep, chickens, turkeys, gardening, home beautification and clothing. Pointers were given by County Agent E. A. Palmer as each project was viewed. A special demonstration on pruning evergreens was given by Mr. Palmer at the Adam Lendobeja home.

The tour ended at the Art Knutson home where a demonstration on "How to properly Show an Animal for Judging" was given by Donald Knutson.

Fifteen cars including about seventy people made this one of the most successful tours held by the Smiley club. The tour ended with a delicious lunch, which was arranged by Mrs. Art Knutson and Mrs. R. Hanson.

Bank Debits Here in May up 48 Per Cent over 1945

In Thief River Falls the volume of bank debits in May, 1946, was 48 per cent above those of May, 1945, and the cumulative total (January through May) of this year was 43 per cent above that of 1945.

In Minnesota May debits were 10 per cent over the same month of last year, while the total for January through May shows a gain of 15 per cent over the same 1945 period.

News of R. R. Valley Home for the Aged

We are happy over the progress of our improvements. One more week of favorable weather should see our painting completed and we hope also to have a new back porch and a new front entrance. All of this makes our home more attractive and adds to the comfort and pleasure of the many who live here.

Friday evening we were privileged to entertain for supper, Sunday School missionary Mark Hanson, and four of his D. V. B. S. teachers. He conducted an institute for all teachers at the Ev. Free church all day Saturday leaving after supper with the girls for their various schools, Vilnet Christopherson and Virginia Heybron going to Ada and Gloria Ulshafer and Lorraine Moe to Warren.

We were happy to have Alida Peterson join our staff of workers for two weeks until our new help comes. They will be here to begin work on June 16th.

D. G. Brownlie who has spent the past few weeks in the vicinity of Blue Earth, Minn., returned Monday evening reporting plenty of rain in the southern part of the state and crops looking very good.

Mrs. Kate Spiegl together with friends from this city, drove to Grand Forks Wednesday to visit with relatives and to attend a church conference held there this week-end, closing on Sunday.

Recent guests for Sunday dinner have been Mr. and Mrs. Sigurd Grothe and Mrs. H. P. Strand. Other callers have been Mrs. Hedalen, Mrs. Ida Anderson, Mr. Isaacson, Mrs. Foster and Grandma Erickson from Grand Forks.

Rev. J. O. Jacobsen called at the Home bringing a gift in memory of Mrs. Gustaf Erickson and given by the Dan and Lawrence Blenkman families. We are very thankful for this gift and extend our sympathies to Miss Ella Erickson, and other relatives of the deceased.

We appreciate very much the kindness of friends who have left good reading matter for us, and also for the rhubarb sent over.

Minnie Gjerde and Alida Peterson called on Mrs. H. S. Sande Monday evening, who has recently returned from a week's visit with relatives in Minneapolis.

On Sunday we celebrated Emil Johnson's 70th birthday, which occurred on Saturday the 8th of June. His daughter and granddaughter called on him that day, and on Sunday he gave us all a very generous treat of ice cream. Every one was able to be up and enjoy it, and all join in wishing him health and God's blessing in the coming year.

Recreation Highlights

On Wednesday, June 12, the 7-hour camp opened. Fifty-two children accompanied Camille Dostal to "Green Hill" for the day. At noon dinners were cooked in the open. After dinner hours were spent in hiking, nature study wading and games.

Each Wednesday for 7 weeks, if the weather permits, these day camps will be conducted; otherwise there will be play in the arena game rooms.

Times Editor Writes from National Editorial Convention in Denver

This week the column becomes personal again, but not offensively so I hope. Reason for the change of form is that I am attending the National Editorial Association Convention at Estes Park, 80 miles from this mile high city of thin air and heavy dollars. It would be tough to be rich out here if you had to carry your wealth with you in the form of silver discs.

Chief diversion on the way out here was talking politics. *At Omaha we picked up a group of Nebraska* publishers and of course the discussion centered about the Nebraska election and the licking Nebraska voters gave to Harold Stassen's candidate. As one who likes Stassen I had to eat a lot of crow. My good friends of the opposition took particular delight in reading to me an Omaha World-Herald editorial.

"Harold E. Stassen, the vigorous and likeable left-winger who wants the Republican party to nominate him for President took a terrific shellacking in the Nebraska primary election", said this paper, attributing Hugh Butler's nomination for reelection as U. S. Senator to Stassen's support of his opponent. In this editorial Stassen was pictured as the representative of a "Mongrel New Deal—CIO-PAC-City Bosses party", and, in general, not-a desirable type of citizen.

The real *issue*, I gathered from the discussion with the Nebraskans present, was the loan to Britain. During the closing days of the campaign the Butler appeal boiled down pretty much to the one question of whether or not the people of Nebraska wanted to give their money to England. They didn't. Watch for this same kind of last minute campaigning in Minnesota.

Another editorial in this same pap was written in a more humble tone. In this editorial the paper tried to explain away the error of a preelection poll which had indicated a neck and neck race between Butler and his opponent. "It was about as wrong as it could be," said the paper of its own prediction.

It is fair to assume that newspaper polls are conducted honestly. Any publisher whether or not he himself were honest, would want his poll to be accurate in the prediction of a result that would be certain and by which comparisons could be made. The penalty for being wrong is loss of prestige, and that is a big penalty for any paper to pay. The weakness of polls is that while they might reflect quite accurately what people think at the time a poll is taken, there is no way of determining what people are going to believe tomorrow or the next day. Human conduct is unpredictable.

There is some serious concern about whether or not public thinking is influenced by polls. Human nature being what it is, and being very human myself, my guess is that there are a lot of people who hope that the wise guy who tells them what is going to happen will be wrong. *Unless I had a special* interest in the result I think I would vote to prove that the wise guy was wrong. If a poll is unfair to anyone it probably is unfair to the fellow who, according to the poll, is out in front.

Am returning via San Francisco and I have hopes that the long way home will be pleasant. I know it will be interesting. This letter, started in Denver, is being completed on a night flight over the Rockies and a lot of fine scenery that I cannot enjoy. I already have had my fill of mountains however, and will be glad to settle for the land that is flat and green. Better that we have a little too much rain occasionally than seldom enough.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

June 3, 1940

At a regular meeting of the City Council held May 14, 1940, Alderman Engeldal seconded by Alderman Anderson introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that whereas, the City Council has heretofore instructed the City Clerk to advertise for sealed proposals for the construction of a band house and recreational building at Tindolph Park according to plans and specifications now on file with the City Clerk, and the City Council having duly met to receive and consider such bids and no bids having been received, and it appearing that there is no prospect of receiving bids owing to the condition of the labor and material markets;

BE IT THEREFORE RESOLVED, that the plans and specifications for the band house and recreational building now on file with the City Clerk be and the same are approved and adopted, and that the City proceed to cause said building to be constructed by day's labor under the supervision of the Park Board of the City.

BE IT FURTHER RESOLVED, that the proposition of the Pritchard Bros. Company to furnish the necessary tools and equipment for use in the construction of said building and to furnish the supervision of the said building project, at the rate of 5% of the total cost of labor and material, be and hereby is accepted, and the Mayor and City Clerk be and hereby are authorized to enter into contract with the said Pritchard Bros. Company; that the labor employed upon such construction, are to be paid by days labor at the current rate for such work as good at Thief River Falls, Minnesota and vicinity; that the said Pritchard Bros. Company, are to use the best materials including material, labor, and necessary skill for constructing said building in a commendable and workmanlike manner.

That the Public Contractor's Bond for the said Pritchard Bros. Company, is hereby fixed at $8000; that the total cost of said building is not to exceed the sum of $10,000 completed.

ROLL CALL

Alderman voting Yes: Bergland, Bredeson, Anderson, Engelstad, Nelson.

Alderman voting No: None.

Resolution declared passed.

ALFRED BREDESON,
President of the Council

Presented to the Mayor May 14, 1940.

Approved May 20, 1940.

W. J. BOUVILLE,
Mayor

Attest: P. G. Pederson,
City Clerk.

Pursuant to call and notice thereof the City Council of the City of Thief River Falls, Minnesota, convened in session in the office of the City Clerk on May 24th, 1940. The meeting was called to order at 10:30 o. m. with Alderman Bredeson, Anderson, Berge, Nelson present and Alderman Bergland and Engelstad absent.

The meeting was called for the purpose of considering alleged violations of Ordinance No. 185 and other ordinances at the premises 304 Main Avenue North occupied by Amie Olson.

The Mayor and City Attorney reported that they had notified the owners of the premises in the vicinity at the above mentioned premises, of Ordinance No. 185 and other ordinances, which premises were licensed to engage in the sale of certain non-intoxicating malt liquors containing not more than 3.2% of alcohol by weight under—an Sale License No. 322, issued to Amie Olson, 304 Main Avenue North, and recommended that such licenses be revoked. Alderman Berge moved that such licenses be immediately revoked; that the licensee Amie Olson be served with a notice to that effect and further, that the City Council will meet at the office of the City Clerk in the City Audit orium and Municipal Building in the City of Thief River Falls, Minnesota, on Tuesday, the 28th day of May, 1940, at 10:00 o'clock in the forenoon of that day, at which time and place she might appear and show cause why such license should be reinstated. The motion was seconded by Alderman Anderson and adopted by roll call vote, as follows: Ayes: Bredeson, Anderson, Berge, Nelson. Nays: None.

By motion made and duly carried the meeting was thereupon declared adjourned to Tuesday, May 28th at 10:00 o'clock A. M.

ALFRED BREDESON,
President of the Council.

Attest: P. G. Peterson,
City Clerk.

Pursuant to adjournment and to the notice of hearing to be conducted on alleged violation of Ordinance No. 185 and other Ordinances, the City Council convened in the Council Chambers in the Auditorium and Municipal building on May 28th, 1940 at 10:00 o'clock A. M. The following Aldermen were present: Bredeson, Anderson, Berge, Nelson. Aldermen Bergland and Engelstad were absent.

Mrs. Amie Olson, licensee, appeared in her own behalf in response to summons and notice of hearing to be conducted this date, for the purpose of answering charges that the provisions of Ordinance No. 185 and other Ordinances have been violated at the premises 304 Main Avenue North and to show cause why her license to sell non-intoxicating malt liquors containing not more than 3.2% of alcohol by weight, should not be revoked. She stated that on the day of disturbance at this location there was no beer on sale on the premises and that on such day the disturbance began when an employee attempted to eject a customer from her place of business and she asked that her license be not stated. Superintendent of Police Hanson was called to testify to the matter. Alderman Berge moved that the revocation be sustained. The motion was seconded by Alderman Nelson. The roll was then called on the adoption of the motion and the following Aldermen voted: Aye: Bredeson, Anderson, Berge, Nelson. The following voted: Nay: None. The motion was thereupon declared adopted and the hearing was declared adjourned, sine die.

ALFRED BREDESON,
President of the Council.

Attest: P. G. Peterson,
City Clerk.

At the time for the regular meeting of the City Council to be held on June 10th, 1940 at eight o'clock P. M. the following Aldermen were present: Engelstad, Anderson, Berge. The following Aldermen were absent: Bergland, Bredeson, Nelson.

There being no quorum present, Alderman Anderson moved that the meeting be adjourned to Monday, June 17th, 1940 at eight o'clock P. M. The motion was seconded by Alderman Berge and the meeting was the reupon adjourned.
